Methodist Women Give Tea Friday For Miss Naylor

Women of the Methodist church will be hostesses at tea Friday afternoon, July 14, at the church parlors, honoring Miss Nell Naylor, who has returned to the United States on furlough from central India, and is visiting in Klamath Falls as the guest of her sister, Mrs. Cora Lyon.

Miss Naylor has spent many years in India, and is a keen observer of all phases of Indian life—political, religious and social. All women of the Methodist church, and of the community as well, are invited to call at the church Friday afternoon, between the hours of 2 and 5 o'clock, and meet Miss Naylor. Miss Naylor is accompanied by a friend, also on furlough, who will also be a guest of honor at the Friday tea.

Court Gets Land For Weed Highway

The Klamath county court in regular session Thursday, reported good progress in obtaining right of way for the west side entrance route of the Weed-Klamath falls highway, selected by the state highway commission last Tuesday.

Land owners are co-operating with the court in offering the right of way, which in many cases is being donated.

LEGION PARADE TO BE SPECTACULAR

The American Legion parade, which is scheduled to be the most spectacular and longest parade in the history of state celebrations, will be held at 9:00 o'clock on the evening of August 19, the first day of the convention to be held here. Being the first night affair of its kind, the committee in charge has planned an exceptional lighting effect, which will illuminate the entire town when the parade is under way.

On account of the thousands of people who will witness this parade, it will probably be routed several streets in Klamath Falls, giving everybody a chance to see the unusual sight. The parade as now planned will consist of three sections, the first section, designated as the Legion section. In this group the Legion post of Oregon having the highest record of paid memberships will have the honor of first place, and the rest of the posts throughout the state will be placed according to their ratings. The second section is known as the 40 & 8 Section. In this section all the fun and stunts for which the 40 & 8 society is noted, will be seen. Many entries have already been received for a place in this section of the parade.

The third section of the parade will consist of civic, commercial and fraternal entries, and many local firms are already constructing special floats advertising their products. The committee feels that this section of the parade will give an unusual opportunity for any commercial firm to boost their products and

Tells How She Lost 15 Lbs. of FAT

Rheumatism Gone Too

Here is a woman who was rapidly putting on weight and who was troubled with rheumatism too. Read her letter: "I started taking Kruschen Salts because of the good it had done for a friend of mine who had been crippled with rheumatism. At the end of the second bottle I was weighed and find I am now only 148 pounds (original weight 163 lbs.), at which I am so pleased. But I have also felt my rheumatism much less, which has been so troublesome in my knees. I must say I think Kruschen a splendid weight reducer." (Miss) E. L. P.

Overweight and rheumatic poisoning often go together. The six salts in Kruschen assist the internal organs to perform their functions properly—little by little that ugly fat goes; slowly, yes—but surely. You feel wonderfully healthy, youthful and energetic—more so than ever before in your life! Kruschen Salts is obtainable at Whitman Drug Co.—a jar lasts four weeks and costs not more than 55c.

business. Virtually every fraternal organization in Klamath Falls will either march or enter a suitable float.

Many drum corps and bands which will also be seen and heard in this parade, and an unusual display of patriotic flags and colors will head the movement escorted by the armed forces of the national guard units of Klamath Falls and Ashland.

Kiwanians Hear About Convention

The program of the Thursday meeting of the Kiwanis club at the Willard hotel was devoted to reports of the international convention of Kiwanis at Los Angeles week before last. These reports were made by Ed Ostendorf and E. M. Veach, delegates from

the Klamath Falls club to the Los Angeles convention.

Saddle Horses Of Big Marsh Found

Five valuable saddle horses belonging to Jack McAuliffe and reported stolen from their pasture on the Big Marsh Wednesday, were recovered Thursday afternoon by Sheriff L. L. Low and M. L. Barnes of the state police. The horses were about 30 miles from their pasture, which they had left when a gate was opened.

The term, "call money," is applied to money which is loaned on condition that the loan be repaid at any time the person making it calls for the money.

2 YEARS AHEAD in Anti-Knock Horsepower

New "Fortified" Gasoline Issues a Challenge to Owners of Cadillacs, Chryslers and La Salles

You have been advised to use extra price premium gasoline to get maximum horsepower in your high compression motor, without knocking.

Now... it is no longer necessary. Gilmore has jumped far into the lead to perfect and develop the new "Fortified" Red Lion. It is the gasoline that makes premium price motor fuels unnecessary. It is 2 years ahead in anti-knock horsepower. It also gives added mileage, and contains no poisonous ingredient.

The gasoline that makes Cadillacs, Chryslers, La Salles, and other high compression cars run satisfactorily, will make any car, old or new, run better.

Put this brand new "Fortified" Gilmore Red Lion to any test you want... in any car. It challenges your amazement. Just try it!

Thousands of motorists have switched to this gasoline since it was introduced on June 16th, 1933.
