Normals Meet For Championship

Eastern and Southern Oregon Schools Clash at Ashland Saturday Afternoon. Records of Both Teams Outstanding. Oregon at Peak Is Better Than Southern California. Move Started in South to Railroad Webfoots in Favor of Stanford.

They will be fighting for the normal school championship of Oregon Saturday at Ashland.

The three normal schools of the state at Ashland, La Grande and Monmouth haven't had much of a show in football until the last two or three years. The Pacific Coast Conference and the well-organized Northwest Conference rather obscured the activities of these secondary institutions.

All quite of a sudden, however, Howard Hobson, Larry Wolfe and Bob Quinn began winning football games. They toppled a few of the Northwest Conference elevens and held Oregon and Oregon State to low scores. This was particularly true of Hobson's team at Ashland and Wolfe's eleven at Monmouth.

• • •

This championship contest will bring Southern Oregon against Eastern Oregon.

• • •

Both schools have distinct bids for football supremacy. Each has lost but one game in its own division. Ashland was surprisingly defeated by Willamette University at Salem, 13 to 0, last Saturday and Eastern Oregon dropped a hot one to Whitman, 7 to 0.

To consider the Ashland team truthfully, its early season loss to Oregon State must be recalled. Hobson's men, playing way out of their division, held the Beavers to two points for three periods. The Beaver scored three touchdowns and one conversion in the fourth quarter by hurling in a new set of players against the weary Sons.

Here are the records of the two teams for this season.

Eastern Oregon

Eastern Oregon 35, Whitworth College 0.
Eastern Oregon 38, Lewiston Normal 0.
Eastern Oregon 26, Lewiston Normal 0.
Eastern Oregon 6, College of Idaho 6.
Eastern Oregon 26, Albion Normal 7.
Eastern Oregon 0, Whitman 7.

Southern Oregon

Southern Oregon 0, Oregon State 21.
Southern Oregon 19, Pacific 0.
Southern Oregon 12, Monmouth 7.
Southern Oregon 39, O. S. C. Rooks 0.
Southern Oregon 7, Oregon Frosh 0.
Southern Oregon 19, Marin Jr. College 0.
Southern Oregon 0, Willamette 13.

Hobson, former University of Oregon player, is well known here; Bob Quinn of La Grande, however, hasn't had his reputation displayed.

Quinn learned his early football at Oregon State college under Rutherford and Schissler. He has been at La Grande for several seasons and has developed his most outstanding team this year.

Both teams have drawn some of the best interscholastic material in the state away from Oregon and Oregon State.

• • •

There is one interesting thing about these normal elevens. Neither Ashland nor La Grande are keeping a strict observance of eligibility rules.

Ashland is playing a professional wrestler and Eastern Oregon has a former University of Oregon letterman in its lineup. This ex-Webfoot is not an ineligible at the university in the same manner as Brown of Ashland; the La Grande player already possesses a university degree. That, if nothing else, should make him a top notch student at a normal school.

Out of the Big Ten Conference comes a host of congratulations to the Pacific coast. The messages have been addressed to Amos Alonzo Stagg, aging coach, who resigned after 40 years with the University of Chicago and joined the College of the Pacific at Stockton, Calif.

Stagg and his little team held the mighty Gaels of St. Mary's from Moraga, 7 to 0.

Bob Zuppke, the famous coach at Illinois, halted his class at Urbana the other day to remark:

"Before we get down to business, I move we send Stagg our congratulations on his coaching his little team so well it held St. Mary's 7 to 0. That was a remarkable showing considering the difference in material."

Clark Shaughnessy, who succeeded Stagg in the Big Ten, said "it was the greatest demonstration of coaching he had ever observed."

• • •

Does any one dare pick Oregon to defeat Southern California?

Oregon is stronger than the Trojans when both teams play at their peak. If Oregon is at top form and the Los Angeles climate isn't too hot, the Webfoots will win.

• • •

Down south they've already decided to nominate Stanford for the Pasadena game. They seem to forget Stanford was defeated by Santa Clara, Washington and held to a scoreless tie by the very weak Northwestern eleven.

They also say the Oregon eleven has but an outside chance of winning the invitation even though it might defeat the Trojans. A worse thing couldn't happen in coast football. It would be just about sufficient for the north to divorce the south.

KLAMATH READY FOR GRIZZLIES

Contest Has Direct Bearing on Oregon Prep Championship.

The Klamath Pelicans, disappointed but not entirely discouraged by the loss of Johnny Pastega from the line, entered the final days of preparation for the Ashland contest on Modoc field Friday afternoon. The twice-defeated Klamath eleven hoped seriously to complete the season with a victory.

The attention of interscholastic football activities will be directed chiefly toward the Modoc field battle. Here Ashland, undefeated and untied by any team within the state, will strive to maintain its record and candidacy for the Oregon championship.

Medford in Running

The Grizzlies remain as the only undefeated high school team in southern Oregon. Medford lost to Crescent City by one touchdown but still holds to its claim for a championship by its perfect record against Oregon state squads.

Ashland was held to a scoreless tie by the northern Californians.

Both Medford and Ashland expect to receive the invitation to meet the Portland champion at Multnomah stadium Thanksgiving Day. One, however, will eliminate the other—providing Ashland doesn't lose to Klamath Falls—when they meet for the Southern Oregon conference title on November 25.

The Klamath coaches have not yet announced a definite replacement for Pastega. They were, however, considering several candidates for the starting position.

Scrimmage and pass defense were the main sources for practice this week.

Klamath's record for the season:

Klamath	13	Weed	0
Klamath	27	Alturas	0
Klamath	0	Corvallis	0
Klamath	20	Townies	0
Klamath	25	G. P.	0
Klamath	0	Medford	7
Klamath	0	Bend	30

Perfect Exhibit Seen at Jubilee

NEW YORK, Nov. 15, (AP)—The national horse show's golden jubilee, most successful of a long string of great exhibitions, was history today but horsemen, from owners to stable hands, were still discussing the remarkable exhibition of horsemanship shown by the Swedish army officers in winning the international military team championship.

Given only an outside chance in a field, that included the proven teams from the United States, the Irish Free State and Canada, the trio of Swedish army officers last night rode out before a capacity crowd of 15,000 in Madison Garden and gave three perfect performances— a feat seldom seen in the show ring.

Jim Londos Returns For European Trip

NEW YORK, Nov. 15. (UP)—Jim Londos, recognized in some states as world heavyweight wrestling champion, returned today on the Majestic after a three months visit in Europe. While visiting his father, Theolphes, in Greece, he engaged in an exhibition bout in the Olympic stadium at Athens at the request of President Zaimes. More than 100,000 spectators witnessed the bout, Londos said.

Recruit Brings Hockey Victory

OTTAWA, Ont., Nov. 15. (UP)—Paced by Earl Roche, rookie wingman, Ottawa's ambitious young Senators defeated Montreal Maroons 4-2 here for their second consecutive victory in the National hockey league. Roche scored three of his team's four goals on individual efforts.

Just before the final whistle blew Glen Brydson batted in the puck from a scramble in front of the Ottawa goal.

Northwestern Drops Boxing Activities

EVANSTON, Ills., Nov. 15, (UP)—Boxing was discontinued as a sport at Northwestern today because of a lack of interest by other Big Ten schools. The sport was revived with good success last year, after 12 years absence.

Freddie Miller Wins Encounter With Feldman

NEW YORK, Nov. 15, (UP)—Freddie Miller of Cincinnati, recognized as world featherweight champion by the national boxing association, won a non-title 10 round decision over Lew Feldman of Brooklyn at the Ridgewood Grove club.

The Cincinnati southpaw took most of the rounds and almost knocked out Feldman in the fifth with a hard left hook to the chin. Feldman fought back gamely but Miller was too clever and speedy for him.

Miller weighed 127¾, Feldman 130½.

In the six round semi-final, Wesley Ramey of Grand Rapids, Mich., walloped his way to a verdict over Billy Hogan, welterweight from Piedmont, N. Y., Ramey scaled 135½, Hogan 143½.

Golf Officials Will Hold Posts

NEW YORK, Nov. 15, (UP)—The entire present slate of officers of the United States Golf association, headed by President Herbert Jacques of Boston, has been nominated for the year 1934, it was announced today.

In the U. S. G. A. nomination is tantamount to election.

The only change from the original 1933 ticket is in the case of treasurer where H. W. Pierce of Manchester, Mass., has been nominated to succeed the late Charles H. Sabin. Pierce was named to fill the unexpired term.

Tommy Armour Signs Contract

CHICAGO, Nov. 15, (AP)—Tommy Armour has signed to a new three-year contract as golf professional at the Medinah County club, Chicago.

The "Silver Scot" came to the club last year and was given a long contract in recognition of his popularity after one of the club's most successful seasons, officials said.

Ex-Duck Leader Accepts Offer

GALVESTON, Texas, Nov. 15, (AP)—Spencer Abbott, former Portland manager, who will pilot the Atlanta team of the Southern association next year, announced today that the Crackers had purchased Art Jacobs, 27-year-old right-hander, from Portland.

The purchase price was not announced. Jacobs won 17 and lost 7 in the Pacific Coast league this year, and in 1932 won 14 and lost 4.

Ross Favorite Over Sam Fuller

CHICAGO, Nov. 15, (AP)—Barney RHoss' friends don't like the way he's showing up in his workouts, but he still ranks as a 3 to 1 favorite to retain his junior welterweight title against Sammy Fuller of Boston in a 10-round battle at the Chicago Stadium on Friday night.

Ross, seemingly a bit fed up on training, didn't look as impressive as Fuller did in yesterday's workouts, and cut his drills from six to four rounds daily.

Windup Match Friday Night Gains Favor

Two men performing in the combination occupation of referee and wrestler will clash in the semi-windup at the Legion hall Friday night. The match, bringing Nap Devore of Paris against Bunny Martin of Portland, stands up well as a rival to the popularity of the main event.

Devore, heavier and more experienced than young Martin, is something of a favorite. He has appeared here three times, twice as a performer and once as a referee. Each time, however, he had frequent opportunities to display his ability.

Martin lost his wrestling match here last week in a close decision. He appeared again to referee the main event between Al Karasick and Billy Edwards and acquitted himself efficiently.

The main event between Pat Reilly, rangy Irishman, and Harry Demetral, stocky Greek, appeared even. Although Demetral is expected to have a strong weight advantage, Reilly's speed and reach probably will balance the match.

Roland Warren will resume his victory drive again Jesse "Wildcat" McCann of Astoria in the half-hour preliminary. Warren, Copco engineer, won his opening match last week.

Racing Title Won With Gilmore Fuel

Class C. championship for racing runabouts was won by Ed Geerback of El Monte, California, using Gilmore Red Lion gasoline, according to word received by Earl Gilbert, Klamath Falls manager for Gilmore. Geerback brings a new world's record to add to the three Pacific coast titles taken by Gilmore boats this year, the first the company has been active in motor boat racing.

The fortified principle in the motor fuel adds the extra speed, Gilbert believes. "The facts that Rex Mays established a track record for 100 laps on Legion Ascot speedway, that Ken Brenneman put up another for 25 laps on the Loyola speedway, and that all official course records for motorcycles are held by Gilmore riders, all prove this statement.

Marriage Advised For Hockey Stars

MONTREAL, Nov. 15 (AP)—Advice to hockey players: Get married if you want to stay in the game for a long period of years.

Nine players in the National league have seen 10 or more years service and all of them are married. They are Happy Day and King Clancy of Toronto; Frank Finnigan of Ottawa; Aurel Joliat, Howie Morenz and Sylvio Mantha of Montreal Canadians; Lionel Hitchman and Alex Smith, Boston, and John Ross Roach, Detroit.

It is estimated that 13½ billion cords of wood have been used for fuel in the United States since 1630. During the same period, the equivalent of only one-third of this amount has been manufactured into lumber.

"Sunshine" and "Spanish" are the nicknames for New Mexico, whose state flower is the yucca.

WEBFOOT TEAM HAS NO FEARS

Oregon Confident in Preparing for Trojan Contest.

By Ben E. Titus
United Press Staff Correspondent

EUGENE, Ore., Nov. 15, (U.P.)—Unbeaten, untied Oregon today was pointing for the Far Western championship, the Rose Bowl assignment and the national football title.

Oregon has won eight straight games, but still must face its two most dangerous opponents, Southern California and St. Mary's, in the November windup.

No Fears at Eugene

But youthful Prink Callison, successor to Doc Spears two years ago, doesn't fear either Southern California or St. Mary's, and neither do the Oregon players.

"The boys have no inferiority complex and, although they know they will be playing two of the best teams in the country, they will be well prepared for the best Southern California and St. Mary's have to offer," said Callison.

Change of Pace Used

Oregon's success this season, after a mediocre year in 1932, may be attributed to what Callison calls a "change of pace" attack. The opposition never knows how to build its defense to halt Oregon. Against Washington, U. C. L. A. and Utah, Oregon depended on passes to win. Against Oregon State last week, Oregon unloosed a power attack, interspersed with deceiving reverses, which handed the Beavers their first defeat, 13-3. Oregon tried only two passes in the entire Oregon State game.

The two brightest stars of the Oregon State team are Big Mike Mikulak, fullback, and Bernie Hughes, center, both of whom are regarded on the coast as all-American candidates. Mikulak's consistent ball carrying has gained him the nickname "Four-Yard Man."

Team Balanced

Oregon's backfield is well balanced, with every man a good ball carrier, blocker and tackler. Mark Temple is the team's inspirational leader, and against Oregon State showed exceptional driving power for a 179-pounder. Leighton Gee is a great cutback runner, Bob Parke does the kicking, and is a good runner as well as a fine blocker.

The Oregon line ripped and cut-charged the Oregon State forward wall, which had previously held Southern California to a scoreless tie.

Oregon's record follows:

53—Linfield	6
14—Gonzaga	0
14—Columbia	7
6—Washington	0
19—Idaho	0
7—U. C. L. A.	0
26—Utah	7
13—Oregon State	3
142—Opponents	17

Phillies Trade For New Talent

PHILADELPHIA, Nov. 15 (AP)—Another of the Phillies' numerous reported "deals" has Catcher Virgil Davis and Infielder Eddie Delker going to the St. Louis Cardinals in exchange for the Cards' backstop, Jimmy Wilson, and a cash consideration.

President Gerald Nugent of the Phils, declined to confirm or deny the report but indicated he might have an announcement of interest later today.

If completed, the trade would return the players involved to the clubs where each got his start up the major league ladder.

Les Canadiens Defeat Chicago

MONTREAL, Que., Nov. 15, (UP)—A penalty for tripping put Lionel Conacher, Chicago Black Hawks defense star, on the bench in the final period and Les Canadiens were able to break through for two goals in less than a minute to win the National Hockey League game, 3 to 1.

With no penalties in the first period the game grew rough as it progressed. Conacher had been back on the ice only a minute after serving his disastrous minor in the final period when he got into a fist fight with George Mantha and drew a major penalty.

Worried Troy Drills Hard For Coming Conference Title Game with Oregon

LOS ANGELES, Nov. 15, (AP)—Coach Howard Jones planned to give Southern California's football team a full dose of Oregon plays in another scrimmage session today as the Trojans settled down to what they hope will be the start of another winning streak.

Realizing that if they are to have any sort of chance of representing the West in the Rose tournament game they must end the Oregon parade of victories, the men of Troy were expected to put in another long hard afternoon of work.

Coach Jones spared no one yesterday in the first real scrimmage session the Trojans have had since early in the season. The first and third teams, each bolstered up as the practice went along, from the second and fourth squads, fought it out until dark last night, with a lot of hard tackling and blocking thrown in for good measure.

The head man, still riled over the attendant circumstances of the Stanford defeat, held an executive session with the squad, during which the pictures of the Stanford game were displayed and discussed. Then he sent the players to their chores in no uncertain fashion.

The squads battled along pretty much on even terms as Southern California plays were rehashed in preparation for Oregon. The first team was revamped slightly, with Ford Palmer and Julius Hescos, ends; Hueston Harper and Howard Tatsch, tackles; Aaron Rosenberg and Larry Stevens, guards; Curtis Youell, center; Irvine Warburton, quarterback; Kenneth Bright and Bob McNeigah, halfbacks, and Cliff Propst, fullback.

Notre Dame and Northwestern Match Powers Next Saturday

By George Kirksey
United Press Staff Correspondent

CHICAGO, Nov. 15, (AP)—Two one-time monarchs of the gridiron world, Notre Dame and Northwestern, will meet this week at Evanston in the battle of the "scoreless wonders."

If this game doesn't turn out to be a masterpiece of fumbles and mistakes and end in a 0-0 tie, then it may produce some spectacular offensive football and see one or the other stage its long-delayed scoring spree.

Records Identical

Notre Dame and Northwestern have almost identical records. The Irish have won one game, tied one and lost four. The Wildcats have won one, tied two and lost three.

The only game won by each was against Indiana. Notre Dame beat the Hoosiers, 12-2, and Northwestern did it, 15-0. The 12 points made by Notre Dame and the 25 made by Northwestern represent the total scoring punch of both teams for the season.

Both Teams Powerful

Both Dick Hanley of Northwestern and Hunk Anderson of Notre Dame denied today that they had agreed to let first downs count instead of touchdowns. They also frowned on a suggestion to shorten the field to 90 yards to give one of them a chance to score.

"We are going to cross that last white line yet," said Hunk Anderson, "and when we do touchdowns will come thick and fast."

"If we can ever stop fumbling we'll shock a lot of people with our scoring power," said Dick Hanley.

Oddly enough, both teams have outplayed and outgained the opposition in most of their games.

Along the Sidelines

EUGENE, Ore. Nov. 15, (UP)—Word Bernie Hughes, center, and Alex Eagle and Biff Nilsson, tackles, would be able to play against U. S. C. Saturday was offset by news from the south the temperature there had risen to 96 degrees. Northern teams seldom fare well in the muggy California late-season temperatures, partly because their workouts in this section take place in temperatures little above freezing. Meanwhile the Oregon regulars went through their first stiff workout against Southern California formations.

SEATTLE, Nov. 15, (UP)—Washington's line came in for a thorough housecleaning at one end of the Huskie's playing field while at the other end of the field the backs were being drilled in hanging onto the ball. The Husky line parted at the wrong times last Saturday, allowing California to break through and block kicks. The backs fumbled frequently, and were often forced to pass wildly when the Washington forwards failed to keep out the opposition. Coach Jimmy Phelan is said to be planning an air attack against U. C. L. A. Saturday in emulation of Oregon, which beat the Bruins via the air.

MOSCOW, Ida., Nov. 15, (UP)—With ends and halfbacks playing wide, Leo Calland's Idaho Vandals worked on an air attack which they hope will be effective against California Saturday at Berkeley. The "Idaho spread" puzzled Washington State last week, though the Vandals failed to cash in against the Cougars.

PALO ALTO, Calif., Nov. 15, (UP)—After a day of rest, the Stanford Cardinals started preparing for the conference tailender, Montana, Saturday but more specifically for the annual "big game" with California the following week. Coach Tiny Thornhill said he didn't think his players would be over-confident after beating Southern California. "They were licked by Washington just a couple of weeks ago," said Tiny.

BERKELEY, Calif., Nov. 15, (UP)—Coach Bill Ingram warned the University of California team that Willis Smith, Idaho's 150 pound quarterback, is more elusive and a greater touchdown threat than Cotton Warburton, U. S. C.'s "mighty atom." Smith is dangerous whether or not he has a strong line in front of him, Ingram said. Idaho plays California Saturday.

LOS ANGELES, Nov. 15, (UP)—Motion pictures of the U. S. C.-Stanford game were shown to the Trojans by Coach Howard Jones to point out mistakes made last Saturday. The team went through a heavy scrimmage and Jones said he was satisfied with the men's attitude for the tilt with Oregon Saturday.

LOS ANGELES, Nov. 15, (UP)—With eight men unable to work out, the U. C. L. A. varsity today went through a light scrimmage, the last practice prior to leaving for Washington. The men not in uniform were Joe Keeble, Walter Muller, Sam Storey, Teek Baldwin, Bob Caldwell, Sinclair Lott, Orville McComas, and Bill Murphy, all with minor injuries.

Stars Compete For Honors in "Pro" Football

NEW YORK, Nov. 15 (AP)—It probably will take the final returns to determine the national professional football league's best forward passer.

Right now it lies between Benny Friedman of Brooklyn, Harry Newman of the New York Giants, Arnold Herber of Green Bay, and Glen Presnell of Portsmouth. Newman has gained the most ground with passes, 592 yards; Friedman has the best average, completing 28 in 53 tosses for 469 yards; Herber has completed the most, 34 out of 80 for 482 yards; while Presnell, with 26 completions in 68 trfles for 490 yards, is closest to Newman in yardage.

Paul Moss of Purdue and Pittsburgh holds a slight edge in the pass receiving department, taking 12 for 235 yards. Bill Hewitt of Michigan and the Chicago Bears and Roy Grove of Michigan State and Green Bay, also have caught 12 but have gained 216 and 186 yards with them, respectively.

Ken Strong of New York university and the New York Giants, tops the individual scorers with 52 points, four more than Presnell, and Cliff Battles of West Virginia Wesleyan and Boston, leads the ground gainers by a wide margin with 649 yards.

Longshoremen Get Increase In Pay

PORTLAND, Ore., Nov. 15, (AP)—An increase of ten cents an hour in the wages of longshoremen on the Portland waterfront became effective today.

The new scale is 85 cents an hour straight time, and $1.25 an hour for overtime.

The increase was voted at a meeting last night between representatives of waterfront employers and a committee of longshoremen.

Three-fifths of a cord of wood is used to dry a ton of hops. Approximately 9,000 cords are needed to dry Oregon's hop crop each year.

BEAVERS DRILL ON WAY EAST

Oregon State Confident Of Defeating Rams At New York.

CHICAGO, Nov. 15, (U.P.)—A 10-hour stopover and its first workout since leaving home Saturday, Oregon State's football team departed last night for New York city, to play Fordham Saturday.

Oregon State, which started Southern California's downfall by holding the Trojans to a scoreless tie three weeks ago, met its first reverse last week, when undefeated Oregon beat the Beavers, 13-3. Oregon State has won five games this season, played ties with Southern California and Gonzaga, and lost to Oregon.

Snow Halts Practice

Immediately after arrival here, Coach Lon Stiner put the squad of 26 players through an hour's workout at the University of Chicago field house. He had planned to give the team an outdoor workout on Stagg field, but snow flurries and the soft going underfoot after last night's snow caused him to shift the practice indoors.

Coach Stiner said: "Fordham's tough, but we expect to win. We are not just taking this trip across the country just for the ride."

Franklin Praised

He called Norman (Red) Franklin, halfback, his best player, and said he expected to see Franklin make a bid for all-American honors against Fordham.

"He's the best back on the coast," he said. "He's fast, and a hard runner. He can kick and pass, and is a great defensive player."

Baseball Series Up for Changes

GALVESTON, Tex., Nov. 15 (U.P.)—Arguments over the merits and faults of the play-off plan of determining baseball pennant winners broke furiously here today as officials of the minor leagues met for their annual convention.

The Texas baseball league voted 6 to 2 in favor of retaining the Shaughnessy play-off plan after a stormy session, despite the fact that the San Antonio Indians, which finished the regular season a poor fourth, won the pennant.

Decision of the Texas league was announced shortly after Warren C. Giles of Rochester, N. Y., president of the International league, said that he expected that league to scrap the play-off system when it holds its meeting tomorrow. In the International league, Buffalo, another fourth place club in the regular season, won the flag.

Boston Outfit Loses To Reds

BOSTON, Nov. 15. (UP) — The Boston Bruins, opening their home season at Boston Garden, lost their third straight game, being topped 4 to 2, by the Detroit Redwings in a national hockey league game watched by a crowd of 10,000.

The play was ragged for the most part, Detroit falling back on an almost purely defensive game after Sorrell had tucked away two goals in the first period.

CRUISER LAUNCHED

CAMDEN, N. J., Nov. 15, (AP)—The U. S. S. Tuscaloosa, fifteenth of Uncle Sam's 10,000-ton cruisers to be built under the terms of the Washington and London naval treaties, was launched at the plant of the New York Shipbuilding company today.

Sweden, Denmark, Iceland, Finland and Norway comprise the Scandinavian nations.
