## DR. HARDING TO SPEAK AT CHURCH

Dr. U. E. Harding of Portland will speak Thursday at 7:30 p. m. at the Church of the Nazarene, corner of Garden avenue and Martin street. His topic will be, "Seeing Through the Eyes of the Dead." Dr. Harding is one of the most interesting speakers on the present day religious platform and as he will be here for just one service, an excellent attendance is anticipated. The public is invited.

Nationwide interest was aroused two years ago when Dr. Harding submitted to an unusual and successful operation whereby a section of cornea, willed to him by a Berkeley, Calif., woman, was transplanted to his eye, saving him from almost total blindness.

## Police Asked to Aid in Finding Bert Johnson

Friends of Bert Johnson, 47, asked the aid of local police in their search for the Ewans camp employee who failed to return to work after a weekend spent in town. Foul play was suspected by those with whom the police talked. Johnson is a Swede, 6 feet 2 inches tall, has been employed at the camp near Chiloquin for some time and is well known to lumbermen. He rode to Klamath Falls Saturday morning with friends but has not been seen since that time.

Visit in Ashland—Mr. and Mrs. Headrick Baughman from Klamath Falls visited Monday with their parents.

Daylight is getting more plentiful but it's still a good idea to use all of it.

**HOW IS YOUR HEALTH?**

The Cassel Brothers Chiropractic Clinic announces a special clinic to be held in their offices

**Friday - Saturday - Monday**  
MARCH 21, 22, 24

The newest type of diagnostic instrument, the HEMOVITAMETER, the only one of its kind in Southern Oregon, will be used during the clinic.

The HEMOVITAMETER scientifically diagnoses your condition, finding WHAT, WHERE, and HOW SERIOUS your ailments. No clothing removed.

The HEMOVITAMETER reveals the foods you should eat. It tells the exact food element you lack to help maintain the normal mineral balance of your body. This one feature alone is worth more than the price of the examination.

During This Clinic You Will Be Given the Regular \$5 Examination for \$2
