

Stratosphere flight offers numerous distinct advantages, among them being augmented speed, fog, ice, or other inclement weather conditions. Even more important is avoidance of storms and consequent elimination of schedule delays owing to them.

SESSION ADMITS RIFLE IN HANDS

The district attorney's office announced Friday that Allen Session, keeper of the city dump, had admitted he was holding the gun which discharged and wounded Vernon Hayes at Hayes' place on Laguna street last weekend.

District Attorney Hardin C. Blackmer and Deputy Orth Sizemore quoted Session as having said: "The damned thing went off."

They said Session would not state whether it had been discharged by him on purpose, or by accident, but that he admitted he was angry at the time. Session has been arraigned and has taken time to plea. His bail has been set at \$10,000. The charge is assault while armed with a dangerous weapon. The investigators at the dis-

DRUNKEN DRIVING CHARGES FILED AFTER ACCIDENT

A charge of drunken driving was filed against Charles House of Pelican City Friday after an automobile accident on Lakeshore drive. The case was continued until Monday.

Donna Smith was injured in the accident. House, in his report to authorities, said the car left the road when a tire blew out. State police filed the drunken driving charge against him.

Abestos uniforms are now packed in the fire truck of the Crofton, England, airport for use by the firemen. Wearing these suits, the firemen can go right into the fire for rescue work.

Competent authorities estimate the total cost of driving a car in city traffic at EIGHT CENTS PER MILE. In Klamath Falls, it's hard to make a shopping trip under two miles for the round trip.

It costs you 16 cents to come down town. In addition, it wears you out these hot days and practically ruins your whole day at home.
