DEFENSE BILL KEEPS STOCK STRENGTH UP

NEW YORK, March 13 (AP)—Buyers took a chance on scattered specialties in today's market and left many leaders to drift about in lower territory. Transfers were around 350,000 shares. The main sustaining influence, brokers said, still was the multi-billion defense spending plan being whipped into shape at Washington. Shipbuilding issues and a number of others made an early response to profits prospects from this source but the majority was unable to hold their advantage. Optimistic earnings statements were plentiful and aided individual stocks. Among wavering stocks were U. S. Steel, Bethlehem, Chrysler, U. S. Rubber, American Telephone, Du Pont, Allied Chemical, American Smelting, International Harvester, Santa Fe, Sears Roebuck and General Electric. Occasional resistance was exhibited by Newport News Shipbuilding, Continental Baking, "A.," Montgomery Ward, Western Union, Great Northern, International Nickel and United Aircraft.

PROFIT TAKING IN WHEAT CUTS PRICE

CHICAGO, March 13 (AP)—The wheat market's resistance to profit-taking stiffened today but, despite an advance of as much as a cent after mid-session the reaction from Monday's high prices continued. Buying attributed to professional interests and mills accounted for much of the strength, with the sharp premium at which cash wheat was quoted an important factor. Traders expressed belief a further rise is necessary to bring out greatly increased quantities of grain under loan. Wheat closed 1/4-c lower than yesterday, May 85 1/2-c, July 82 1/2-82c; corn unchanged to 1/4-c higher, May 62 1/2-c, July 62-c; oats unchanged to 1/4-c lower.

Spring Weather Cuts Relief Load

Early spring weather and developing industrial activity is having its effect on county welfare care loads, according to Altha Urquhart, welfare administrator. She said that the decrease in the case load was "seasonal," but had occurred earlier than usual. When case load reports are made to the welfare commission meeting in April, the administrator said, the statistics should be most favorable. LOS ANGELES, March 13 (AP)—Rain washed out the baseball game scheduled at Santa Monica yesterday between Los Angeles and Portland of the Coast League, but the Angels, looking for clearing weather, booked a game with Loyola university today. Bob Weiland, big southpaw whose 1940 record with the Angels was 12 victories against 7 losses, has come to terms with the club and is en route from Chicago.

MORE POWER TO 'EM

U. S. DEPARTMENT OF INTERIOR ACTS TO FACILITATE INCREASE OF THE NATION'S ALUMINUM SUPPLY: Through the Department's Bonneville Power Administration, 40,000 kilowatts of hydroelectric energy from the gigantic Bonneville-Grand Coulee dams on the Columbia River will be supplied under a 20-year contract for the operation of a new defense plant in the Pacific Northwest. The plant will be operated by the Reynolds Metals Company and will add 40,000,000 pounds annually to the country's production of aluminum, one of the vital factors in the emergency program. Site of the plant has not yet been selected. Concluding the history-making negotiations at Washington recently are (left to right) Marion M. Caskie, Reynolds vice president; Paul J. Raver, Bonneville Power Administrator; R. S. Reynolds, president of the company bearing his name, and (standing) Ulrich Gendron, Assistant Bonneville Power Administrator.
