PRICES FIRM

NEW YORK Sept. 15. (F)—
Stocks moved nervously today, along with grains and other commodities, and a series of rallies and declines gave the list a decidedly muddled appearance. A late rally in the Tobaccos helped it. but was unable to overcome the heaviness of the Utilities. Rais and Alcohols. The marcral Bulletin will a to increase the form 1 to 4 or more points. Transfers approximated 2,450,000 shares.

BOSTON. Sopt. 18. (2)—The commercial Bulletin will as to morrow:

"While the volume of husiness in the wool market this past week has decreased very constantably. The prices are fully firm to slightly higher for the wark, medium wools being especially strong.

"There is rather more disposition to ship tops and yarms of the moment than has been in widence for several weeks, but the manufacturers are proceeding with a large degree of caution at the moment, awaiting a clearer picture of the consumers purchasing power to be displayed in the movement of the fall and winter clothing.
