COOS BAY PLANTS DAMAGED BY FIRE

NORTH BEND, Ore., July 31 (AP)—Fire which is believed to have been caused by a short circuit in power wiring, last night destroyed the B. K. V. veneer plant, burned three giant shipways of the Kruse and Banks shipyards and swept through part of the Mountain States Power company plant, causing loss estimated by owners at approximately $300,000.

Several float houses were destroyed, and scores of homes on the Marshfield-North Bend waterfront road were endangered. The blaze was one of the most spectacular in the history of Coos Bay. Sparks and embers were carried more than a mile, caused many brush fires, and threatened the Coos Bay Gas company plant and four major oil company installations.

Fishing wouldn't be so bad, if the fish would only bite just half as often as the mosquitos.

SINO FISHERMEN MOVED BY FRENCH

CANTON, China, July 31, (AP)—Reports from Hainan today said Chinese fishermen have been ordered to leave Seven Islands recently annexed by France and were being removed to the Paracel Islands in the China Sea.

The Nanking government instructed the foreign affairs commissioner in Canton to investigate, and an official party will proceed to the islands in a gunboat. Nanking, meanwhile, will take no action.

Bishop Remington Preaches At N. Y.

NEW YORK, July 31, (AP)—The theory that modern science is capable of becoming a serious threat to man was expressed here Sunday by the right Rev. William P. Remington, Episcopal Bishop of Eastern Oregon, in a sermon at St. Thomas Protestant Episcopal church on Fifth avenue.

WHEAT PRICES ON CONTRACTS RELEASED HERE

Administrators for the farm national recovery act have decided to offer contracts providing for an initial payment of 30 cents per b[illegible] and final contract payments of not less than 8 cents per bushel or more than 10 cents per bushel for wheat, C. A. Henderson announced Saturday.

When the county is completely organized, the government contemplates having initial [illegible] ments available on or about September 15, he said. Community meetings will be held to organize the county as soon as initial allotment contracts are received from the government. Henderson said they are expected about August 15. Districts of the county where meetings are expected to be held are Merrill, Malin, Bonanza Henley, Klamath Falls, Tule Lake will be held by the extension department of the University of California, Henderson said.

The meetings to be held in Tule Lake district will be carried on under the direction of Jack Hayes in Modoc county, the county agriculture agent of Alturas, and by Mr. Maxwell in Siskiyou county, an emergency appointee for that purpose with headquarters at Yreka.

Taxable consumption of wheat in the United States for the year totals 460 million bushels, therefore the allotment benefit payments are based on 54 per cent of the average production, information received by Henderson said.

AMUSEMENTS

Pelican — Now playing, Frederic March and Cary Grant in "The Eagle and the Hawk."

Pine Tree—Now playing, Joan Blondell and Ricardo Cortez in "Broadway Bad."

Vox—Now playing, John Barrymore and Diana Wynyard in "Reunion in Vienna."

PELICAN

The roar of airplane motors, the scream of wind through struts and braces, the rat-tat-tat of death-dealing machine guns and above them all, the friendship and hatred that flourishes between men engaged in flying to death—this, briefly, is "The Eagle and The Hawk," story of wartime aviation, which opens today at the Pelican theatre.

Fredric March and Cary Grant play the two leading roles in the picture. Jack Oakie furnishes comedy interest and Carole Lombard romantic interest.

PINE TREE

"Broadway Bad," coming to the Pine Tree theatre today, combines gayety, music and displays of feminine beauty with tense emotional drama.

Featured in the cast are Joan Blondell, Ricardo Cortez, Ginger Rogers, Allen Vincent, Victor Jory, Adrienne Ames, Phil Tead, Francis McDonald and Spencer Charters. Sidney Lanfield directed.

Heretofore gay music, sparkling dialogue and arrays of beautiful girls have been associated with sophisticated comedies or other films of light vein. In "Broadway Bad" they form a natural and colorful background for the dramatic story of a girl who fights a winning battle against circumstances and the handicaps of an undeserved reputation.

VOX

John Barrymore cuts a wide swath to greater popularity as the mad, impulsive, irresistible and stormy Hapsburg who returns from banishment to renew the memory of kisses that lingered after Vienna's glory faded.

As the dashing hero of Robert E. Sherwood's "Reunion in Vienna," Barrymore gives the most engaging role of his entire career. In the new Metro-Goldwyn-Mayer feature, which opened Sunday at the Vox Theatre, Barrymore has an ideal characterization that matches his individual talents and personality as though tailored to his measure by the author Robert E. Sherwood.

Diana Wynward Scores

Diana Wynyard acquits herself none the less brilliantly as the lady for whose kisses the exiled archduke pines.

Scientists at U. S. Department of Agriculture announce progress in war on warden posts. But so far they seem to have been unable to do anything about the neighbor who is always borrowing our rake.

Stock Market Quotations

NEW YORK, July 31. (AP)—Stock market prices slumped today under quiet but steady liquidation and some renewed short selling by bearish contingents that played for the expected "secondary reaction." There was a noticeable scarcity of bids and several leaders dropped 1 to 6 or more points. The close, despite a late rally, was heavy. Transfers approximated only 3,300,000 shares.

GRAIN MART DROPS AGAIN TO MINIMUM

CHICAGO, July 31, (AP)—For the third successive day, grain prices today fell the maximum amounts permitted under new regulations of the leading American exchanges, 3c to 5c.

Liquidating sales were strongly in evidence, and despite numerous rallies proved persistent enough to dominate over all other factors. During much of the day, business was virtually at a standstill, with brokers holding quantities of selling orders that could not be executed.

August monthly unofficial domestic crop summaries to be issued tomorrow were expected to show the smallest aggregate yield of wheat and oats since 1903.

Wheat closed almost lifeless, 4½c-5c under Saturday's finish, corn 4c down, oats 3c off, and provisions at 12c to 50c decline.
