## NEW AIR PICTURE HERE ON TUESDAY

Stripped of any pretense, the actual horrors of war-time aviation are written into the story of "The Eagle and The Hawk." Tuesday, with Fredric March and Cary Grant playing the featured roles. This picture of the lives of those devil-may-care sky-men, who pioneered war in the air, is taken from a story by the author of "Wings." Its terrific pace and theme have inspired critics to write of it as both educational and exciting enough to mark it an outstanding motion picture. Jack Oakie supplies comedy and Carole Lombard is the romantic interest.

## WEATHER

The Cyclo-Thermograph at Underwood's pharmacy registered a slow fall in barometric pressure from noon yesterday until an early hour this morning bringing unsettled conditions in its descent. A slight upturn today will probably result in clearing weather tonight.

The Tyros recording thermometer registered maximum and minimum temperatures today as follows:

High ..... 73  
Low ..... 57

Forecast for next 24 hours: Generally fair with moderate temperatures.

## SCOUTS WILL AID AT LEGION MEET

In an effort to cooperate with the American Legion convention Henry E. Perkins, commissioner of the local Boy Scout troops, has asked that all Boy Scouts of the city meet with the legion committee Saturday to get details on how they might help in showing the visiting legionnaires to their various rooms, hotels and sleeping places upon arrival in Klamath Falls.

A statement to all scouts from Perkins follows:  
"The American Legion desires that a large number of Boy Scouts volunteer their services in making the American Legion state convention a success. It is not necessary that you be a member of a troop at this time to help. If you are, or have been, a Boy Scout and are willing to assist, meet with the legion committee at the chamber of commerce Saturday at 2 o'clock and receive instructions as to what is desired. This is an opportunity to do a good turn."

## MINOR MISHAPS REPORTED MONDAY

Three minor accidents which occurred during the week-end were reported at the city police station and the sheriff's office. No injuries and only minor damages were reported in the collisions.

**IT'S HORSEPOWER THAT COUNTS**

**2 YEARS AHEAD in ANTI-KNOCK HORSEPOWER**

**New "Fortified" Gilmore Red Lion Gives Premium-Price Gasoline Performance...but Costs You Nothing Extra**

Heretofore, only extra price gasolines developed the full anti-knock horsepower rating of your car.

Now, you can put the maximum horsepower to work without paying an extra price per gallon to do it. Two years in the laboratory and on the Speedway have enabled Gilmore to leap 2 years ahead and perfect a new type "Fortified" gasoline that releases more anti-knock horsepower per gallon in your motor.

"Fortified" Gilmore Red Lion is built...not merely refined. It possesses a high volatility index. The usual molecular formations are reformed to develop maximum multi-power...and it contains no poisonous ingredients.

Regardless of the car you drive, try a tankful of the new "Fortified" Gilmore Red Lion, and feel the difference. Just try it!
