

James Roosevelt To Marry Nurse

LOS ANGELES, April 10 (AP)—James Roosevelt, eldest son of the president, and Romelle Schneider, who nursed him through an illness in 1938, applied for a license to wed. He gave his age as 33. Miss Schneider said she was 25.

Roosevelt said the marriage would take place next week, that it would be a quiet, home ceremony, and that the date,

possibly next Tuesday, was dependent upon his mother's arrival here. He said he had learned that, as a captain at the United States marine base at San Diego, he was not to be transferred from there, "so we decided to be married as soon as possible."

LABOR AGREEMENT

PORTLAND, April 10 (AP)—Registered pharmacists and 18 Portland drug store owners signed their first labor agreement yesterday, C. W. Kemp,

union secretary, announced. Wage increases of 10 to 15 percent and a week's vacation with pay were stipulated, he said. A 48-hour week will prevail in the future for men who had worked as much as 70 hours, he added.

BACK IN ENGLAND

LONDON, April 10 (AP)—Foreign Secretary Anthony Eden and General Sir John Dill, chief of the British imperial general staff, have returned to England, it was learned today.

FUNERAL

BENJAMIN FRANKLIN WATAH

The funeral service for the late Benjamin Franklin Watah, who passed away at the Klamath Agency on Tuesday, April 8, will take place from the Watah residence in Plute Camp on Saturday, April 12, at 1 p. m., the Rev. B. V. Bradshaw of the Beatty Methodist church officiating. A morning service will be observed commencing at 10 a. m. Commitment serv-

ice and interment in the Plute cemetery. Friends are respectfully invited to attend. Ward's Klamath funeral home in charge of the arrangements.

United States embassy announced today it is taking over provisionally Yugoslav interests in Italy.

FARM WHEAT

Approximately 840,000,000 bushels of wheat a year have

been grown on the 1,200,000 farms in the United States, according to the department of agriculture.

HUMAN BONES

Due to difference of opinion as to just what is a separate

bone, the number of bones in the human body is estimated at between 206 and 270.

The college of William and Mary, Williamsburg, Va., is the second oldest college in the United States.
