

Carl Hubbell Sets Mark For Hurling

Giant's Southpaw Batters Quarter-Century Old Shutout Record. Walter Johnson Holds All-Time Mark.

Carl Hubbell, loan screw-ball specialist, this week accomplished a record not equaled even in the years when baseball was less lively than it is today...

Only one other man in major league baseball, Walter Johnson, the Big Train for the Washington Senators...

Hubbell started his run on July 13 against the St. Louis Cardinals. He pitched the last three innings without letting in a run.

On July 9 Hubbell went against Pittsburgh as a relief hurler after two-thirds of the first inning had been completed.

He registered another shutout against the Pirates on July 23, one against the Brooklyn Dodgers on July 25 and then brought his total to 46 2/3 when he pitched the two final innings against Boston last Saturday.

Hubbell's feat was the third major league record established this season. Last Sunday two modern marks were set.

Charles Sweeney of Providence struck out 13 Boston batters in 1924, pitching at a distance of 59 feet.

Frank Miles, promoter for the Merrill and Lake Lake Legion posts, announced this week he had cancelled all arrangements for a proposed program for the state Legion convention.

Portland Star Cards 76 For Total of 144; Friscan Next

EASTMORELAND GOLF CLUB, Portland, Ore., Aug. 2 (UP)—Leslie Leal, Bellingham, Wash., sharp-shooter and southern Oregon tiltist, came home with a sparkling 23—three under par—on his second nine to card a 70-74—144 late today to tie Talbot (Tab) Boyer, Portland city champion, for medalist honors in the national public links golf championship.

EASTMORELAND GOLF CLUB, Portland, Ore., Aug. 2 (UP)—Medalist honors appeared certain for Talbot (Tab) Boyer, Portland captain, as returns of the national public links golf tournament qualifying round came in late today.

Boyer turned in a 76 today to give him 144 strokes for the two days' play. Nearest to the red-faced Portland youth were Charles Ferrara, San Francisco, 1931 public links champion, with a 77-74—146, and Joe Green, Philadelphia veteran, who carded a 74-72—146.

Officials added one stroke to Boyer's aggregate when they ruled he should have scored a 7 instead of a 6 on the third hole of his morning round. Boyer failed to count a penalty stroke for dropping a ball at the hole, it was reported.

Robert Lee Miller, Jacksonville, Fla., defending champion, duplicated his poor morning performance of yesterday by carding a 49 on the first nine today, and coming home with a 73 card for an aggregate of 122, but still considered good enough to get him into the qualifying list.

Early indications were that a score of 114 strokes or better would be necessary to qualify for the championship rounds starting tomorrow and ending Saturday.

Portland's four-man team held a slight lead over Atlanta, Ga., competing for the Warrick G. Harding trophy, held by Louisville, Ky. Partial returns came from Los Angeles, Chicago and West Beach, Calif., a chance to wrest first place from the home team.

POWER COMPANY BOOSTS LEGION

Some excellent advertising for the Klamath Legion convention has recently been secured through the efforts of The California Oregon Power company. One of the latest examples of this co-operation was a full page advertisement which appeared in last week's issue of the Oregon Voter, well known magazine with a wide circulation throughout the state.

Fistic Stars vs. Other Stars

Publicity attached to the recent pugilistic activities of Al Johnson, stage screen and radio star, and Walter Winchell, New York columnist, have brought about boxing practice. Lower photo shows Winchell nonchalantly walking away after flooring Jack Dempsey, all in fun, at a benefit at the Los Angeles Olympic Auditorium.

FOUR HEAVYWEIGHT MATMEN READY FOR LEGION MATCHES; AL KARASICK MEETS KRUSE

Another thousand pounds of heavyweight wrestling will be poured into the Legion hall Friday night for the further glorification of a sport suddenly capturing unprecedented following in Klamath Falls. Heading the four athletes signed by Mack Lillard, promoter, will be Al Karasick and Bob Kruse, two men who have alternately dominated the Northwest profession of grapplers.

Krusa, the Oregon dirt farmer, and Karasick, the Russian lion, are the once was a ballet dancer, will be making their first appearance against each other here. Both men have topped weekly cards frequently, but this will mark the only time Lillard has been successful in bringing them together.

MEDFORD TO SEND LEGION DELEGATES

WASTED POWER!

FOUR OF THE TOP TEN BATTERS IN THE NATIONAL LEAGUE ARE PHILS. BUT THE TEAM REMAINS FAR DOWN IN THE SECOND DIVISION BECAUSE OF POOR FIELDING AND PITCHING.

CARL HUBBELL SETS NEW MARK

Shutout Record Beaten But So Are N. Y. Giants.

By Hugh S. Fullerton Jr. (Associated Press Sports Writer) Carl Hubbell held a new National league record today, but his five-game winning streak had come to an end, and as a result the New York Giants' lead over the on-rushing Pittsburgh Pirates had shrunk alarmingly.

Starting with 40 1/3 consecutive shut-out innings behind him, Hubbell went on Tuesday until he had cracked Ed Heubach's 25-year-old National league record of 44. Then the heat and the Boston Braves' batters got him in the sixth. Boston scored two runs to end the streak at 46 innings, and went on to beat the Giants 3 to 1.

Hubbell's old record, which had stood since 1908, included the Cub pitcher's great feat of blanking Brooklyn twice in one day. The major league of 56 innings was made by Walter Johnson in 1913.

The Pirates hardly needed more than the first inning to chalk up their eighth straight victory as they assailed Bill Walker for five runs, they went on and hit Dazy Vance hard, and wound up with a little impromptu flat throwing between Steve Swetonic and George Watkins as the result of Swetonic's hitting Leo Durocher with a pitched ball in the seventh. It lasted just long enough for them to be chased from the game.

The Cardinals skidded into fourth place again as the Chicago Cubs broke a six-game losing streak with a 2-1 victory over the Cincinnati Reds. Pat Malone held the Reds to five hits, while the Cubs bunched five hits for all their runs in the third.

In the only American league game the Cleveland Indians slid into a fourth place with Detroit's Tigers as the Browns rapped Monte Pearson in the early innings, and coasted to a 3-2 victory behind Sam Gray's fine pitching.

With the exception of the Son-nem-bour best, Karasick has not been defeated here. He lost to the former champion on a foul, Kruse, heavier than the Lion, but without the same years of experience, has won repeatedly at the Legion hall.

As far as Klamath Falls is concerned the match will determine the championship among heavyweights who have wrestled here. Two big men, Everett Kibbens of Oklahoma, and Les Wolfe of Texas, have been matched in the preliminary. Kibbens will weigh in at 225 pounds and Wolfe at 226. It will be their opening exhibition here, and if they show as their records describe, Lillard undoubtedly will have them back.

to be present for at least one day of the celebration. "In addition, many local citizens who are not affiliated with these organizations will take advantage of the opportunity to witness a real American Legion convention with all its color, martial music and carefree spirit of enjoyment. The Klamath convention commission has extended a cordial invitation to everyone in southern Oregon to participate in what is expected to be one of the greatest celebrations ever held in the state."

The Klamath Bus company is taking all steps to comply with the measure of the national recovery act. It was announced by W. H. Jackson, manager.

Braves Happy; Singer Returns To Boston Club

BOSTON, Aug. 2. (AP)—There was music in the wigwam today, for Bobby Smith, favorite shower bath songster of the Boston Braves, is back with tribe once more.

Emil Fuchs, president of the Braves, has never been wholly happy since Smith, a one-liner shortstop converted into a pitcher, was traded three years ago.

"We haven't had a good singer on this club since Smith left." Fuchs' baseball fortunes have been improving lately. The Braves have been threatening to break into the first division and sale receipts have mounted to the point where singing is again in order.

Small wonder then that Fuchs grabbed Smith when the Cincinnati Reds cut him adrift. "We really needed a singer on the club," Fuchs explained, "especially one that can do double duty as a starting pitcher."

So tonight, if all goes well, Smith will burst into his favorite bathing song, "Sweet Adeline."

By the Associated Press. The Coast league pennant situation remained unchanged following a second division uprising Tuesday which saw the foot leaders defeated by the second bracket teams.

Sacramento bowed to San Francisco, 5-4, with Bruce Cunningham gaining credit for his first victory in a Seal uniform, although he was relieved in the seventh inning by Ken Douglas after being struck in the ankle by Hordagary's line drive. The Seals nipped Ed Bryan and Joe Nounan for 14 safeties, including Bottarini's four-bagger.

Portland Checked. Johnny Babich checked Portland with eight hits to give the Missions the series opener, 6-1. The Red bunched their eight blows off of Lou Kougal in the fourth, sixth and ninth for their runs. Babich led the attack with a homer and single.

Oakland completed the route of the four pace-setters with a 7-2 decision over Los Angeles. Roy Jolner stopped the Angels with seven bingles as his mates chased Wynn Ballou to the showers and then hit Emmet Nelson freely. Although he failed to hit safely, Jules Wera drove in three of the Oakland runs. Harlin Pool, Oak right fielder, collected a double and two singles.
