## CHING BILL RED LIKELY CAUSE JAM

### Two Administration Proposals in Congress Safe From Delay

WASHINGTON, Oct. 14 (AP)—Administration strategists, seeking approval of a five-point program at the special session of next month, expect the bill today of a prolonged delay to get out of a presidential veto. In August, they agreed to make the anti-lynching bill a special order of immediately after a vote on legislation at the next session.

It was reported that the special session called for the anti-lynching bill was to be introduced in the House. The bill would be introduced in the House and passed there after a vote on the anti-lynching bill. The bill would be introduced in the House and passed there after a vote on the anti-lynching bill.

By The Associated Press  
TIENTSIN, Oct. 14.—An interview today Youku Matsunaka, American-educated president of the South Manchuria Railway company, disclosed Japan seeks control of the whole of China to prevent it from falling prey to soviet Russia and communism.

## Leave for Kansas City

Alden Bruner (left) of Bonanza and Tom Blackman of Henley entrained Thursday morning for Portland, where they will join the rest of the Oregon delegation of leading Future Farmers, bound east for Kansas City and the 10th annual FFA convention. The Klamath youths won the convention trip as a result of their outstanding work on FFA projects during the past year.

## LINCOLN SPAN TO BE CLOSED

### City Engineer Declares Old Wooden Bridge Unsafe; Others Eyed

City Engineer E. A. Thomas announced Thursday that he will close the Lincoln street bridge by the end of the week. Thomas said the decking on the bridge has broken through, and it is rapidly becoming unsafe for travel. To repair the bridge so it could carry traffic safely would take approximately \$400, Thomas said, and even then the repairs could be no more than temporary.

## PRISONER MAKES DARING FLIGHT TO ESCAPE TERM

EUGENE, Oct. 14 (AP)—Joseph Kinman, 23, a "two-time loser," made a daring daylight escape from the Lane county jail late yesterday afternoon. After a few hours freedom and wrecking an automobile, he was back behind the bars today. Kinman, indicted yesterday by the grand jury for burglary, was facing the state law which gives persons convicted of two crimes a maximum 10-year sentence. Officers believed he had help in making his break.

## STUDENTS STRIKE AFTER FIRECRACKER EPISODE AT KELSO

KELSO, Wash., Oct. 14 (AP)—Because Principal Dean Micklewait objected to Kelso high school students exploding firecrackers in the corridors, approximately half of the student body of 250 walked out on strike today. The firecrackers exploded in a hallway. Principal Micklewait allegedly boxed the ears of several of the boys nearby and the walk-out followed, with a procession through the business district. The 125 strikers, all boys, then returned to the school to establish a picket line.

## DANCER AWAITING POISON DEATH

SAN FRANCISCO, Oct. 14 (AP)—June England, 22, pretty Alviso, Calif., taxi-dancer, awaited death in a San Francisco hospital today. Dr. John Skaff, throat specialist, said the girl admitted to him she took two tablets of a deadly slow acting poison, while in jail in San Jose, Calif., on a charge of reckless driving a week ago. They said it may be a week or 10 days before death would claim the girl for whom they said there was virtually no hope for recovery.

## CIO to Back Stable Farm Price Action

ATLANTIC CITY, N. J., Oct. 14 (AP)—The CIO pledged itself today to support legislation to stabilize farm prices at not less than the cost of production. Leaders of 22 unions affiliated with the Committee for Industrial Organization adopted unanimously a resolution which said the CIO "recognizes the community of economic interest between the industrial workers and the farmers."

"Farmers and farm workers are entitled to their fair share in the national income and legislation seeking a stabilization of farm prices at not less than the cost of production will have the hearty support of the CIO," the resolution said. The delegates also approved a (Continued on Page Four)

## PORTLANDER HURT CRITICALLY WHEN HIT NEAR MERRILL

A man identified as Chester Sutherland of Portland, was in critical condition at Hillside hospital Thursday as a result of a skull fracture sustained on the Merrill highway about 1 a. m. when he was struck by an automobile driven by V. N. Manuel of 522 North Fifth street, Klamath Falls. The accident occurred about three miles north of Merrill, according to Manuel's report. Sutherland was walking up the center of the highway, and Manuel swung out in an effort to avoid hitting him when he crossed in front of the machine. The left front fender struck him, however, hurling him to the pavement and fracturing the skull.

The Hillside ambulance was called and the man rushed to the hospital. He has not regained consciousness since the accident, and identification was made from a slip of paper found in his pocket. An effort is being made by officers to check the pedestrian's identity, but no answers to telegrams had been received Thursday afternoon. Sutherland is believed to be about 36 years old. Manuel was not held by officers as the accident was believed to have been unavoidable.

## AFL ACCEPTS CIO PROPOSAL FOR PARLEYS

### Reunion of Two Factions To Be Discussed; Failure Will Bring Battle

By C. L. SULZBERGER  
United Press Staff Correspondent  
DENVER, Oct. 14 (UP)—The American Federation of Labor agreed tonight to meet the C. I. O. in a "just and reasonable" conference to make peace in a trade union movement and then re-elected President William Green to lead the quest for amity. Climaxing a tumultuous session, the federation convention in effect offered to reverse its newly-adopted fighting program and embark upon an effort to "heat and adjust the unfortunate breach caused in the range of organized labor."

## VATICAN OFFICIAL DENIES POPE SENT 'AID JAPAN' ORDER

VATICAN CITY, Oct. 14 (UP)—Monsignor Dominic Tardini, vatican under-secretary of state, said tonight that the Holy See has not sent instructions to the Far East calling on its prelates to support Japan in the latter's conflict with China. The vatican official, commenting upon reports circulated in the United States that the vatican is ready to support the Japanese against Chinese "reds," said: "It is not true—there is absolutely nothing in it."

## Night Wire Flashes

FORD ANSWERS DEARBORN, Mich., Oct. 14 (UP)—An announcement tonight that Henry Ford was "all through" at Kansas City emphasized reports that he planned through a vast expansion program to make his central plant on the River Rouge virtually self-sufficient. If abandoned of the Kansas City plant is carried out as predicted, it will be the company's first concrete answer to organization drives of the Auto Workers union.

## RITES HELD FOR JACKSON DOG HERO

MEDFORD, Oct. 14 (AP)—The shepherd dog which 10 days ago perished in the fire that destroyed the home of A. R. Mansfield, Butte Falls district homesteader, after the dog had rescued Shirley, two and one-half year old girl from her flame-menaced crib, was buried Wednesday afternoon in the pet cemetery of the Jackson county humane society here. Shirley, recovered from burned feet sufficiently to stand for a short period, and her mother were present.

## China's Little America

This small fragment of United States property over which flies the Stars and Stripes is located on the borderline of Shanghai's native quarter, Chapel, where some of the fiercest fighting of the Sino-Japanese war has centered. The section shows evidence of damage by shell and fire, while the sky in the background is filled with smoke from fires set by air bombs. In the foreground is a barricade of sandbags, to protect the property from invasion by panic-stricken Chinese civilians.

## PORTLAND MILL CRISIS PASSES

### Police Watchful as AFL Workers Reenter Plant

PORTLAND, Ore., Oct. 14 (UP)—The Central Labor Council policy committee, which yesterday threatened a complete "labor holiday" of all American Federation of Labor workers in the Portland area unless "lawlessness" was curbed, removed decision on this matter today. The "holiday," which in reality would be a general strike and would tie up most of Portland's business, was threatened for Monday. With the successful re-opening of the Plycock corporation plant today, however, tension eased and it was believed the drastic measure would not be invoked unless further violence broke out at the plant.

## INSURGENTS CLAIM LOYALISTS SHOOT RETREAT LEADERS

WITH THE NATIONALISTS IN ASTURIAS, Spain, Oct. 14 (UP)—Nationalist headquarters asserted tonight that the loyalist command has resorted to "red terrorism" in an effort to stem the retreat of its troops before the nationalist assault on Gijon. Whenever a loyalist column meets defeat without suffering at least 40 per cent casualties, the chief of the retreating unit and his political commissar are shot without trial, it was said. The nationalist headquarters of General Jose Davila, whose troops tonight encircled the strategic highway junction of Arriondas, 24 miles southeast of Gijon, said the "red terrorism" was disclosed by documents taken from the bodies of loyalist officers.

## GREEN-EYED GHOST CHASES L. A. WOMAN OFF FIRE ESCAPE

LOS ANGELES, Oct. 14 (UP)—Mrs. Consuelo Barrare, 23, frowning through her bandages, said tonight she flung herself from a second-story fire escape today to evade the cold hands of a green-eyed ghost. "We've heard the ghost before, my husband, Felix, and I," she explained. "Last night I saw it, a towering, gaunt-faced woman with flashing, unearthly green eyes, standing beside me."
