Betting On Horses Not Hot In Seattle

SEATTLE, July 12. (UP)—Lack of enthusiasm among racing fans and slight betting today led officials of the Silver Lake Jockey club to discontinue pari-mutuel horse racing at Silver Lake.

The club lost approximately \$2,000 a day, according to Al Hardy, secretary. The track opened July 1, the first pari-mutuel betting track to operate under license of the state racing commission.

The Washington Jockey club at Longacres, south of Seattle, will open August 3. A \$400,000 plant is being constructed.

State League Contest To Be Played Sunday Over There

Victorious in their first big game of the season, the Klamath Falls American Legion Junior baseball team will go to Medford Sunday to meet the strong Medford Junior team.

Medford has defeated Ashland and Grants Pass, and probably has a strong lineup. The team has been strengthened since the Ashland game by the addition of several players from Ashland.

The fielding and batting of the Klamath nine was good in the first game and if they play heads up ball the local players have a good chance to take Medford and later meet Marshfield.

The game will start at 1:00 o'clock.

It Takes 2 K.O.'s To Keep Title In Fights Like This

SEATTLE, July 12. (AP)—That part of the world's featherweight championship recognized by the National Boxing Association remained today in the possession of Freddie Miller, but the Cincinnati southpaw had to twice knock out Able Israel, Seattle Jewish flash, to keep the crown in a scheduled 15-round battle here last night.

Israel's title venture ended for sure in a coat of resin on a new canvas in the fourth round when he was battered down for the third time by a crushing left.

Israel's title venture ended for sure in a coat of resin on a new canvas in the fourth round when he was battered down for the third time by a crushing left.

Miller came out with a scowl on his face, tired of protesting a possible foul decision, and tore into the pale-faced Israel with both fists. He found an opening in Able's guard and laced a left to the chin that sent the weakened youngster sprawling again.

Miller weighed 134 and Israel 123 1/2. It was the second time the pair had met, Israel having gained a decision over Miller in a six-round bout less than two months ago in Seattle.

BILLY PETROLLE IS 7 TO 5 FAVORITE

NEW YORK, July 12. (UP)—Billy Petrolle, the battered old Fargo Express, is a 7 to 5 favorite to wreck the welterweight title aspirations of the brilliant young Hollander, Bep Van Klavern, tonight in their scheduled 10-round bout at the Polo Grounds.

One of the most popular fighters in ring history, the 23-year-old Petrolle is favored to win by the experts because of his punching ability and nine years of ring experience, although the "Dutch Cleanser" has youth on his side, being four years younger.

Petrolle is expected to find rough going against the lad from Rotterdam, who was good enough to win the welterweight championship of Europe, and who has engaged in 127 bouts in a single defeat.

Van Klavern is faster than Billy and a more showy boxer. Like Petrolle, his best blow is a left hook to the body. However, it doesn't carry Petrolle's kick. He will scale two pounds more than Billy. He is busy, buzz-saw type of fighter who punches away constantly at body and head.

They concentrated on doubles play, with Allison unexpectedly paired with Lott, while Van Ryn had for his partner Keith Gledhill of Santa Barbara. Tennis experts interpreted the pairing of Allison and Lott as indicating possibility that they might be the American doubles combination for the interzone final.
