

NATIONS GOLD SCHEME HALTED BY REJECTION

(Continued From Page One)

ing out sharp dollar fluctuations.

It was suggested in some American quarters that the president might have disapproved the latest draft statement because it strongly stressed gold, in view of the American proposal to use silver as a part of currency reserves.

(By The Associated Press)

Today at the world economic conference:

Gold blue representatives waited in vain for word from President Roosevelt on their latest proposal for a policy of fluctuating currencies.

Prospects for a wheat agreement were increased. Dispatches from Sydney said the Australian states had agreed to restrict wheat exports. American sources interpreted this as meaning a better chance of an agreement to restrict acreage.

Roscoe Turner Sets East-West Record In Big Air Race

MUNICIPAL AIRPORT, LOS ANGELES, July 1. (AP)—Roscoe Turner, flying in from a busy eastern sky at full throttle, Col. Roscoe Turner, veteran transcontinental speed pilot and holder of the east-west racing record of 12 hours, 33 minutes today won the transcontinental air speed race from New York.

Turner shot his golden bullet-shaped racer across the finish line at 12:29 p. m. (Pacific Standard Time) traveling the 2500 miles from New York in 11 hours, 40 minutes, and taking first place and prize of \$1,000. Turner broke his own record for the distance by 53 minutes. He left New York at 12:49 a. m. (Pacific Standard Time).

Turner averaged 214.2 miles per hour in his dash across the continent.

Turner, a big smile on his face, was swamped in a milling crowd of cheering flying fans as he rolled his smoke-streaked racer up to the finish line and cut the motor.

His wife, first to reach his side, embraced him. She was overcome with emotion and could not speak. "How are you honey?" he roared at her.

A flood of questions poured into his ear, deafened by the continual roar of the 950-horse power motor.

INDIANAPOLIS, July 1. (AP)—Russell Boardman, Boston aviator, was injured so seriously physicians feared he would die when his airplane nosed over today as he took off to continue a race from New York to Los Angeles.

Preliminary examination disclosed Boardman suffered a fractured skull, a punctured lung, and a broken shoulder. He was unconscious.

The accident occurred at 5:30 o'clock. (C. S. T.). Boardman had arrived at 5:15. His plane lifted only 25 feet into the air when it was caught by a cross wind and overturned.

Boardman, in July 1931, with John Polando, flew from New York to Istanbul, Turkey, for a world non-stop distance record, estimated to be 5,639.5 miles. They made the flight in 49 hours and 20 minutes at an average speed of 102 miles an hour.

SWAN LAKE

SWAN LAKE.—Mr. Marshall of Olney, drove some cattle to the Applegate ranch last week.

Mr. and Mrs. P. E. Stiles and daughter, Zelma, were in Barnes valley and Bly on business last week.

I. R. Harrison delivered wood in Klamath Falls the past week.

P. E. Stiles sold fat hogs and a beef to a local butcher last week.

Mr. and Mrs. Earl Wheeler of Canton, S. D., are visiting relatives of Mr. and Mrs. Frank Gabriel.

The farmers of Swan Lake are rejoicing over the rain.

Mr. and Mrs. Winn Bates of Quartz Mountain, visited at the Frank Gabriel home last week.

MANDAMUS ACTION FILED ON STATE

(Continued from Page One)

referendum petitions were obtained through fraud.

This was followed on June 27 by the issuance of a temporary injunction restraining the secretary of state from placing the referendum on the ballot. The petitioners were given 60 days in which to file a bill of particulars which means that the referendum cannot be referred to the voters at the special election.

Plaintiffs in the mandamus proceedings alleged that certain features of the power act are now in effect.

State Policeman Murdered by 2 Thieves on Road

(Continued from Page One)

turned and fired two more shots into his prostrate body, she said.

Passersby Escape

The couple, who were driving on the Pacific highway near the scene, said the murderer then turned toward their car as if to fire, but they suspected his intention and fled.

Barrier and Bowles had just deserted their automobile when picked up by the officers. The machine was found a short distance away in a ditch. Barrier threw his automatic pistol into some brush at the roadside as the officers approached, they said, but it was recovered.

Services Held for Lakeview Pioneer

LAKEVIEW, Ore.—Funeral services were held Friday for Mrs. Sarah Alice Baty, wife of Samuel E. Baty, manager of the M. C. ranch.

Mrs. Baty was born in Jacksonville, Ore., on July 23, 1883. At the time of her death she was 49 years old. Mrs. Baty came with her parents, Mr. and Mrs. Elbert Morris, to Lakeview in 1898. She was a pioneer days. On July 17, 1917, she was married to Samuel Baty. Besides her husband she leaves a daughter, Georgia, a son Virgil Young, by a former marriage, a sister, Mrs. John Noble, and two brothers, John and Alfred of Lakeview, and a brother, Tommy, of Salem.

Following a short service at the Community church at Fort Bidwell at which Rev. G. C. Griffon of Lakeview officiated, the body was laid to rest in the Fort Bidwell cemetery.

Council Dismissed For Monday Eve

There will be no meeting of the city council Monday evening, July 2, according to announcement from city hall.

The decision to omit the meeting was partially due to the fact

Youth, 17, Held in Boy's Murder

Richard Ragone, 17-year-old Philadelphia, Pa., youth, is shown in the top photo as he appeared in police headquarters at Philadelphia charged with the murder of 9-year-old William A. Rellly, Jr. (below), also of Philadelphia. The arrest followed the discovery of the Rellly boy's body, bearing 57 wounds, in Mount Moriah Cemetery, Yeadon, Pa.

that Monday will be observed as a holiday by city hall offices, and partially because there are five Mondays in the month of July. The council meets only four times a month, according to city ordinance, and will omit the fifth Monday instead of the fifth.

Twenty-one per cent of the meals eaten by Americans are eaten outside of homes.

Rogue River Forest Ready for Fires

(Continued from Page One)

copy the post at Mt. Scott, one of the most difficult stations in the district for visitors to reach. Three miles of trail must be traversed on foot from the end of the auto road, but the panorama viewed from the summit is well worth the effort.

At Devil's peak, Virgil Clark, with two years of forestry service to his credit, will be on guard.

Pelican ranger station, in charge of Elmer Rowden, maintains a seven-man fire cache and similar equipment is held at Seven Mile by Thomas Rosby. The Seven Mile station is rated as one of the best cared for in the forestry service in this district.

Recent rains and high water in the lake this season will eliminate much of the fire hazard for the early summer season, according to C. Egan, district ranger, who last week attended a school for guards, firemen, lookouts and rangers at Lake of the Woods.

Egan also stated that precautions in the way of fires against smokers on the highways and wood roads in the national forests are to be taken. During 1929 and 1930 smoker's fires amounted to 29 per cent of the total number of fires from all other causes in the Oregon forests and the total is increasing. Notices have been posted and persons found smoking while traveling in restricted districts by the ranger, his assistants, state police or individuals who report the license number of such a vehicle operated under those conditions is liable to a heavy fine in a federal court.

Lumber Wages for Recovery Bill Set

(Continued from Page One)

to this code, to restore as may be practicable the rates of wages paid within these industries to the rates prevailing in 1926, adjusted in proportion to changes in the cost of living; and periodically to revise wages in such manner as will current reflect an equitable adjustment to average market price of lumber and timber products.

These wage scales, shall, when fixed by regional committees, be binding upon all producers and manufacturers upon approval by an emergency national committee, the code set forth.

The code will be submitted to President Roosevelt and will become applicable to the industry when he approves it.

Planting rice by airplane is now an established practice in the United States.

"Boost Wages, Roosevelt Tells Industry"—headline. Apparently the president, too, believes that the laborer is worthy of his higher.

Great Britain and Ireland have 300,000 Jews within their boundaries; Germany has 643,000.

Ex-Dry Leader Favors Repeal

Mrs. William B. Hamilton, above, of San Francisco, dry leader and once a prohibition candidate for Congress, now favors repeal of the 18th amendment. She will continue to work for temperance.

Lakeview Roundup To Be Sept. 2-4

(Continued from Page One)

LAKEVIEW, Ore.—The Lake county Pomona grange and the Lake county 4-H clubs will hold their annual community picnic this Sunday at Marster's springs on the Little Chewaucan river. Speakers for the day are Ray W. Gill, master of the state grange, Mayor W. E. Mahoney of Klamath Falls and Arthur D. Hay, newly appointed circuit judge of Lake county.

R. L. Ackerman, secretary, is in charge of the picnic lunch and Mrs. Plumas Hotchkiss, lecturer of Pomona grange, is in charge of the program.

MAN LOSES \$10

Ed Quigley was fined \$10 in police court Saturday on a charge of drunkenness. He was arrested by city patrolmen Friday night, as was Charles Dormity, on similar charges. Dormity's hearing is scheduled for a later date.

Ford Motor Company, Dearborn, Mich.

In answer to a lady's letter

Henry Ford, Dearborn, Mich.

A lady writes to say that she does not understand why an 8-cylinder car does not cost more to run than a car with fewer cylinders. She refers to my statement that our Ford V-8 develops more power on a gallon of gas than any car we have made.

The use of 8-cylinders does not mean the addition of two or four extra fuel consumers. It is not, for example, a 4-cylinder engine multiplied by two. Our 8-cylinder engine takes the fuel supply of an ordinary 4-cylinder engine and divides it eight ways. And why?

By reducing four larger explosions into eight smaller ones, we get engine smoothness and quietness. Eight-cylinders indicate the way the gas is used, not the amount. It is just the difference between going upstairs in four long jumps or in eight ordinary steps.

Two things use up gas—bad engine design and useless car weight. Besides having an engine that gets a high percentage of power out of the fuel, the Ford V-8 has a light, strong body and chassis so that no power is wasted in moving excess weight.

The only extravagance about the new Ford V-8 engine is in the building of it. The extravagance is ours—the economy is yours.

The whole question of car economy needs clearing up. An economical car gives economy all round. Price, operation, upkeep, all play their part. If what you save on gas you lose elsewhere, that is not economy.

As to upkeep, our dealers say that in recent years the improved quality of Ford cars has out down their repair business 50 per cent.

As to price with quality,—judge for yourself.

As to economy, here is the record of a stock car three weeks out of shop in Oklahoma:

On a run of 10,054 miles at the rate of 1,000 miles a day—the Ford V-8 gave 18.8 miles per gallon of gas. Not a drop of water was added to the radiator. The oil was changed once in 1,000 miles.

That should answer a lot of questions.
