TWO CENTS BUSHEL CHICAGO, March 26 (A) today to the highest levels of

WHEAT SHOOTS UP

At one time May wheat sold at 90 cents, highest for any fu-tures here in four months and within a fraction of the best

price quoted since last May. Buying of wheat as well as corn, which advanced about a cent to new highs for the sea-son, was associated with strength of other commodities. Talk

of other commodities. Talk about possibility of higher loan rates for the new crop, revival of inflation gossip and fair flour demand were bullish factors.

Wheat closed 1-12c higher than yesterday, May 598-1c, July 871-87c; corn 1-1c up, May 66c-651c, July 66-661c; oats ic off to ic up.
