

FIFTEEN BANDS TO MARCH HERE AT CONVENTION

Fifteen bands and drum corps composed of 263 musicians from American Legion Districts in Oregon and northern California will march on Main street in a two-hour parade starting at 9 o'clock, August 19, the first evening of the Legion state convention in Klamath Falls.

A complete list of the drum corps and bands coming to Klamath Falls was made by convention commission members Monday. Among the features of the parade will be an exhibition of the Ashland kilt band. Members will wear gay colored kilts imported from Scotland. The Cavemen band from Grants Pass is announced as another picturesque garbed musical organization. The only other two bands to come are a 20 piece band from Bend and a 30 piece band from Albany. Only six of the visiting drum corps will enter the annual state competition for championship corps. They will be Corvallis, Medford, Enterprise, La Grande, Roseburg and Portland. Other drum corps which will not enter the competition but will be here for the parade and exhibitions are Salem, the national champion which is disqualified from entering the state contest; Tillamook, Yreka and Dunsmuir, Calif., prevented from entering competition because of being out of the state, and Klamath Falls, the host, according to precedent does not enter the state championship contest. A recent survey on four New Jersey main trunk highways, especially designed for safety, provided that 89 per cent of the fatalities occurred at night.

Think It Over!

If your funeral bill is higher than Earl Whitlock would charge, you are paying too much, because nowhere in this vicinity may a finer service be obtained. And if you accept less than a complete Whitlock service, you are still paying too much, because even a sum less than one hundred dollars will provide a truly appropriate and comforting Memorial Service through Whitlock's.

Home serves more families than any other local funeral director. This means that we are in a position to offer more complete services at actually less charge to each patron. Investigate our methods in advance of need, by sending for a copy of the new Gift Booklet, "Looking Ahead." Or call in person next time you are in the neighborhood. There is no charge or obligation entailed in a visit here.

HEALTH UNIT MAKES REPORT OF BUSY YEAR

A total of 250 vaccinations for smallpox and 441 immunizations for diphtheria were given by the Klamath county health unit during the past half year, according to statistics compiled in the semi-annual report to the state board of health.

Sixty-eight cases of communicable diseases were reported to the unit during that time, and of this number 37 cases were quarantined and 26 premises disinfected. Thirty-three investigations of possible communicable disease were investigated. Diseases reported to the unit during the past six months were tabulated as follows: scarlet fever, 14; typhoid, 1; chickenpox, 10; measles, 8; mumps, 1; pneumonia, 7; smallpox, 2; erysipelas, 4; septic sore throat, 1; influenza, 5; impetigo, 3; tularemia, 1; Scabies, 2; social diseases, 9.

Education Stressed
Ten educational talks were given during the half year, with an attendance of 364, and 223 pamphlets and leaflets distributed.

In the sanitation division 273 general inspections were carried on, 2 dairies inspected, 2 water supplies examined, 43 investigations made and 15 nuisances abated.

In child hygiene, 293 nursing calls were made, 32 prenatal visits, 40 maternity calls, 46 visits to pre-school children, 62 infant visits, 74 school child visits, and 17 nurses' conferences held.

A total of 1,699 children were examined for defects, five pupils excluded from school, 34 defects corrected, and 65 additional pupils treated.

There were six health talks on the subject of child hygiene presented over the county, with an attendance of 150. Three hundred and twelve investigations were made, and 16 child clinics held with an attendance of 92.

Among county dependants there were 150 visits to the county home, 214 home visits, 52 visits to the county jail, 88 visits to the county hospital; 24 operations performed, 344 patients treated, 269 investigations of dependants carried on, 55 prisoners in the county jail examined and 15 lunacy hearings held.

During the half year 4,531 patients called at the office of the county unit for treatment of various kinds and office conferences.

The average track of a tornado is about one-fifth of a mile across and 20 miles long, and is so sharply defined that houses on one side of a street may be completely demolished while those on the other side are unharmed.

Prominent Member Of Tacoma Society Attempts Suicide

SEATTLE, July 17. (AP)—A Tacoma society girl, Miss Betty Higbee, 20, was in seclusion today after an alleged suicide attempt by leaping into the waters of Puget Sound here late Saturday night, police said, after a quarrel with a naval officer of the U. S. S. Tennessee.

At Tacoma, members of her family declined to comment on the incident.

C. C. C. YOUTH DIES IN CRASH

IDAHO FALLS, Idaho, July 17. (AP)—Harry Hale, 19, a civilian conservation corps worker from Kingston, Pa., was killed last night in an automobile accident on the Roosevelt highway about 16 miles east of Ririe, Idaho. Hale had been stationed at the Irwin forest camp in Swan valley and, with five others, was returning when the accident occurred. He suffered a broken neck, being dead when brought to the hospital here. Others in the party suffered minor injuries. Hale's body was taken to Pocatello and will be sent to Kingston.

BOISE, Idaho, July 17. (AP)—Funeral services will be held here tomorrow for Frank Walsh, 21, civilian conservation corps member from Union City, N. J., who died here yesterday of a broken neck received when he dove into a shallow pool of water at Centerville. The body will be sent to New Jersey.

AGED COUPLE DEAD IN CROSSING SMASH

SALEM, July 17. (AP)—Edwin L. Buchanan, 69, and his wife who was 65, were killed almost instantly here late this afternoon when their car was struck by the northbound Shasta Limited on the Southern Pacific tracks.

Eye witnesses said the car apparently had stalled. The train's bell was ringing and the locomotive moving slowly. The car was dragged about 75 feet.

Mrs. Buchanan leaves a sister, Mrs. Jimmy Robinson. The couple had lived in Salem about 20 years. Dolly Madison, wife of President Madison, is credited with the invention of ice cream; Nancy Johnson, wife of a young naval officer, is credited with invention of the ice cream freezer.

NEW PROPOSALS VIEWED BY BOARD

WASHINGTON, July 17. (AP)—The cabinet board in charge of public works met today to consider new proposals for speeding federal funds into construction amid indications that President Roosevelt is making cuts in the \$30,000,000 rivers and harbors and flood control program it sanctioned last week.

The board reviewed recommendations for projects totaling about \$750,000,000. Sharp reductions were expected. Though in every case the estimates have been examined and cut down by both the cabinet board and a subcommittee before they reached him, the president has in previous recommendations found still further ground for reductions.

To taste right food must be seasoned right

—every good cook knows that

To Satisfy—a cigarette has to be seasoned just right

YOU buy food—steak, flour, corn meal, or fruit—it is cooked and brought to the table and tastes just fine. While the same food, cooked by somebody else, may not taste right at all. That's the difference between cooks—knowing how to season food. It's somewhat like this with cigarettes.

Many kinds of cigarettes have good tobaccos, but they are not mixed right; and then again they are not seasoned with the right amount of the right kind of Turkish Tobacco.

Chesterfields are seasoned just right...they are milder and taste better...and that's why They Satisfy.

Chesterfield

Mr. Merchant:

Would you have your show windows in a shabby, ill-lighted building on a side street? No! You want the most up-to-date and pleasing display, situated where customers leisurely pass.

Remember that when you place your advertisements . . . your show window are sent out to your customers.
