

# HOME OWNERS GET BENEFITS OF NEW OFFICE

The Home Owners Loan Corporation of Oregon is functioning in excellent fashion and nearly 3000 applications have been received at the Portland office, to say nothing of hundreds of applications in the three other districts of the state.

Within a short time many of these loans will be closed. Titles have been examined and mortgages will be recorded.

Interim certificates in lieu of the Home Owners Loan Corporation bonds have been received and will be given to the erst-while mortgage holders.

These certificates are in denominations of \$50, \$100, \$500, \$1000 and \$5000. Actual bonds will be presently on the way.

Manager Lipscomb has just received word from J. F. T. O'Connor, comptroller of the treasury.

The decision on the part of the comptroller was due to the reports from the receivers of the closed banks that it would be for the best interest of their trust in many instances to exchange their mortgage assets for the corporation bonds.

Oregon has closed national banks in the hands of conservators at Salem, Toledo, Wallawa, Pendleton, North Bend and Clatskanie.

The Cyclo-Stormograph at Underwood's Pharmacy is registering a very even barometric pressure and indications are for a continuance of fine weather.

The Tycoos recording thermometer registered maximum and minimum temperatures Friday as follows: High 85; low 49.

Forecast for next 24 hours: Fair with moderate temperatures. The United States reclamation service reports no precipitation for the 24 hours ending at 5 p. m. Wednesday.

Portland Marches In Big NRA Parade

PORTLAND, Oct. 5 (AP)—In a history-making demonstration of a people united to obtain a worthy goal for the common good, nearly 50,000 persons marched the streets of Portland last night to demonstrate their faith in the future of the nation and to pledge whole-hearted cooperation in the national recovery plan.

Wayman's Inc., men's clothing, firm at 823 Main street, is having a large Neon sign installed at their store today.

Wayman's Inc., recently changed the firm name to Wayman's, Inc.

Russian balloonist rose only 30 feet on an attempted flight to stratosphere. Another case where inflation failed?

Maybe there's something in a name after all. That Michigan police who testified against those nudists was named Peek.

### Klamath 20-30 Men To Attend Lakeview Meet

### SPECIAL MUSICAL PROGRAM PLANNED

A unique type of musicale is announced for Sunday evening at the First Methodist church by the pastor, Rev. John B. Coan, to be presented by the choir under the leadership of R. E. Patterson. The service is entitled "Celebrated Hymns and Hymn Stories of the Centuries." Types and examples of Christian music and hymns covering 18 Christian centuries are included in this program.

Some of the outstanding of these hymns will be the oldest Christian hymn in existence, by Clement of Alexandria, written in the second century; beautiful Greek and Latin hymns and hymn types of the early and middle centuries, including one by John of Damascus of the eighth century and one by Bernard of Cluny of the 12th century.

Other presentations will include choice examples of Spanish, Hebrew, Greek, Latin, English, German and American hymns. Two numbers will be given in the original German, and one ancient Hebrew melody is included. This program has been selected and arranged by Mr. Coan and the stories of each of the famous numbers will be told by him.

### Revival Service Closes On Sunday

The revival services conducted by Evangelist R. D. E. Smith for the Pentecostal Assembly of God, located in Moe's Basement, will close Sunday night with a sermon on "The Last Great Earthquake." Wives may get it for their husbands by looking for the Map-of-India trademark (above) in addition to the brand name, on packages of tea they buy.
