POLOIST HELD ON ASSAULT CHARGES

CHICAGO, Aug. 21, (AP)—His pending arraignment on charges of criminal assault held Cecil Smith, San Antonio, Texas, leader of the west's victory over the east in an intersectional polo series, in Chicago today. He branded the charge a "frame up."

Smith, one time cowboy now the nation's second ranking polo player, was accused by Miss Eugenia Rose, 23, a nurse who attended an injured team mate of the Texan.

Last night Silas Strawn, internationally noted attorney, announced that as he provided bond for the sportsman's release it would not be ethical for him to represent Smith at the arraignment before police magistrate Willis R. Brightmire of Evanston. It was indicated a member of Strawn's legal firm would appear in his place.

STATE OFFICERS IN CITY TODAY

Officers from the state fire marshal's office arrived in Klamath Falls Monday to work with city and state police and the fire chief on the incendiary fire cases.

Approximately $45,000 damage has resulted from incendiary fires of the last few months, according to Fire Chief Art Bardell.

Temple Fire Largest

The greatest damage was sustained in the Klamath Temple fire a week ago Sunday. The new church building which had taken a year to build and had not quite been completed was destroyed at a loss of about $30,000. Five houses and garages nearby burned also. The new Klamath Natatorium and the Lucas Furniture company building were fired the same night but damage was held down by the fire department.

A number of frame houses have been destroyed by fire recently.

Last winter the Washington hotel burned and police believe they can connect incendiarists with all these fires.

F. R. SITTING FOR OFFICIAL PORTRAIT

HYDE PARK, N. Y., Aug. 21, (AP)—President Roosevelt took the opportunity of a quiet day at home to sit today for the painting of his official portrait to be hung in the White House beside those of his predecessors.

Mrs. Emmett Rand, Salisbury, Conn., is the artist. She began the portrait today and it is expected she will complete it about the first of the year, doing her work at convenience of the busy president.

Mr. Roosevelt had one of the quietest days since he took office. Throughout the morning he was not disturbed by any messages from Washington and he had no callers.

ST. PAUL DOCTOR HELD FOR POLICE

ST. PAUL, Minn., Aug. 21, (AP)—Another mystery involving Dr. W. H. Hedberg, St. Paul chiropractor, confronted the police today as they ordered him held in a hospital for investigation.

Dr. Hedberg, last month alleged intended victim of an attempted mutilation operation, which failed, was found in a railway yard here yesterday and was taken unconscious to a hospital.

He was cut, bruised and apparently under the influence of narcotics a police physician said. His condition was regarded as not serious. There were five punctures near his right elbow, apparently made by a hypodermic needle, the physician said.

Dr. Hedberg disappeared Saturday night after telephoning his wife he was on his way home. Police learned he was seen later by a freight crew in a railroad box car. What happened afterwards until he was found beside a railroad track nearby police had not determined. They planned to question him when his condition permits.

National, Local Markets

STATE MARKET INFLUENCED BY OUTSIDE EGGS

PORTLAND, Aug. 21, (AP)—Eggs from outside the state were believed behind a movement today that indicates retail selling at a price equalling or below that quoted to retailers by distributors, making it extremely difficult to maintain prices except on extreme top grades. Prices, however, remained unchanged.

Market for butter was without quotable change in the open trade for the week's start.

Market for cheese showed weakness here and in the East. Storage accumulations were chiefly against the immediate market. Price remained stationary.

Potatoes Active

Weakness continued in the market for light and medium weight hens in the live poultry trade, but heavy stuff and broilers are inclined to hold rather well.

Market for country killed meats was at full last week's final prices. The only exception to the generally steady to firm tone remained in poor grade beef.

Market on tomatoes received a setback during the day, with greatly increased offerings from Yakima, as well as liberal ones from The Dalles.

Still further spurt of strength was suggested in peach prices here and along the coast. Prices are steady to 5c higher in spots on Elbertas and J. H. Hales with limited local canning offerings firmer.

Notes of Wholesale Trading

Green peppers in over-supply and lower.

Sweet potatoes down.

New potatoes were active at unchanged prices.

Mountain huckleberries were down to a dime a pound.

Cucumbers slightly more active.

Apple market was trifle slow, but unchanged in price.

Dillard cantaloupes were lower.

COUNTY AGENT MAKES PLANS FOR MEETINGS

In line with the administration's program of raising prices to wheat growers through adjustment payments and acreage reduction, arrangements have been completed to hold a series of meetings throughout Klamath county to explain to wheat growers how they may secure their share of the $37,800 that is alloted to this county.

The plan, as worked out by the secretary of agriculture, provides that wheat growers who are willing to enter into a contract with the government to reduce their wheat acreage not more than 20 per cent will be eligible to receive an adjustment payment of about 28 cents on 54 per cent of their average annual production in bushels for the base period 1930, 1931 and 1932. This 54 per cent is the amount of the total wheat crop that is used for domestic food, in the United States.

In order that each grower may thoroughly understand the plan in all its details and may learn how it applies to his particular farm, meetings will be held in the five communities that have been established in this county for the purpose of local organization. The dates as scheduled are: Henley, Tuesday, August 22; Bonanza, Wednesday, August 23; Merrill, Thursday, August 24; Malin, August 25; and Klamath Falls, Saturday, August 26. All except the Klamath Falls meeting will be held at 8:00 p. m., and the latter is set for Saturday afternoon at the county agent's office at 1:30 p. m.

Each wheat grower should plan to attend the meeting in his district, as at that time a community representative will be elected to serve on the county board of directors, as well as two community committeemen. The community committee, composed of the community director as chairman, and the two community committeemen, will have charge of administering the plan within the boundaries of their community and will be responsible for collecting data of acreage and production from non-cooperators, as well as those who sign applications for an allotment contract.

As the regulations provide that only those who have signed applications are eligible to vote at these organization meetings, growers who are familiar with the plan and who have decided to apply for a contract in order to secure the adjustment payments, should have their signed applications as evidence of their right to vote. For those who are not familiar with the plan, the program will be thoroughly explained and all questions discussed, then any assistance desired will be given to those desiring to sign up after which the community officials will be elected.

Chicago Livestock

CHICAGO, Aug. 21, (AP)—(U. S. D. A.)—Hogs, 27,000; market active to 10c higher. 170 to 220 lbs., $4.55 to $4.65; sows, $3.00 to $3.35.

Cattle, 19,000; market for fed steers and yearlings steady; undertone weak to 25c lower. Top weighty steers, $7.00; yearlings, $5.50 to $6.75; yearling heifers steady, best light offerings $6.00; grass cows weak; vealers strong at $5.50 to $6.50.

Sheep, 20,000; market slow, 25c lower on fat lambs. Sheep unchanged. Native lambs, $7.25 to $7.50; talking around $4.00 to $4.50 on native throwouts ewes, $1.50 to $2.75.

GRAIN MART SAGS AFTER ADVANCES

CHICAGO, Aug. 21, (AP)—Grains sagged wearily today after a moderate advance at the opening. Trading was erratic, sporadic selling forcing prices gradually backward with each succeeding rally failing to gain back all lost ground. Lack of interest by outside buyers forced both wheat and corn back at one time to three cents below Saturday's finish, but rallies wiped out part of this loss. Provisions were moderately active and slightly higher with hogs.

Wheat closed fairly steady to ⅛c lower than Saturday's finish, corn, steady to ⅛c down; oats, steady to ⅛c off, and provisions steady to 10c higher.

STOCK PRICES MOVING INTO HIGHER QUOTES

NEW YORK, Aug. 21. (AP)—Stock prices moved into higher territory today, with most categories displaying a strong undertone throughout trading, which, at times, was extremely dull. Gains of 1 to more than 3 points were scattered over a wide front, although the alcoholics were the favorites. The close was firm. Approximately 1,500,000 shares changed hands.

Traders generally were inclined to exhibit considerable caution in the matter of new commitments, but selling pressure was noticeably lacking, and buyers were frequently forced to raise their bids. Grains at Chicago were a little heavy most of the day, although they received support in the last hour and finished only fractionally lower. Bonds were fairly firm. The dollar drifted narrowly in foreign exchange transactions.
