CUBE BUTTER PRICE RISES WITH DEMAND
PORTLAND, Oct. 3. (AP) - Advance in top scores of cube butter during the week's packaging season of the produce exchange was not surprising inasmuch as there was some betterment in open market prices previous to the exchange rise. The latter was up 1 cent for extras and 1/2 cent for standard with prime first and first unchanged.
For some days there has been noticeable improvement suggested in consumptive demand for butter. Retailers have reported that the public was buying more freely which naturally had its effect upon the wholesale trade.

Portland Produce
PORTLAND, Oct. 3. (AP) - Butter, prints, extras, 23c; standard, 22c.

Onions, Yakima, \$1.25 per cental; Oregon, \$1.25 to \$1.40.

Outside Product In
The fact that prime first and first grades were not advanced suggests that the public was seeking the better scores which were not in such extensive call. Local make continued to decrease slowly but Portland is getting more butter from outside points.
Butter advance of 1c lb. followed the advance of a like sum in extra cubes.
Trade in the egg market was showing real strength for fresh offerings, but there remained mixed tone and price on storage grades which continued to be mixed with current receipts. They were becoming a trifle strong.
Situation in the chicken market continued a trifle soft for hens with strength and occasional premium for young stuff. There was only a limited call for ducks.
Turkey Call Strong
Call for turkeys remained most persistent locally with similar report of the California markets. Prices were firmly held for both alive and dressed stock, both old and new crop.
There was a weaker tone in the market for country killed calves with a late dull tone. This applies to top offerings as well as heavy weights, the latter being extremely dull.
Hogs alone show steadiness in the country killed meat trade. Prices were held. Beef was weak and lamb steady to easier. Bulls were slower.
More home grown potatoes were being sold today in the Portland market than all others combined.
Weather of the last few days has greatly aided the curing of onions at Willamette Valley points. The movement into warehouse was increased. Local prices were steady.
Notes of wholesale trading: Salmon and halibut markets

FIR PRODUCERS CURTAIL OUTPUT
PORTLAND, Oct. 3. (AP) - Designated to keep production in the proper ratio to demand. Douglas fir producers in Oregon and Washington have been instructed to limit their operating hours to 120 during October. Instructions to this effect have been issued by the West Coast Lumbermen's association, NHA lumber code administrator in this district.
This throughout October will be continued the same rate of cutting, but during October, a week, as was the case last month.
The maximum footage allocated to the Douglas fir area is 450,000,000 board feet, or about 40 per cent of the region's monthly capacity.

WOMEN'S CLUB PLANS ACTIVE FALL SEASON
A season of unusual activity for the local Federation of Business and Professional Women has started with plans for entertainment to cover a period of several weeks, the formation of a glee club and tap dancing classes, and the opportunity for new members in the two book clubs of the Klamath Falls organization.
At a meeting Monday evening at the city library club room which was in charge of the membership committee composed of Mrs. May King Conrad, chairman; Miss Mary Tolle, Miss Florine Finsel, Mrs. Olive Cornett and Miss Bernice Griffin. It was announced that since the opening of the new club year 28 business women of the city have become new members of the club, making it the largest in the state.
Over 100 were present at the meeting during the program hour and 6:30 o'clock dinner was served to 80. A clever entertainment of music, readings, a skit and selections by the bugle corps of the American Legion drum corps was presented.
Members interested in joining the glee club, which will be conducted under the direction of Mrs. A. J. Vove, are requested to meet at the library auditorium Friday evening at 7:30 when voices will be tested to determine the various chorus parts. Mrs. Vove is anxious to form a glee club of at least 30 voices.
To reinforce the financial condition of the B. and P. W. club, a series of breakfasts, luncheons and dinners has been announced for the near future, with 12 members presiding as hostesses, and a hi-jinks, in charge of Mrs. Madelon Long, will be given October 16 at the library auditorium. At this time dinner will be served cafeteria style and there will be numerous white elephant and refreshment booths in charge of the club committee.

CHAMBER TO STUDY PORTLAND'S 'GRAB'
Protests against Portland's efforts to "hog" federal highway funds in Oregon will be considered Wednesday noon's meeting of the directors of the Klamath county chamber of commerce.
The chamber has received requests from other upstate civic groups asking that it join in the effort to prevent Portland from getting the "lion's share" of the available road money. While Portland's first attempt was halted by federal road authorities, Mayor Carson of the metropolis has recently carried the fight to Washington, D. C., and further protests from the upstate are thought necessary.
Klamath county, chamber officials point out, is vitally interested in connection with the Klamath Falls-Weed road project. If Portland takes the highway funds from the remainder of the state, the Weed job probably will be delayed. The contract for the Weed road is scheduled to be let on October 25.
It had been hoped the Klamath project would get in ahead of the delay over Portland's program, but this appears unlikely now, according to chamber officials.
Copies of protesting telegrams directed to state and federal road authorities by other chambers of commerce have been received at the local chamber of offices.

FIGHTERS CONTROL FIRE AT ALTURAS
ALTURAS, Calif. (Special) - With the fire in the Shasta and Modoc national forests in northern California well under control, the 250 fire fighters from C. C. Camp were returning to their regular duties Tuesday.
A careless smoker was blamed for the blaze, which covered 1200 acres. While damage was light in comparison with other years, it was the worst fire of the season in that area.
The blaze burned rapidly and was controlled with difficulty. Forest officials said the "tree troopers" did Trojan service on the fire lines.

County Officers Called To Trial
Several Klamath county officials, including Justice of the Peace W. B. Barnes, Deputy Sheriff Rex McMillan and members of the local force of the state police, were subpoenaed to appear in federal court in Medford Tuesday for the trial of Benjamin Tupper, Klamath Indian, who is charged with the slaying of his son-in-law, Ebin Murdock.

Salem's Singers Win At Chicago
CHICAGO, Oct. 3. (AP) - The auxiliary trio and quartet of the Salem, Ore., American Legion post won first place in the annual convention of the legion here last night in competition with posts from all over the nation. The Salem group won the national championship last year at Portland.
The Salem singers are Mildred Wyatt, Berlene Rowe, Arlene Brown and Grace Zosel. Their director was Leta Belle Taylor, and their accompanist, Edith Findley.

Inventor's Agent Arrives in City
"Most inventions are developed by business people who are seeking easier methods in their daily work," stated J. T. Anderson of Portland, who has opened a new invention service in Klamath Falls, with offices at 411 Main street.
Anderson will be at his headquarters in this city every 30 days and on this trip will remain until Wednesday evening. His office, however, will remain open during his absence.
Anderson will assist in developing and improving inventions, especially stressing the fact that he will be glad to develop ideas for inventions, and places the inventor in touch with a manufacturer as well as investors. He will also assist in the selection, design and registration of trade-marks and trade-names.

Burns Defeats Lakeview Team

LAKEVIEW, Ore. - Burns high defeated the Lakeview high football team here Saturday by a score of 26 to 14. Numerous injuries to the Lakeview first string, for which replacements this year are very few, weakened the strength of the locals in the last half and Burns took a commanding lead after Lakeview made the initial score. The game was the roughest ever played here. Numerous players on both teams will be out of the games for the next three weeks.
