

Martha Shops & Shops

THE MAN has sort of made a different woman of me. If I know what I mean. Well, I do mean, is that his sort of conscientious.

But I guess that getting married is something you don't plan on every day. ANYWAY, a mighty good kick-off in the game of matrimony is getting settled. A lot of your insurance company. The Man thinks JOHN HOBBS is just about the best fellow there is. And we've been having some weighty talks about insurance being a swell way to save money regularly and, besides, give protection against accidents and sickness.

UT we're not always looking at that angle, I admit. . . . CAL-ORE is getting to be our regular Wednesday night celebration. We got engaged there, and I know. . . . And what with the good time you can have there, with most of the people you know, it's a hard place to stay away from.

THIS IS A cute little hat, and what I want to get over right now is. . . . Nobody without a hat in her belfry is going to miss going MARGOT'S this week. . . . I and some of the darlinest in-sweater sets there, and I want to tell you about them.

HEY COME in vest-and-sweater combinations, of two colors or more. . . . With the new colored collars. . . . And made of

all-wool Zephyr yarn. . . . Just \$1.95 apiece, or \$3.95 a set.

AND THEN, to go with the sweaters, they have all-wool skirts in a wide range of fall colors. . . . The skirts come in pleated and gored swing styles so popular and flattering to the wearer. . . . And they're only \$2.95.

MARGOT'S right now, too, is having a special on those cute little suede headbands. . . . Beautifully made and shaped to fit your head. . . . In various colors. . . . For only 95 cents.

MAY KING, when I saw her Tuesday, said it was going to be a shame, if parents didn't have their children's pictures taken now, when they had their new clothes for school. . . . And were clean-looking, what with their new hair-cuts and such.

AND SPEAKING of children, if you are going hunting, the best place I know of to leave your children is at the PETER PAN NURSERY at 419 Pacific Terrace. . . . Telephone 2220.

BUT BEFORE I forget, The Man suggested we take in the Potato Festival ball at Merrill, and I got a hunch to take a look at what TOGLER'S have. . . . And are their formalis darling? . . . Perfectly stunning styles and colors, and so inexpensive that I'm tickled to pass on this tip. Walk upstairs and save.

WHAT A THRILL. . . . When the dust cleared away, the couple had driven off—still unidentified.

For its students in zoology, the University of Miami main building is a classroom on the floor of the Gulf Stream. Students don a type of glass-fronted diving helmet used in submarine explorations.

to rest 12 feet from the car.

When the dust cleared away, the couple had driven off—still unidentified.

CHURCH SCHEDULES NUMEROUS EVENTS

The Community Congregational church makes the following special announcements for the immediate future:

Sunday morning, October 3, will be communion service time. All members and other interested Christians are urged to attend. Sunday evening at 8 o'clock the Young People's society, led by Tommie Baxter, will put on a special program. Rev. Paul G. Dick-ey will show his own stereoscopic pictures of South African life and missions.

Friday evening, October 1, the Young People's society is to have a party in the community house. All young people of the church are welcome.

Next week, dates to be announced, Rev. T. Davis Preston, former pastor of the Community church, will present moving pictures of Hawaiian life. Local young people will repeat the fun-producing playlet, "Two is a Crowd," while Mrs. Stella Hagley will provide special music. Proceeds will go to the church and young people's society to be applied on benevolence and local expenses.

Church rally day will be held Sunday, October 17. The church school and choir are making preparation.

TRANSIENTS GET BLAME FOR FIRE ON S. P. TRACKS

A fire, believed to have been started by transients on the Southern Pacific tracks south of the Big Lakes Box company's plant called out the fire department at 10:40 p. m. Wednesday.

The blaze was quenched before causing any property damage. A considerable area of grass and some rubbish was burned.

Mammoth Cave, Ky., has five levels, with 225 explored avenues, 47 domes, 23 pits, eight catacombs, three rivers, two lakes, and one sea. The actual space worked out of the limestone, according to estimates embraces 12,000,000 cubic yards.

Liberty in its full and true sense is an indispensable part of economic security. Political liberty and economic freedom are allies, not enemies.—Senator William E. Borah, Idaho.

Tipping is the most detestable, contemptible and embarrassing practice in the world.—Victor Deane, Spokane, Wash., hotel man.

Becomes Acting Farm Secretary

Mrs. Mary Connor Meyers, government attorney, who received considerable attention two years ago when the AAA failed to publish her report on conditions of Arkansas sharecroppers, was photographed above in Washington acting as secretary of agriculture for a day. When Secretary Henry A. Wallace appointed her to hear protests of Boston milk distributors against the milk marketing act, Mrs. Meyers, under a technicality of the law, became acting secretary.

74TH BIRTHDAY

SALEM, Sept. 30 (AP)—Governor Martin will observe his 74th birthday tomorrow by putting in a full day at the office. No special observance is planned for the chief executive. Employees in the executive department said they expected his admirers to present him with an ample supply of cigars.

With 28,000,000 vehicles moving on the streets and highways, the question of right-of-way is of the utmost importance to safety. When two cars arrive at an intersection at the same time, the car on the right has the right-of-way.

As in the other automotive industries, the airplane mechanic is changing from the all-round type to the specialist who confines his attention exclusively to one branch of the work.

There is nothing new in the basic rule of the road—keep to the right. It is an ancient rule observed in the horse-and-buggy days and before.

Warplane development has been accelerated both in Europe and the United States because of the tense situation in Europe.

MEDICINE THIEF BELIEVED BACK

Theft of a small black satchel which looks like a doctor's bag, from an automobile belonging to Lyle Veers of the Alpha apartments Wednesday night led police authorities to believe that the dope fiend robber who stole many doctors' medicine cases last month was back in town again.

Veers' satchel contained 20 rolls of moving picture film. A movie projector and screen which were also in the parked automobile on Pine street between Sixth and Seventh streets were not stolen.

Several local physicians lost valuable instruments and drugs recently when an alleged narcotics addict stole their medicine and instrument bags from automobiles in an effort to find "dope."

ALGOMA PLUNGE VICTIM SHOWS IMPROVEMENT

Great improvement in the condition of Howard Abbey, local automobile dealer, was reported Thursday by his physician and attendants at Klamath Valley hospital.

Abbey sustained a chest injury Tuesday night when his automobile plunged over the grade near the Algoma viewpoint on the Dallas-California highway and turned over and over coming to rest 240 feet down the embankment near the railroad tracks.

Alcohol is used in the manufacture of candy, hair tonic, cement, tobacco, straw hats, toilet water, lipstick, vinegar, toothpaste, typewriters, perfumes, pajamas and many other ordinary commodities.

HELP KIDNEYS PASS 3 LBS. A DAY

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. Most people pass about 2 pints a day or about 3 pounds of waste.

Frequent or scanty passage with smearing and burning shows there may be something wrong with your kidneys or bladder.

An excess of acids or poisons in your blood, when due to functional kidney disorders, may be the cause of nagging backache, rheumatic pains, insomnia, loss of appetite and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your doctor for Dr. Don's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Don's Pills.

TWO KLAMATH STUDENTS PLEDGED AT WILLAMETTE

SALEM, Sept. 30 (AP)—Men's fraternities at Willamette university ended their semester "rush-ing" this week, with women's groups scheduled to begin their campaign next week.

Fraternity pledge lists included: Alpha Psi Delta—Ralph Taylor and Floyd Baker, both of Klamath Falls.

The prehistoric sea lizard, known as Ichthyosaurus, had the largest eyes of all the creatures that ever lived. They were as large as a man's head.

CELERY SALAD

Divide celery stalks into individual pieces. Cream pimento cheese and 1 tablespoon of onion juice together and spread each stalk with mixture. Press stalks together in original shape. Wrap in damp cloth and chill. When ready to serve cut in slices about 1 inch thick. Serve with alternate wedges of quartered tomato, garnished with mayonnaise. Serve on lettuce or chicory.

Ability of new ships to fly at such high altitudes in calm, thin air, high above clouds and storms assures a sleeper of a good night's rest in a comfortable, steady berth.

THIEF GETS WINE, BEER FROM STORE ON SOUTH SIXTH

Two gallons of wine and two cases of canned beer were stolen from the Brown Jug at East Main and South Sixth streets sometime Wednesday night, according to police reports.

The thief entered the establishment through a rear window.

The United States department of agriculture estimates that insects destroy about 10 per cent of all crops produced.

The giant bamboo tree's stem grows a foot in a single day.
