Margiotti (left) and Charles H. Tuttle (right), after his acquittal in New York of charges of violating the Federal Lottery Law. The charges against Davis were made after an investigation of prize drawings conducted by the Loyd Order of Moose, of which Davis is Director General.

Co-Eds Go Sailing With Schooners

"And make mine with a low white collar." That's the latest fashion trend with co-eds at the University of Wisconsin this season. Dresses of course. Never! Bear! For, just as a safety measure, the board of regents has approved the sale of 3.2 brew in university quarters, to keep the girls away from unsupervised taverns. A group of seagoing co-eds is shown here, in charge of their schooner.

FLORIST STORE IN NEW LOCATION

Mr. and Mrs. O. R. Moeller, owners of the Klamath Flower Shop, announces the formal opening of their beautiful new store at 719 Main street Saturday and invites all their friends to call and greet them at their new location.

Mr. and Mrs. Moeller came to Klamath Falls 12 years ago, and opened the Klamath Flower shop. Flowers for virtually every important social and civic event during those years have been provided by Moeller and the Klamath Flower shop.

The Moellers purchased an acreage in the Altamont district, and have established and operated the first and only greenhouses in Klamath county for the past few years.

With the exception of a few of the rarer blooms which are shipped in, Moeller now grows all of his own flowers in order that patrons may have the benefit of the finest and freshest blooms.

The new flower shop at 719 Main street is one of the most beautiful and modern on the Pacific coast, and large stocks of flowers are maintained at all times.

Beautiful arrangements of mirrors enhance the display of flowers in the shop which is lighted by huge skylights.

Modern and roomy workrooms are provided in the back of the shop and all floral arrangements are made up by daylight.

Autumn flowers and arrangements will be featured at the formal opening Saturday.

DEMAND IN WOOL DOWN AT BOSTON

BOSTON, Oct. 20. (AP)—The Commercial Bulletin will say tomorrow that demand for wool has been at low ebb this week. Occasional sales are reported but they have been invariably of small quantities. Manufacturers continue to consume heavy quantities of wool but consumption is gradually lessening, in line with general expectations. The trade naturally has come to pause pending a determination of the strength of the buying movement on fall and winter clothing.

Foreign markets are all ruling strong and healthy and prospects of lower prices for wool in the foreign primary markets look, at the moment, rather remote.

Demand for fall Texas wools has been less eager and the few car lots which have been sold recently have been in the general range of 25-27 1/2 cents, in Texas.

Mohair continues slow. Stocks on spot are rather small. Some sizeable importations of foreign hair are being made.

The Commercial Bulletin will publish the following quotations: Scoured basis: Oregon: Fine and F. M. staple 50-52; Fine and F. M. R. combing 75c; Fine and F. M. clothing 71-73c; Valley No. 1, 74-75c. Mohair: Oregon, 40-43c. Domestic graded: First combing 40-42; second combing 30-32; third combing 45-50c; fourth combing 40-45c; good carding 40-45c; first kid 75-78c; second kid 65-68c.

Lederer was 44 years old and a customer's man employed by the brokerage firm of Edward B. Smith and company.

Passenger Service Hearing Scheduled

SALEM, Oct. 20. (AP)—Hearing of the application of J. H. Million of Eugene for a permit to operate as an anywhere for hire common passenger motor carrier will be held here October 27.

State Utilities Commissioner Charles M. Thomas announced that the hearing will be conducted by Herbert Hauser, state supervisor of transportation.

INDIANS GUILTY OF KILLING DEER

BIEBER, Calif., Oct. 16.—It took a jury of white men and women most of a night to reach the conclusion that two Indians, Norton Williams and Robert Allen, violated the game laws of California by "taking" two deer without having procured hunting licenses.

Shortly before three o'clock Tuesday morning the jury returned verdicts finding both Williams and Allen guilty. Justice

W. B. Puffer sentenced each to 30 days in jail, but decreed that 25 days they had spent in jail awaiting trial should be counted on their terms. Sheriff J. B. Leavitt took them back to Susanville to serve the remaining five days in the county jail.

Allen and Williams, arrested September 20 by Paul Kehrer of Fall River Mills, a state game warden, contended that as Indians living on government "allotments" they had the right to hunt deer without buying licenses. An Indian spokesman declared that if they were convicted the case would be appealed.

Indians from near and far flocked to the trial, which began Monday afternoon. District Attorney Grover Julian came up from Susanville to prosecute. Kehrer testified that Allen and Williams had two dead mule deer bucks, a three-point and a four-point, in their camp in Ash valley southeast of Adin. He identified the horns and hides in court. Williams said the arrest took place on an Indian allotment. Elsie Quinn, Indian, said the allotment was her grandmother's, but she did not know where the deer were killed.

KENNETT OPENS STORE SATURDAY

An attractive addition to the Klamath Falls business district will be made Saturday, when Webb Kennett opens his new men's clothing store on the northeast corner of Main and northern streets.

Mr. Kennett has been in business in Klamath Falls eight years. He came here as manager of the Brownsville Woolen Mills store and was later a partner in the clothing store of Kirkpatrick and Kennett.

The building occupied by the new store has been thoroughly remodeled and attractively decorated. Here Mr. Kennett will carry a full line of men's clothing, including shoes. Merchandise of established quality will be offered.
