

Cougars Conference Favorites

Babe Hollingbery's Team is Picked as Championship Contender. Washington State Has Excellent Record Under Ex-Olympic Club Coach.

There will be an experienced man for every position in the Washington State lineup this season and to every opposing member of the Pacific Coast conference it means the Cougars will be driving hard for a championship.

Babe Hollingbery, head coach, hasn't produced sensational teams, but he has produced winners. Think back to the 1922 season. Where did the Cougars finish?

Hollingbery's team won five games, lost one and tied one. The tie came at the close of the season when Jimmy Phelan's brilliantly finishing Huskies held the Cougars scoreless.

It will be a long road to a championship this season. The Cougars will play the strongest combination in the conference, and the most difficult game of all will come on October 7, at Los Angeles. Of course, it will be against Southern California.

Hollingbery has one of the most interesting backgrounds of any coach in the conference. He is like no other director of athletics in the fact he never attended college.

Hollingbery was a San Francisco youth, and graduated from the Lick-Wilmerding high school in 1911. He won letters in football, basketball, baseball, and swimming.

Four years after his prep school activities he became a candidate for the Olympic club team in San Francisco. His success carried him forward quickly, and he eventually became head coach. He continued to play end while he coached.

In 1920 he began coaching at Lick High and Bates prep school, and then returned to the club as head coach in 1924 and 1925. His record of 11 victories and no defeats in 1925 was sufficient to get him the Washington State job.

Here is Babe's record with Washington State: 1924—Won six and lost one. Tied for third place in the Pacific coast conference and led the Northwest teams.

1927—Won three games, lost three and tied two. Finished seventh in the conference and fourth in the Northwest.

1928—Won seven and lost three. Completed the season in fifth place on the Coast and second in the Northwest.

1929—Won ten games and lost two. He was fourth in the conference and tied for first in the Northwest.

1930—Won nine games and lost one. Captured the conference and second in the Northwest.

1932—Won seven, lost one and tied one. Was second in the conference and tied for first in the Northwest.

Babe's teams have won 48, lost 15 and tied three. His inter-sectional record lists three victories and only two defeats.

BRAVES CREEP UP ON GIANTS

Boston Takes Advantage Of Error to Beat Browns.

By ORLO ROBERTSON Associated Press Sports Writer The Boston Braves, a team of opportunists, have whittled the New York Giants' lead in the National League leaders clash in a crucial series beginning next Thursday.

Wally Berger's home run was muffed Thursday for the first time in three days but the Braves got seven hit pitching from Ed Brandt and took advantage of Bill Hallahan's wildness and Pepper Martin's error to beat the St. Louis Cardinals again, 4-3, and hang up their 19th victory in 23 games.

Giants Idle The Giants, held idle again by rain, were to meet Pittsburgh in two double-bills before opening a series with the Cardinals with two games Sunday.

The Chicago Cubs moved within one game of second place with a double victory over the Phillies. Behind Guy Bush's three-hit pitching they won the opener, 5 to 0 and then slugged but a 2 to 6 decision in the nightcap.

After the Brooklyn Dodgers had won the first game 2 to 0 with Van Mungo hurling seven-hit ball, the Reds, with the veteran Larry Benton pitching, snapped their 11-game losing streak by taking the second game 3 to 2.

Solons Win Again In the American League the Washington Senators maintained their eight-game advantage over the New York Yankees, slugging out a 13 to 6 victory over the Detroit Tigers while the champions were downing the Cleveland Indians 19 to 1.

Led by Goose Goslin, who poked out two home runs, the Senators collected 17 hits off three Detroit pitchers.

The Athletics and Browns split a doubleheader, St. Louis winning the opener 7 to 6 in ten innings after getting to Bob Grove for six runs in the sixth, and Philadelphia the second 4 to 3 in a pitching duel between Merritt Cain and Bump Hadley.

Another long losing streak was broken when the Boston Red Sox after 11 defeats, trimmed the Chicago White Sox 4 to 1 in the first game of a doubleheader they returned to their losing ways in the second game, however, dropping a 7 to 6 decision in 10 innings.

NATIONAL "PRO" FOOTBALL LEAGUE LOOKING FORWARD TO BIG SEASON THIS FALL

By NEA Service COLUMBUS, O., Aug. 25.—The National Professional Football League—the major league of the pro grid sport—is looking forward to its greatest season in 1933 and making plans for "chain stores."

The organization of several minor leagues to be supported in part by holders of National League franchises, largely as the St. Louis Cardinals operate their baseball chain in the minors.

These plans haven't progressed to a point where details can be given out, but it is known that Memphis is the hub city in formation of such a league in the south, a similar league is in process of organization in Texas and a third is being considered to include towns around New York and New England.

"Usually, when a team lost money in the old days it dropped out," Mr. Carr says. "Also I was always getting calls to come in and help 'em unearl their finances. Those days have passed."

The only 1932 team to drop out was the Staten Island Stapletons. In place of the Stapletons the league has three new clubs, bringing the total to 10. The new teams are the Cincinnati Reds, Philadelphia Eagles and Pittsburgh Pirates.

Entrance of the two Pennsylvania teams into the league was made possible by the lifting of the blue law ban on Sunday football in Pennsylvania.

Hold-over teams in the league are: Boston Redskins, Brooklyn Dodgers, Chicago Bears and Cardinals, Green Bay Packers, New York Giants and Portsmouth Spartans.

Ward marked up his 21st victory of the season Thursday night as the Angels trimmed Seattle, 6-3. The young Los Angeles tatter, whose win kept him at the top of the circuit's hurlers, gave the Indians 13 hits, but bore down with men on base to limit the scoring.

Tot Stalnhack's second home run in two nights and Myrt Chosen's fourbagger accounted for four of the Angel's tallies.

Oaks Down Stars Oakland headed the uprisings against Los Angeles' pennant rivals, making it two straight over Hollywood, 13-3. While his fellow Oaks pounded Buzz Wetzel and Schultze for 13 hits, Woe Willie Ludolph scattered the Stars' seven blows over seven innings.

Leo Kintana had another good day as bat scoring two Oakland runs and driving in three more with three singles.

Circuit wallops by Leo Ostenberg and Joe Dimaggio gave San Francisco its second successive win at Portland, 7-4. Ostenberg hit his long one in the fourth inning with the bases loaded. Joe followed in the next inning, scoring Angle Galan ahead of him.

Although relieved by Bill Henderson in the eighth, Curt Davis was credited with the victory.

Chicago Swamps Woodburn Team By 20 to 3 Score

TOPEKA, Kas., Aug. 25. (AP)—Chicago swamped the Woodburn, Ore., team, 20 to 3, today in the semi-finals of the American Legion western sectional junior baseball tournament to advance to the final round.

Hitting almost at will in the early innings, the Chicagoans piled up a 15 to 0 lead over the coast team behind the steady pitching of Cavaretta, Chicago southpaw. Cavaretta, who went to center field when relieved by Sved in the fourth inning, hit five times in six trips to the plate.

Every man on the Chicago roster saw action in the game. Sved knocked out the first homer of the tournament when he parked one over the right field fence in his first trip to the plate.

Woodburn, held to four hits scored twice in the fourth inning as a result of the wildness on the part of Sved, coupled with a hit by Nicholson.

Chicago is to meet the winner of the Stockton, Calif.-Ada, Okla., game this afternoon in the final tomorrow.

Chicago R. H. E. Woodburn 3 4 1 Chicago 20 21 2

In the Stockton-Ada game, Mike McCormick, Stockton third sacker, knocked a home run over the left field score board for the 14th consecutive hit. His was the fourth ball over the score board this season, only three western league players duplicating the feat.

Priest, Stockton relief hurler sent in the first, did not allow a hit until the eighth.
