Butter Steady

The market for butter was just about steady locally. Last week there was a very liberal decrease in receipts from out-state points and centralizer output was also smaller. There was no change in open prices for the day.

Butter Steady

Since announcement was made that egg prices here would advance 1 cent, there has been considerable improvement in the buying and the volume of business has been substantially increased all around. Out-state inferior stuff was still a factor.

Electric Auto sold to show a firm tone locally but with no further price change. The springer stuff was not so firm.

Walnuts Arrive

Market for country killed meats showed very good tone and almost general strength was reflected. Beef alone remained slow with much stuff being offered that was previously held back.

Much improved demand for honey was indicated. The call was mainly and a short crop for both comb and milk stock was generally reported through this territory.

First carload of walnuts of the season has been reported in from California. Sales of Emerald budded so retailers were around 15c with No. 1 at 15c round. Locals were expected within a week.

Another spell of weakness has struck the potato trade here as a result of the conflict between fighting brokers of Portland. Yakima stores being sacrificed and this has resulted in lower prices for the entire potato trade here.

Notes of wholesale trading: Emperor grapes were arriving from the south; wine grapes are standard; orange grape movement was gaining with price unchanged.

Fair movement of peaches out of storage at steady prices. Sweet potatoes were generally lower.

Bean market was weak for dry offerings, some lower. Bananas were up 1/4c lb. with a scarcity after the recent oversupply.

Huckleberries were down about 1c lb.

ROSEBURG STORE STRUCK BY FIRE

ROSEBURG, Ore., Oct. 16. (U. S. Dept. Agr.)—The F. W. Woolworth store in Roseburg was a complete loss to the result of a stubborn blaze which last night occasioned damages estimated at about \$75,000. The fire also destroyed the fixtures at Green's recreation hall, a pool room and upstairs dance parlor, and gutted the two-story brick building owned by A. J. Hochradel of this city.

The fire was discovered about 10:30 o'clock last night, apparently having started in the basement of the Woolworth store. Because of smoke, firemen were unable to get into the building, and spent the entire night battling the flames, which were not extinguished until the floors collapsed and dropped the store's merchandise into the water-filled basement.

\$2200 TAKEN IN WALLOWA ROBBERY

LA GRANDE, Ore., Oct. 16. (U. S. Dept. Agr.)—Approximately \$2200 in cash was stolen from the Stock-growers and Farmers National bank of Wallowa during the noon hour today by two holdup men, who escaped, probably in the direction of Lewiston, according to a telephone conversation with the bank officials at Wallowa.

The two men, one quite tall and the other short and of dark complexion, entered the bank during the noon hour. They held up the cashier, C. T. McDaniel, and one other employe, and made them go into a rear room. McDaniel persuaded them not to lock him in the vault.

EGG MARKET TONE BETTER AT PORTLAND

PORTLAND, Oct. 16. (U. S. Dept. Agr.)—There continued a fairly steady undertone in the cheese trade generally. Prices in the main were steady, in fact there was practically no change suggested at any of the leading primary markets of the country. Offerings of very inferior cheese in the local trade continued a serious factor against the market, but this stock was not generally met with. Local prices were held fairly steady during the period and there was no change suggested at Tillamook.

Stock Market Quotations

NEW YORK, Oct. 16. (U. S. Dept. Agr.)—Stocks tumbled today under waves of late liquidation attributed partly to inability of traders to interpret the complexities of both the domestic and European situations. There was little support for most of the leaders, and losses of 1 to 5 or more points were general. The actively expanded on the decline and transfers approximated 2,500,000 shares. The close was weak.

WHEAT UNDERGOES HEAVY REVERSALS

CHICAGO, Oct. 16. (U. S. Dept. Agr.)—Jolted by dovishness of authorities, wheat prices underwent a sudden big tumble in the late afternoon today.

Selling of wheat enlarged rapidly toward the last. Eastern sources were credited with being heavy sellers. An unexpected wheat visible supply added to downward pressure on the market, and prices dropped the extreme limit allowed in a single day.

Wheat closed semi-demoralized, 4 1/2 to 5 1/2 cents under Saturday's finish, corn 3/4 to 1 1/2 down, oats, 2 1/2 to 3 1/2 off, and provisions at 5 cents to 37 cents setback.

ALTURAS, Calif.—Mrs. W. G. Soldate, young mother of this place, was critically injured when the family car driven by her husband left the grade east of this place, plunging over a steep embankment. In addition to fractured shoulder blades, Mrs. Soldate suffered other broken bones and physicians believe she is injured internally.

The Soldate family was returning from a few hours' pleasure outing when some defect in the steering mechanism caused the machine to leave the highway.
