

# Home Runs Win Tight Games for Big Leaguers

## HOT FINISHES FEATURE DAY

### Fans Get Thrills at Big League Games; Medwick Gets Homer.

By BILL BONI  
Associated Press Sports Writer

Outside of a flat swing, bat swinging free for all in which he can take remote-control part by heaving a pop bottle, there's nothing the baseball fan loves more than the good old Merrill finish.

The home run that zooms over a distant fence with the score tied and two out in the last half of the ninth, or the relief pitcher who strolls in from the bullpen to fan the heavy hitter with three men on—this is the kind of story book ending that keeps conversation alive on homeward bound street cars. Four of the eight games Tuesday weren't decided until the last half of the final inning.

Most spectacular of the blows struck in winning causes were those delivered by Joseph Michael Medwick of the Cardinals, Robert "Red" Rolfe of the Yankees and Leslie George Scarcella of the Reds.

Joseph Michael, the pride of Carteret, N. J., who has been leading the National League batting parade for so long, it's a habit, waited for the trappy psychological moment to uncover his twenty-first homer of the year.

The Giants had trailed to tie the score at eight-all after the gas house gang's eight-run blast knocked Carl Hubbell loose from his prop. Third Giant Pitcher Al Smith had retired the first two men to face him in the ninth. Then up came Ducky-Wucky and plastered one against the left field bleacher rail to win the ball game, 9-8, and drop the Giants three games behind the Cubs, who won a 2-2 decision over the Dodgers.

Scarcella's four master, which cored Ival Goodman ahead of him, saved the day and his tenth victory for Lefty Lee Grissom.

Rolfe, the old Dartmouth alumnus, delayed his K. O. punch until the eleventh. The Tigers were leading by 5-4. But Rolfe's circuit clot with Frank Crosetti scoring ahead of him, made it 6-3 in favor of the Yanks and stretched their American League lead to six games.

Less showy, but equally effective, were Billy Myers' ninth-inning single that drove in the run that gave Washington a 6-5 victory over the White Sox and Philadelphia Bill Werber's eighth-inning double that brought in two runs and halted the Indians, 4-3.

In the other games, Red Lucas punted a six-hitter on the Phillies to give Pittsburgh a 4-1 triumph and the Browns' 15-hit attack topped the Red Sox, 4-1.

## Cup Matches Bring Promise of Golden Era in U. S. Tennis

By RAYLE TALBOT  
WIMBLEDON, England, July 28 (AP)—Another golden era for American tennis such as it enjoyed during the Tilden dynasty seemed virtually assured today if J. Ronald Budge doesn't hearken to the blandishments of professional tennis promoters.

The tall, 22-year-old Californian, primarily responsible for the United States' regaining custody of the Davis cup, said he isn't going to relinquish his amateur status and has but one desire—to keep the trophy in the land that donated it.

The cup, symbol of world team tennis supremacy, remained in the United States seven years after two Bills—Tilden and Johnston—wrested it from Australia and if Budge, now sitting atop the tennis heap, continues to defend it there's no apparent reason why it should not remain for another seven.

The trio of Budge, his fellow Californian, Gene Make, and the slightly-built Frankie Parker of Milwaukee, who took the cup away from Great Britain are comparative youngsters, and there's nobody in sight to vanquish them.

Their sternest opposition next year undoubtedly will come from the German pair, Baron Gottfried Von Cramm and Heinrich Henkel, whom they subdued in the interzone final.

The new champion will take things easy until Saturday, when his first boxing session is scheduled. Farr, however, intends taking on a few sparring partners tomorrow. Physicians have said his sunburn will have healed sufficiently to permit him boxing tomorrow.

## PADRES AGAIN ON HEAP TOP

### San Diego Beats Seattle, 6 to 5 in 10 Innings; Beavers Win.

By The Associated Press

San Diego topped the Pacific Coast baseball league again today after Howard Craghead, former Seattle Indian pitcher, came to its rescue to stop a rally by the Tribe and gave the Padres a 6 to 5 victory in 10 innings.

Berly Horne, former Padre pitcher, was credited with the defeat and was one of five Seattle hurlers whom the Padres battered for 12 hits. Manuel Salvo started for the Padres but was sent to the showers in the seventh when the Tribe converted five hits into as many runs.

Sacramento was virtually home-runned out of first place. Circuit clouts by Bob Collins and Rip Russell marked Los Angeles' 4 to 2 win over the Solons. Russell got three while Ted Williams of the Solons smashed a homer for one of his four hits in four times at bat.

Two baggers were plentiful in the game. Art Garibaldi of the Senators slashed a pair. Joe Greco, a teammate, hit one and Steve Messer of the Angels another.

Portland ran its total wins to 29 in 23 games last night by noising out the San Francisco Missions, 3 to 2. Four hits and a base on balls after two were out in the third gave the Beavers all their runs. The Reds scored in the fourth and seventh.

The Oaks, including Manager Bill Meyer, were evicted from the ball park last night as the Seals measured the Acorns, 8 to 1. It all started in the third inning when the Seals collected five runs.

Ted Norbert of the Seals hit a homer with one on the bags in the eighth. Frank Lamanske, who came to the Seals from the Missions, buried beautiful ball, limited the Oaks to five hits, fanned eight and held them scoreless until the ninth.
