NEW YORK, July 26.—Jack Lovelock's 4:07.4 mile was the climax of a turbulent track season in America. But another great race is brewing now, and the result may be an anti-climax. Lovelock could have run that mile faster, he says, if he had been pressed during part of the race in which he was just loafing along. The New Zealander didn't turn on full steam in the backstretch.

Over in Europe we have a young man from Kansas named Glenn Cunningham, who is touring the boulevards and baring up the cinder strips. On the strength of this he's 4:09.5 mile, he ought to furnish just the kind of competition that Lovelock needs.

A meeting of these two millers is tentatively projected for Berlin next month. On the theory that man is not unlike a race horse, which tapers off somewhat after top form is reached, Lovelock is likely to find the Kansas Cyclone a handful of trouble.

Lovelock, who jogged halfway around the track for exercise after his marvelous mile, left the impression on critics who saw him that he can do better, several seconds better, than 4:07.4. He must have the help of ardent competition to do it. The ambitious Cunningham holds the 800 and 1500 meter championships by virtue of his defeats of Hornbostel, Mangan and Gene Venzke, and needs only a victory in the mile for distance supremacy.

Cunningham is the sort of a runner who beats men who can run faster than he runs, by which is meant he knows a great competitive race. Knowing what he has to do in a race with Lovelock, he will be ready to do his very best.

It may sound like heresy to say that Cunningham can beat Lovelock, but if the New Zealander is not in tip-top form that may be the surprising result.

In this sort of contest, both men may come nearer the four-minute mile, which still is a hard dream.

**Tennis Favorite Eliminated From Seabright Play**  
SEABRIGHT, N. J., July 26.—The first big upset of the eastern tennis campaign occurred yesterday when Caroline Babcock of Los Angeles, third in national rankings, and seeded at No. 2, was eliminated from the Seabright invitation tournament by Baroness Maud Levi of New York, unranked nationally and unseeded.

The defeat came in the second round and the scores were 1-6, 6-3, 6-4.

Miss Babcock played her usual brilliant game, winning the first set, but she began netting her returns in the second. Rain started falling just as the third set was begun. The forced interruption seemed to help Baroness Levi who repeatedly scored with sharply angled passing shots, while Miss Babcock continued to drive into the net. Games followed service, however, until the score was 4-all. The Baroness won the ninth game on her own service, and broke through to win tenth game.

Other favored players advanced to the third round. Helen Jacobs of Pasadena, Calif., national champion and seeded No. 1, defeated Mae Courvoisier of Wichita, 6-1, 7-3. Josephine Crickshaw, Santa Ana, Calif., seeded No. 2, beat Norma Tansle, New York, 6-4, 6-2.

Alice Marble, San Francisco, fourth on the seeded list, eliminated Bonnie Miller, Los Angeles, 6-2, 6-2. Sara Palfrey, Brookline, Mass., defeated Caroline Roberts, New Rochelle, N. Y., 6-1, 6-4. Marjorie Sachs, Cambridge, Mass., defeated Alice Francis, Orange, N. J., 7-5, 6-4. Virginia Rice, Boston, defeated Mrs. Agnes Lammie, Mrs. N. Y., 2-6, 6-2, 6-4. Mrs. Marjorie Gladman Van Ryn, Philadelphia,

Klamath, tied for the Southern Oregon leadership, meets Coquille there Sunday. Any one wishing to see the game and has a car available to the team's transportation can get in touch with Manager Edwards at 3441 Coos. Will be paid by the team.

**Utah Wrestler Defeats Martin**  
SALEM, July 26 (AP)—Henry Jones of Provo, Utah, took the deciding fall from Bunny Martin of Seattle in just five seconds here last night. They are welterweights.

Martin gained the first fall in nine seconds with a flying tackle. Jones wrested the count with a series of flying wristlocks, and then took the final fall when Martin crashed into the ropes on another attempted flying tackle.

HORNBY NAMED CHIEF OF ST. LOUIS BROWNS

ST. LOUIS, July 26 (AP)—Phil Ball, owner of the St. Louis Browns, today announced signing of Rogers Hornsby as manager for the remainder of this season, 1933 and 1934. Hornsby succeeds Bill Killefer who resigned recently.

Ball made his announcement as soon as President John Hegler of the National League had informed the St. Louis Cardinals, with whom Hornsby has been playing this season, that all clubs in the league had waived on Hornsby's services.

Contract Not Public  
While no details of the contract were made public, it was understood Hornsby will be given more authority than any other manager Ball has had. Ball will retain the owner's right to do what he wants with his property, but Hornsby will have entire charge in the contemplated rebuilding of the Browns and will be responsible to no one except Ball.

Hornsby, who wore a Cardinal uniform yesterday, coaching on the first base line on Frank Frisch's first day as manager of the Redbirds, will take charge of the Browns within a day or two. The Browns are in Detroit today and it is probable Hornsby will leave tomorrow night for Chicago to take over the reins in the first game of a series with the White Sox.

In assuming management of the Browns, Hornsby, a storm petrel of baseball, is taking his fourth managerial job and his first position in the American League. Previously he directed the Cards, Braves and Cubs.

Earlier singles matches saw Pommer, Budge, Rosenberg and John Morio of San Francisco emerge victorious.

PIRATES TAKE 2 FROM CUBS

Pittsburgh Makes Things Tough for National Leaders.

By HUGH S. FULLERTON, Jr., Associated Press Sports Writer  
The Pittsburgh Pirates may not win the National league flag but they apparently are going to have a lot to say about who will. They seem to be taking a fiendish delight in pounding the higher-placed New York Giants and Chicago Cubs just when it will do the most damage.

Last week the Cubs handed the league-leading Giants a setback by splitting a six-game series. Tuesday, to show they were playing no favorites, they walloped the Cubs in both ends of a double-header, 4-3 and 4-1, leaving the Giants three games out in front and Pittsburgh only a game and a half out of second place.

Frisch's Team Wins  
The work of three players, Steve Swetone, Hal Smith and Freddy Lindstrom stood out in Tuesday's triumph. The first two pitched effectively. Smith giving only five hits and an earned run in the second game. Lindstrom, continuing his hitting streak through 22 games, made five hits, scored two runs and batted in three.

The only other National league game saw the St. Louis Cardinals, playing their first game under the management of Frankie Frisch, climb into a fourth-place tie with the Boston Braves by defeating the Cincinnati Reds 3 to 1. Jess Haines pitched six hit balls in a mound duel with Larry Benton.

One inning was enough to enable the Washington Senators to beat the Philadelphia Athletics, 3-1, and increase their American league lead over the New York Yankees to a full game. Five walks off Roy Mahaffey led to four Senator runs in the opening frame and they were plenty as rain stopped the contest after five innings. The Yanks and Boston were rained out altogether.

Indians Advance  
The Cleveland Indians, "hitless wonders" of the circuit, advanced a notch in the second division standing as Mel Harder outpitched Sam Jones 2 to 1 in a 19 inning duel to give the Chicago White Sox their sixth straight defeat. The Indians got only seven blows, including singles by Willie Kamm and Frank Pytlak in the tenth, but Harder limited the Sox to six.

The Detroit Tigers scored early and often against the St. Louis Browns, putting over four runs in the first inning and three more in the third to win 9 to 3 as every player except Ray Hayworth figured in the 11-hit attack.

BEAVERS NEAR TOP POSITION

Portland Now Half-Game Behind Sacramento; Hollies Beaten.

By Associated Press  
Four-hit pitching by Dick Ward of Los Angeles had lighted the Coast league pennant race until only half a game separated the first place Sacramento Senators and hard-pushing Portland Beavers.

Ward stopped the Solons 4-1 last night, with Outfielder Tuck Stainback clinching the game for the Angels in the seventh when he lifted one over the team with eight hits ahead of him. Joe Noonan, former St. Mary's college athlete, was belted for ten hits by the Angels, who moved up to within three games of Sacramento.

Hollies Beaten  
Returning to their home grounds, the Beavers had an easy time turning back Hollywood, 7-3. The 1932 champions showed over three runs in the opening inning, added two more in the third, another in the fifth, and their final three in the sixth when Prince Osano clouted a four bagger. Although hit freely by the Stars, Joe Bowman was never in trouble.

An eight-run San Francisco rally in the eighth inning gave Joe De Maggio an unlooked for time at bat, and a single which ran his consecutive game hitting record to 51. When the Seals went to bat in the eighth, there seemed little likelihood Joe would get up again before the end of the game. His mates responded, however, to blast Mike Salinas of Oakland from the mound and give the youngster another chance at the plate. His dazzling single over second drove in two Seal runs, as San Francisco won, 14-2.

The situation snapped out of their nine-game losing streak with an 11-9 victory at Seattle. Oscar Eckhardt, leading Coast league slugger, led the Red attack with a double and three singles.

Shifts Change Appearance of Big Time Clubs

By GEORGE KIRKSEY  
United Press Staff Correspondent  
CHICAGO, July 26 (UP)—Changing managers in midseason is the newest major league fad. The Chicago Cubs started it last year when they fired Roger Hornsby, put Charlie Grimm in his place and staged an uphill battle to win the National league pennant.

Two other changes in manager—Bill Terry for John McGraw on the Giants and Mark McGraw for Shamus Collins on the Red Sox—were made during 1932.

Three Changes Made  
Already this season three teams have changed managers, and other shakeups seem imminent. Cleveland replaced Roger Peckinpaugh with Walter Johnson. The St. Louis Browns fired Bill Killefer, and named Allan Rothman as temporary pilot. Gaby Street, who won two pennants and a world championship with the Cardinals, has been dropped and Frankie Frisch elevated to the job that five others have held in the last seven years.

Rogers Hornsby, who already has managed three National league clubs, has rumors flying thick and fast that he'll be the next pilot of the St. Louis Browns.

William Harridge, president of the American league, denied in Philadelphia that he had communicated with Phil Ball, Browns' owner, and informed him that Hornsby was not wanted in the American league. Hornsby and Ball are close friends, and there seems to be basis for the report that Hornsby will accept the job. It is said that the Cardinals already have asked waivers on Hornsby, in order to pave the way for his transfer to the Browns.

Vines Starts Homeward From European Play

PARI, July 26, (AP)—Limping slightly, but apparently in the best of spirits, Ellsworth Vines Jr. today left with other members of the United States Davis Cup team for Cherbourg to board the Olympic homeward bound.

Vines turned an ankle during his losing match with Fred Perry of England in the interzone final, but said he believed it would mend, and predicted he would be in good shape for defense of his United States singles title in September.

The angular American star issued a statement before his departure, denying the authenticity of a purported interview quoting him as saying that he thought the United States team was over-tanned and over-trained for its match with England, and giving full credit to Perry and Austin for their great playing.

Injury Prevents Return Match

NEW YORK, July 26 (UP)—The return 10 round bout between Billy Petrolle, Duluth welterweight, and Sep Van Klaveren of Holland, scheduled for August 29 at Yankee stadium, was ordered cancelled yesterday by three physicians reported that Van Klaveren's slashed left eyebrow would not be sufficiently healed by that date. The eye was cut in his recent bout with Petrolle. The bout may be rescheduled for late September.

The total solar eclipse of January 24, 1925, occurred but five seconds later than the time predicted by astronomers.
