

SUPT. EVANS GIVES OUTLOOK FOR HIS SCHOOL

CHILOQUIN, Ore.—Chiloquin high school has commenced its present term with an enrollment of 78, announced Supt. E. E. Evans. Last year the enrollment at this time was 50, but additions to the enrollment are being made almost daily, and we expect to exceed the number of students enrolled in previous years before long.

Robert McCain was elected at the close of last year to serve as president of the student body for this year; Lorraine Larson as vice president; Frances Coons as secretary; and Clarence Sheehy as treasurer. The meetings of the student body are held twice each month, according to Mr. Evans.

Classes Organize
Organization of the classes was completed last Monday, with the following results:

In the senior class, the officers elected were: President, Ida McLaughlin; vice president, Robert Donough; secretary-treasurer, Jay Hughes.

In the junior class, the officers elected were: President, Theron Kinney; vice president, Frances Coons; secretary, Fylian Martin; and treasurer, Bremer Saether.

In the sophomore class, the officers elected were: President, John Savare; vice president, Lyle Williams; and secretary-treasurer, Ollene Egelins.

In the freshman class, the officers elected were: President, Stephen Hayes; vice president, Norman Pohl; secretary, Warner Blake; and treasurer, John Erickson.

Strong Faculty
At the present time, the enrollment is distributed between the classes with 17 students in the senior class, 13 students in the junior class, 14 in the sophomore class and 25 in the freshman class.

"Our teaching staff in the high school," stated Mr. Evans, "has been reduced by one teacher, but this has not impaired the efficiency of the school. We have a strong faculty, and plan to continue all of the extra-curricular work which we have carried on in the foregoing years. Warren Centers, athletic coach of last year, is replaced by Guy Campbell, a graduate of Albany college at Albany. He came to Chiloquin from teaching at Phoenix.

"Our new commercial teacher is Miss Rebecca Jones, a graduate of O. S. C., who has taught at Hazelton, Idaho, for the past three years, and is highly recommended. The only veterans on our teaching staff are Donald Brookman, Miss Mary Tattan and myself."

A high school orchestra is planned this year, according to Mr. Evans, but it is just now organizing. Fourteen candidates have already applied for it.

Track Practice
From now until November, Coach Campbell and Coach Brookman are spending their time developing the track possibilities. When the weather becomes too inclement for track, then basketball will reign in the school's athletic world. The basketball team lost two outstanding stars with the graduation of Evans Nelson and Lloyd Barkley. Nelson matriculated at O. S. C. this fall. Chiloquin has some valuable records for basketball teams, however, and it is generally believed that the team this year will be equal to that of last year, if not better.

Jack Nichols, a basketball star of 1932, entered the university of Idaho this fall. Williams and Lloyd Barkley entered the Southern Oregon Normal school at Ashland. Each of these names conjured up strenuous games of basketball to members of Chiloquin high, and they are expected to continue to make records wherever they go.

Couche's Debate
Debate teams will be coached by Donald Brookman as in the past. Coach Brookman has a gloomy forecast for the debate teams this year, but those who know are of the opinion that he has a trick or two up his sleeve yet. Lorraine Larson and Robert McCain are the only veterans of last year's debate team left.

Supt. E. E. Evans was again appointed by the U. of O. extension division as regional chairman, for his third term. Debating contests are sponsored and held under the auspices of this division.

"We have a fine faculty and a fine student body," stated Superintendent Evans in closing, "and we expect to hang up some more records this year."

AMUSEMENTS

VOX—Now playing, return engagement of "Whoopie," with Eddie Cantor.

Pelican—Now playing, "Strictly Personal," with Marjorie Rambeau, Eddie Quillan and Dorothy Jordan.

Pine Tree—Now playing, "Fugitive," with Rex Bell.

Rainbow—Now playing, "Bring 'Em Back Alive," with Frank Buck.

Ronald Colman and Elissa Landi in 'The Masquerader'

Two men who so closely resembled each other that one stepped into the fighting political career, and love of the other man's wife provide the famous dual roles of "The Masquerader" for Ronald Colman at the Vox theatre, starting Sunday.

Involved in the puzzled affections and loves of Colman's two roles are Elissa Landi and Juliette Compton, and a big cast headed by David Torrence, Helen Jerome Eddy, Crighton Hale and Halliwell Hobbes.

As a background for Colman and the strange human problem of "The Masquerader," Samuel Goldwyn has provided a production that gives new life and a bright modern touch to the famous English melodrama. Political turmoil, riot and the threat of revolution, financial and government crises taken from today's headlines are the storm clouds that drive one man from his position at the helm of state and from the love of his wife to drugs and debauchery. Pride of family, patriotism and love of adventure from today's headlines are the storm clouds that drive one man from his position at the helm of state and from the love of his wife to drugs and debauchery.

PELICAN
First movie of its type, "Strictly Personal," drama which plays upon the theme of "get acquainted clubs," is on display at the Pelican theatre today, with Marjorie Rambeau, Eddie Quillan and Dorothy Jordan in leading roles.

The "get-acquainted clubs," where bashful romances are brought in contact with shy Juliettes, have inspired numerous ironic wise-cracks and denunciations in newspapers and magazines, but they have never before inspired a motion picture.

PINE TREE
Coming to the screen of the Pine Tree theatre once more in an action epic that tops even the

thrills of the first six of his Monogram series. Rex Bell, ace western star, will be seen today in "The Fugitive," which comes to the local playhouse for a two-day run.

"The Fugitive" is the fast-moving story of the efforts of secret service agents to recover the loot from a half-million dollar mail robbery and bring the crooks to justice. Following a trail that leads from a western penitentiary and over railroad lines, the investigators locate their men at last among the members of a gang of cattle rustlers which is terrorizing the cattle range.

RAINBOW
An unusual motion picture of jungle savage beasts in action is playing at the Rainbow theatre today. It is "Bring 'Em Back Alive," visualizing the adventures of Frank Buck in fetching the largest and most ferocious wild beasts from the jungle to the zoos of the world.

The picture shows, among other events, a stalking, preying, frothing female tiger eat a tiny baby elephant off from its mother. The baby pachyderm is no higher from the ground than a medium sized police dog. Still whimpering for its mother's milk it senses danger. Its miniature trunk trumpets a SOS for mama. The tiger relentlessly, tireless, intent on the kill, lopes along. The wee elephant runs this way and that. It turns... it scampers to the brush wild with terror while the tiger

only one fatality. The state industrial accident commission reported 476 accidents in Oregon industries the past week and the fatality of Jack Kerr, Klamath Falls laborer.

LEGION VISITORS FLOCK TO CHICAGO

CHICAGO, Sept. 29. (AP)—By airplane, boat, train and thumb Legionnaires are arriving in Chicago from every corner of the nation and some of its territories to attend their national convention next week.

Registration headquarters predicted an attendance of almost 300,000 by Sunday. Sessions begin Monday.

An early arrival was A. B. Hicks, 54, of Alaska, who said he travelled by boat from Alaska to Havana, Cuba, by way of the Panama Canal. Then he flew by airplane to Miami, Fla., and finished the trip by train.

Mayor W. E. Mahoney announced at a meeting of the Klamath Union high school student body football rally this afternoon he would gladly give the great football player proving the greatest inspiration to his football team.

The medal will be presented each year to the player showing the greatest leadership and character in connection with sportsmanship. The selection of the boy will be made by the high

POISON SPRAYED OVER VEGETABLES

LOS ANGELES, Sept. 29. (AP)—One hundred heads of cauliflower, sprayed with sufficient poison to kill the persons eating them, were sought for confiscation by county health authorities today. The cauliflower was sold by an Ingwood truck farmer to peddlers who probably will seek to market it today provided they are not located before that time.

The truck farmer, C. Nakamura, was arrested by the health department officials on a charge of improper use of poison and his fields were quarantined when it was discovered three acres of cauliflower had been sprayed with deadly poison. He was fined \$100.

GRASS FIRE QUENCHED

The city fire department was called to Hot Springs addition at 6:45 o'clock Thursday evening to extinguish a grass fire which broke out near the Roosevelt apartments. The blaze was put out before doing any damage to nearby property.

Martinsville, Ind., has the largest goldfish "farm" in the United States.

Many Hear Sermon On Issue Of NRA

A large attendance marked the third prophetic sermon given by Evangelist R. D. E. Smith in the basement of Snow's store Thursday night. Crowds have been increasing each night and arrangements are being made to seat the overflow crowd.

The sermon topic was "Is the NRA the Mark of the Beast?" He said that there was no reason why the Christian citizen could not comply wholeheartedly with the provisions of the NRA. He stated that so long as the American newspapers retained their right of free speech and saw that such right was included in the newspaper code, that there was little chance of abuses creeping into the administration of the recovery act.
