

### S.O.N.-Frosh Game Found Agreeable

Officials of Two Schools Interested in Bringing Teams to Klamath Falls This Season. Calder Asks Weight Limit.

A major football game for Klamath Falls in October was made pretty certain this week by Hugh E. Rosson, graduate manager for the University of Oregon. Mr. Rosson, interested in the suggestion of Howard Hobson recommending the Ashland Normal-Oregon freshman game for Modoc field, announced he would be willing to permit the Webfoot yearlings to compete here.

The apparent willingness of the two officials, however, is but the preliminary. Not any of the details for this proposed game have been discussed. It is not likely, though, if both Ashland Normal and the University of Oregon are sufficiently interested in accommodating Klamath Falls with a first class game anything will destroy the possibilities.

Hobson would be especially delighted with an opportunity to make Klamath Falls a schedule town for perhaps one game each year. It is possible in the future he will gather in a few Klamath graduates who will add to the drawing power of his teams on Modoc field.

The suggestion for the game here came from Hobson; Rosson was an agreeable second party.

The strength of the Oregon freshman, of course, is unknown. It will continue allmost unknown until Billy Reinhart, coach, checks over the material reporting next month.

Klamath Falls could be sure, however, it would get the first division of some youngsters destined to take their places on the Oregon varsity in the coast conference.

Baseball always has been a merry-go-round. A lot of the players get a nice long ride and even catch the brass ring, but for most of them it's just a half dozen turns, a few ineffective grabs at that brass ring, and then they go whirling off into the minors and down.

But it's the coming up into the big-time and the going down into the bushes that makes fodder for old Gus Gan, who has nothing to lose but his three cents.

New faces are coming up in great numbers at a rate these days, as the managers make a strenuous effort to get a line on their next year's effort by actually seeing the bushers in action.

Connie Mack's wobbling Athletics have a sprinkling of new faces that forecast a big shakeup this winter. It's been pretty clear that the A's aren't going anywhere as they are at present. It's the old story that after the season is over, there's nothing to do but break it up and start over.

The youngsters at Philly seem to have drunk deeply of the "take it easy" spirit which veteran teams almost always have. Mack, still carrying on at 70 (he's the oldest man ever to manage a major league club) is turning to youth again in the A's, though it's a question whether Connie can continue long enough to build another winner.

Mack is pretty keen for the Texas collegian, Frank Higgins, and he's planning to bring back Finney, the youth who's grooming for Al Simmons. It's a sad fact, catcher, and Williams, who stop look as though they're good for a few more turns on the merry-go-round, but Mack wants young pitchers. So you can look forward to a few new faces in his pitching corps.

Some of the new faces in buying Adolph Camilli from Sacramento to take Grimm's old job, is another example. Camilli is a big, powerful boy with a natural swing and a graceful fielding style he developed on the sandlots.

The Brooklyn Dodgers are tickled with Joe "Poodles" Hutchison, the Memphis catfish wonder, in the outfield. Hutchison is apparently going after Babe Herman's crown as the worst fly-catcher ever seen, and is reported ready to play in a shrapnel helmet to keep high ones from bouncing off the dome. But he plasters any and all pitching out of the lot, and that's what Brooklyn needs.

While these new faces look down from the wooden floors of the big merry-go-round, look at what the Coast League shows of the fingers that missed the brass ring—Emil Yde, Dutch Ruether, Ben Tinscup, Earl Sheely, Rob Meusel, Babe Pinelli, Earl McNeely, Jim Zinn, Arnold Stutz, George Burrus, Homer Summa. Well, heigho! What goes up must come down, in baseball as well as ballooning.

Klamath won the second game in the sixth inning when Wheeler, short stop, hit a home run with the bases full. The score had been 4 to 2 until the circuit clout.

## BASEBALL Woodburn Boys Capture Title; Move to Kansas

KANSAS CITY, Aug. 21. (AP)—Four of the six American Legion junior baseball teams which will play for the western sectional championship at Topeka, Aug. 25-27, were selected over the week-end.

The two other contestants were to be determined today at Springfield, Mo., and North Platte, Neb. Chicago was leading Kansas City, 4 to 0, yesterday when rain halted the regional final at Springfield. Neils, Neb., and Louisville, Colo., meet for the regional title at North Platte. These two were the only ones which appeared for the regional meet and each has one game in the three-game series.

POCATELLO, Idaho, Aug. 21. (AP)—A jubilant group of Oregon American Legion junior baseball players from Woodburn—every one with a fighting heart as large as a watermelon—were preparing today for their trip to Topeka, Kan., where they will play for the western international championship Aug. 25-27.

Woodburn boys scored two runs in the ninth inning of the north-west titular game against the Pocatello American Legion nine Saturday to tie the count, and in a spectacular exhibition of baseball went on to score 23-0 today in the 15th frame to win 4 to 2 and capture the Pacific northwest title. In the semi-finals, they had won from Walls 5 to 2.

Pete Bevans, Woodburn hurler, took a large share of the credit by pitching the entire game and fanning 23 Pocatello batters while Battisone hit a terrific drive for a home run to score a runner ahead in the ninth and then singles in the winning counter. Nicholson turned in a sensational running, one-handed catch in the 11th to end the game.

A constant drizzle that at times turned to heavy rain soaked the courts.

## Three Blasts Hit House in Vermont

LISBON, Vt., Aug. 21. (AP)—An oil stove in the home of E. J. Sawyer exploded yesterday, setting fire to and burning away one corner of the house. Just as the fire was under control the kitchen water tank blew up, blowing away another corner of the house. A few minutes later a gas range exploded, tearing away the third corner. The other corner then fell of its own accord.

## TENNIS 2 CLUBS LOOM IN MAJOR RACE

Boston Braves and Cleveland Indians Threaten Leaders

By HUGH S. FULLERTON, Jr. Associated Press Sports Writer

Although they haven't yet caused any qualms for the New York Giants and Washington Senators, who built up their leads to 7½ and 8½ games, respectively over the past week-end, the Boston Braves and Cleveland Indians appear to be the teams to watch at the present stage of the big league pennant race.

The Braves inflicted painful damage upon two western challengers for the Giants' lead last week and finished off Sunday by climbing into a virtual tie for second place as they trounced the Pittsburgh Pirates in a doubleheader. Cleveland, which has been showing steady improvement under Walter Johnson's guidance, found the batting range a little over a week ago and has stormed up from fifth place to third in the American league, winning its last six games in a row.

Positions Stronger

Despite the wholesale shifts in the ranking of the lower clubs in both leagues, Washington and the Giants have steadily improved their positions. Going out 8½ games in front of the New York Yankees Saturday, they held that lead Sunday by whipping the pesky St. Louis Browns in two close games, 2 to 1 and 4 to 2. Earl Whitehill outpointed George Blaholder in the opening slab duel, giving four hits, while Walker Stewart, scores by Lou Gehrig and five hit pitching jobs by Johnny Allen and George Uhle, but they couldn't get an inch.

Cubs Defeated

The Giants, with Hal Schumacher winning his 14th game, trounced the Chicago Cubs 6 to 1, taking their share in a big improvement in their standing. Boston, meanwhile, whipped the second place Pittsburgh club

## Prompt Action By Zane Grey Averts Blaze

ROSEBURG, Ore., Aug. 21. (AP)—Prompt action yesterday on the part of Zane Grey, noted author and sportsman, averted a very serious forest fire.

Grey, who is spending the summer at Steamboat Station on the North Umpqua river, made an expedition yesterday to the Calapooas, west of Sutherlin to fish for trout. He discovered a fire burning in the brush near the mouth of Cook creek and walked several miles to the Hinkle recreation station where he reported the blaze.

Fire fighters were sent out and brought the blaze under control holding it to approximately one fourth of an acre. It was feared that the material size it would have threatened a large body of fine timber.

## FOUR PICNICKERS DIE IN ACCIDENT

WILMINGTON, Del., Aug. 21. (AP)—The crash of two trucks, one loaded with picnickers, the other with chemicals, early today turned a straw ride into a inferno, killing four persons and injuring a score of others seriously enough to require hospital treatment.

Police said that the truck carrying the chemicals, part of a freight shipment bound for New York, crashed into the rear of the merrymakers' truck.

Fire followed instantly and a moment later there came an explosion which aroused the countryside.

## ANGELS BEAT SOLONS TWICE

L. A. Continues to Hold Dominant Position in Coast League

By The Associated Press

Los Angeles pitching continued to dominate Coast League baseball as the pace setters blanked Sacramento twice over the week-end to increase their first place margin over Hollywood to one and one-half games.

Buck Newsom hurled his third successive shutout Saturday in stopping the Solons 2-0 with 3 hits. The Angel ace whiffed 10 men to run his strikeout total to 159. Emmet Nelson followed Sunday morning at Stockton with 6-hit tossing that defeated Sacramento 7-4.

The Senators came back on their home grounds Sunday night to wallop the Angels 14-9. With a homer and two doubles Henry Steinbaker led the 17-hit assault on Ward, Thomas, Stitzel and Lightfoot. Sanders was credited with the win. Los Angeles captured the series 5-2.

Stars Win Series

Although beaten twice over the week end by Portland, Hollywood came through with a 4-3 series victory. The Beavers pounced on Buchanan and Schulze for 15 hits, 3 of them for extra bases, and a 10-4 win Saturday night and then eased thru to take the first half of the Stars twin bill, 5-2. The Stars outwined the Portlanders 9-3 in the 6-inning nightcap.

Decided by San Francisco

7-5 Sunday and 8-3 in Sunday's opener, Oakland recovered to win the short second game 10-1 and the series 5-3. In giving the Oaks their only week-end triumph Roy Joiner limited the Seals to 5 blows while his mates banged Bill Henderson and Ken Douglass for an even dozen.

Manager George Burns' lowly Seattle Indians blasted their way to a double victory over the Missions Sunday, 7-2 and 8-5 to take out a 4-3 series win. The Seals battered Ed Page for 19 safeties as they ran away with the Saturday night game, 10-4.

HUDSON, Ill., Aug. 21. (AP)—A huge boulder on the lawn of a century old house here bore a bronze tablet today recalling that this was the birthplace of Melville E. Stone, general manager of the Associated Press from 1923 to 1921.

## CALDER, BROWN SIGN TO SCRAP

Weight Argument Ended, Fight Shifted to Saturday

Joe Calder, Seattle Filipino, reached a compromise with Mack Lillard, Klamath promoter, last night, and his main event fight with Elmer "Bus" Brown was re-scheduled for the Legion hall Saturday.

Calder, brown featherweight, had originally demanded his opponent make 120 pounds for the eight-round fight. His manager, however, wired Lillard it would be satisfactory if Brown weighed in at 124 by noon on Saturday.

Shifted to Saturday

Lillard immediately made arrangements to sign the fight all over again after it had been cancelled over the weight dispute. It became necessary to shift it over from Friday to Saturday.

This will be Brown's first fight here since upsetting Paul Thill several months ago. Calder drew with Thill last spring, although there was considerable opinion that he deserved a decision.

Jack Hibbard, the broad-shouldered Klamath lightweight, will meet Cecil Jordan, San Francisco neff, in a six-round preliminary. Lillard will announce another six-round and a four-round preliminary later this week.

## Roseburg Angler Lands Big Snake

ROSEBURG, Ore., Aug. 21. (AP)—Allen Burkhardt of this city is a fisherman. Fishermen, as everyone knows, are allowed a certain latitude in the tales they tell, but this is Allen's story and he sticks to it.

He was fishing Sunday in the North Umpqua near Roseburg, when he noticed something swimming in the water nearby. He whipped out his fly and obtained a strike. A vigorous fight ensued and he landed a three foot rattlesnake bearing seven rattles.
