The very thought of getting into the water these summer days is enough to bring smiles to anybody's face, and the Dionne quintuplets are no exception. As they prepare for a good splash in the nursery wading-pool their sisterly love is well revealed in this appealing picture. That's Cecile in the center, with Annette embracing Emilie at the left, and Yvonne similarly showing her fondness for Marie at the right. The wading-pool is the favorite resort of the quintts during the brief hot summer season.

TRIP FOR TWO—\$90,000. This is a ground view of the \$90,000, twin-motored Lockheed plane that is being groomed for the Mattern-Jones flight over the North Pole to Moscow. It is equipped with the latest in flying devices and the eight-passenger cabin is outfitted with a 1,150-gallon gasoline tank. The flight is scheduled for August.

POLAR PEGASUS. Here's the prow of "The Texan," the Lockheed plane which Jimmie Mattern hopes to nose over the North Pole to Moscow on a flight from San Diego, retracing the spectacular hops of Russian airmen. That's Jimmie in the cockpit. Note the bucking bronco "trademark." Mattern is famed as a long distance flier.

Front! Guests Storm S. F. Hotels

Scores of guests lined up at registry desks in 19 major San Francisco hotels as Class A hotels, strikebound for 90 days, reopened. Hotel doors barred by pickets for three months swung open as settlement agreements were signed with six striking unions.
