NEW YORK, Aug. 26. (AP)—Financial markets improved this week as the government pushed the NRA drive and the federal reserve system pumped fresh funds into the credit reservoir.

Plans for stimulating consumer buying, especially from blue eagle firms, went forward. Meanwhile, some lines of business gave further evidence of seasonal contraction, although the let-down continued leisurely.

The sudden revival of open market operations by the central banks, expressed in a \$35,000,000 purchase of government securities, found Wall Street trying to read between the lines for glimmers of Washington's purposes. Whether it meant that actual currency inflation was to be held on its sidetrack, or whether it was an answer to those who said commercial bank credit was inadequate were points open to conjecture.

LOGGER CRITICALLY HURT IN ACCIDENT
Gerald Link, 15-year-old employee of the Shaw-Bertram logging camp at Perez, is in a critical condition at Hillside hospital as a result of injuries sustained when a large log rolled over him at the camp Friday afternoon.

Link's pelvis bone was badly shattered in the accident. He was brought to Klamath Falls by automobile, a trip which requires about three hours.

Little hope is held out for his recovery by physicians in charge.

National, Local Markets

MARKET SWINGS FROM OREGON'S EGG OFFERINGS

PORTLAND, Aug. 26. (AP)—There was a noticeable swing among some hedges to purchase northern eggs in preference to those of Oregon.

Stocks of pullet eggs have been piling up in all quarters as a result of high comparative price.

Market for poultry was unchanged at the weekend insofar as live chickens were concerned. The opening of trading on the produce exchange was without feature as to price, while open market values were stationary.

Turkeys Firm
Demand for turkeys remained firm. All sorts were in call with very little offering at the weekend. Prices were nominal but at the extreme point of the season.

The situation in the butter market appeared steady for the weekend. Storage stock was reported as coming out.

Very active trading tone continued at the weekend for peaches. Carloads of Californians were getting quite well cleaned up with brokers, asking as much, it not more than current retail sales. Local canning varieties increasing and in call.

Produce trade continued to face a shortage of tomatoes. Consumption to date has been unusually heavy and the entire territory was reflecting very firm and even advancing prices on top quality.

At the weekend there was no change in the price on cantaloupes. Best Dillard stock continued up to \$1.25 crate with others \$1.00 to \$1.10 in a small way. Quality of supplies generally good.

Dr. Virginia Wilson, 36, a graduate of Washington university at St. Louis, stabbed and killed Miss Ann Riffe, 50, and wheeling on Dr. Anita Muhl, 46, inflicted severe wounds before the older woman was able to overpower her assailant and shove her out of the house.

Two Men Shot Down On Buffalo Streets
BUFFALO, N. Y., Aug. 26. (AP)—An alcohol war is blamed by police for a shooting last night in which two men were killed and two pedestrians wounded by stray bullets.

The men killed, James (Big Jim) Calfee, 35, and his brother, Samuel, 38, were shot down as they approached a drink dispensary, said to have been operated by them.

LONDON PACT SENDS WHEAT MART HIGHER

CHICAGO, Aug. 26. (AP)—Wheat moved moderately higher today in erratic and light trading. An early advance was induced by an upturn of about two cents a bushel more than was expected in Liverpool wheat prices. Liverpool strength was attributed to signing of the agreement at the London wheat conference, but this was passed by her without notice.

Corn was weaker, after a slight early advance, because of uncertainty. Outside markets were bidding as much as six cents a bushel higher than current cash prices in Chicago for corn. Oats and rye firmed with wheat.

Wheat closed firmer and 1 to 1 cent higher than yesterday's finish.

Corn weak, 1c to 1c down. Oats unchanged to 1c up and provisions 10c lower to 5c advanced.
