SMITH AND JOE HORSLEY, constituting the Board of Directors of Horsely Irrigation District, for a judicial examination and judgment of the above named Court as to the regularity and legality of the proceedings of the Board of Directors of said district in adopting a resolution authorizing and directing the issuance and sale of bonds of said district in the sum of \$32,500.00 and providing for the terms and maturities thereof, for the purpose of refunding present outstanding indebtedness of said district, and for the further purpose of a judicial examination and judgment of the above named Court as to the regularity and legality of the proceedings of said board in authorizing the execution, for and on behalf of said district of a contract with Reconstruction Finance Corporation, for the sale of said corporation and the purchase by it of all or a part of the aforesaid bonds and a judicial examination and judgment of said Court as to the legality of such bonds and said contract as aforesaid; and further, for a judicial examination and judgment of said Court as to the right and duty of said irrigation district to levy each year, until said bonds have been paid in full, the necessary assessments provided for by said bond resolution and contract for the purpose of paying the principal and interest of said bonds.

To Horsely Irrigation District of Klamath County, Oregon, and to all freeholders, legal voters and assessment payers within said district:

IN THE NAME OF THE STATE OF OREGON:

You are hereby notified that Benson Dixon, Jerome E. Smith and Joe Horsley, constituting the Board of Directors of Horsely Irrigation District, a municipal corporation and irrigation district within Klamath County, Oregon, have filed in the above-entitled Court a special proceeding for the purpose of having a judicial examination and judgment of said Court declaring and decreeing that Horsely Irrigation District is an irrigation district duly organized, acting and existing under and by virtue of the laws of the State of Oregon.

That at all of the times and dates mentioned in said petition, the said petitioners, and each thereof, was and now is a duly elected, qualified and acting director of said district and constituted the Board of Directors of said district; that at all of said times and dates Benson Dixon was and is the duly appointed, qualified and acting President of said district, and that at all of said times and dates Dorothy J. Evers was and is the duly appointed, qualified and acting Secretary of said district.

That the resolution of the Reconstruction Finance Corporation dated May 24, 1940 and the resolution of the Board of Directors of Horsely Irrigation District dated September 3rd, 1940 constitute a lawful contract between said Reconstruction Finance Corporation and said Horsely Irrigation District and is a lawful contract on the part of said Horsely Irrigation District, and that all matters and things connected therewith and all proceedings of said Board of Directors and said district with relation thereto have been duly and regularly held and had in the manner and as provided by law, and that the execution of said contract on the part of said district has been regularly and duly authorized.

That all of the proceedings of the Board of Directors of said district authorizing and directing the issuance of refunding bonds of said district in the amount of \$32,500.00 for the purpose of refunding present outstanding indebtedness of said district in the form and as set forth in the resolution Exhibit "D" to said petition and said contract set forth in Exhibit "A" and "B" to said petition and all matters and things connected therewith and all of the proceedings of the Board of Directors of said district with relation thereto have been duly and regularly held and had in the manner and as provided by law, and said bonds with said maturities and in the form and tenor therein set forth are regularly and legally authorized, and when executed and issued by said district and delivered to said Reconstruction Finance Corporation as provided in said contract as so modified as aforesaid, will be the legal and valid obligation of Horsely Irrigation District without any advertisement or public sale thereof.

That pursuant to said contract as aforesaid and said resolution, the said Horsely Irrigation District is in duty bound to levy each year the assessments therein provided for, for the purpose of paying principal and interest upon said bonds; that said right and duty continues until said

bonds and all accrued interest thereon have been paid in full, and that said contract and said bonds when issued and negotiated as aforesaid shall constitute valid and enforceable obligations of said district, and further, all freeholders, legal voters and assessment payers within said district and all parties in interest and said district and all parties in interest and said district itself be forever barred and concluded from disputing, contesting or questioning the validity or legality of any of the foregoing proceedings or of said bonds and contract and any assessments hereafter levied pursuant thereto, and that the petitioners have a decree for such further relief as may seem equitable to the Court.

This notice is served upon you pursuant to an order of Hon. David R. Vandenberg, Judge of the above-entitled Court, made April 10th, 1941, by publication of this notice once each week for three successive weeks in The Evening Herald, a newspaper of general circulation published in Klamath County, Oregon, the last of said publications to be made on the 25th day of April, 1941, and the jurisdiction of the above named Court in the above matter will be complete ten days after the completion of publication.
