UP MT. WASHINGTON IN HIGH! Essex TERRAPLANES Smash Record

Holder of Pike's Peak Record Now Undisputed Champion

Mt. Washington, N. H., June 30—Two stock Essex Terraplanes, a Six and an Eight, under official supervision of the American Automobile Association, both broke the all-time automobile record up Mt. Washington today—the Six by 51 seconds; the Eight by 1 minute, 16 seconds.

As a climax to the day's work, the Terraplane Eight, starting with the gearshift lever locked and sealed in high gear, climbed to the summit in high gear all the way—a feat unparalleled in the history of the mountain. The farthest point ever before reached by any car in high gear was the half-way house.

These achievements, added to the great Pike's Peak victory in which a Terraplane Six also beat the all-time record for all stock cars, regardless of price, makes the Terraplane the undisputed champion for hill-climbing, performance and ruggedness.

We believe this series of records made by Essex Terraplanes constitutes the most powerful evidence ever assembled to prove the ruggedness, reliability and stamina of any make of motor car. No owner's use of his car will ever approach the punishment given these record-breaking Terraplanes.

KILL THIS TAX WOLF

Go to the polls tomorrow

VOTE NO

ON REFERENDUM MEASURE 317

IT IS A 35% FOOD TAX

Think of it! In these hard times the Legislature has dared to pass a **FOOD TAX. A 35% FOOD TAX!**

What is more, it has passed the same tax you, the people of Oregon, voted down so overwhelmingly only last November . . . and on two previous referendums. A tax on oleomargarine.

Will you stand for this gouge tax on your table? Will you stand for having the cost of living raised in thousands of Oregon homes where there already is too much suffering? Will you stand for the precedent of a tax on one food, which will certainly lead to other food taxes!

Once and for all, kill this vicious, discriminatory tax. Go to the polls tomorrow and vote **317 X NO!**

OLEOMARGARINE TAX BILL—Purpose: To impose an excise tax of four cents per pound on the sale in Oregon of all oleomargarine and to require an annual license fee of \$5 of everyone who sells oleomargarine.		316	YES
