Evans of Salem included two solos by Mrs. Howard Cole of Oregon City, accompanied by Mrs. Walter Ficus at the vibraharp and Fern Nutting at the piano. Two numbers were sung by the Klamath Falls convention chorus.

Attendance Good
Those in charge of the convention reported the schedule running smoothly, an excellent attendance at all conferences and meetings, and the Methodist church was packed Thursday night as the 51st Oregon State Christian Endeavor convention opened with State President Marjory Boon presiding.

Elections Saturday
Friday night's state executive committee dinner was followed at 7 o'clock by a pre-prayer service in the high school with Mickey Pearson, leader. The convention assembly at 7:30 p. m. was one of the largest gatherings on the program.

Election of officers will highlight Saturday's program, and precede the big parade through the business district after 2 p. m. The big banquet, where 1000 are expected to be seated, is slated for 6 p. m. in the high school gymnasium with Veldon Diment, master of ceremonies.

The convention will close Sunday night following a general assembly in the high school auditorium, with Dr. Stein speaking on "Christ Calls to Life's Most Thrilling Experience."

There is a separate junior convention program for both Saturday morning and afternoon, with Letha Limbocker, state junior superintendent, presiding. Theme of the junior convention is "Trust and Do," and the place, Klamath temple.

The Methodist church was

packed Thursday night for the opening meeting.

The dedicatory prayer was offered by Rev. Chester P. Gates of Portland and Seattle. J. Claude Neely leading service of song. Mayor John Houston expressed the welcome of Klamath Falls and presented the president a floral as well as a rhetorical bouquet. A worship service, led by Albert Paget of Eugene, featured a selection on the Vibraharp by Mrs. Walter Ficus of Eugene and a solo, "The Lord Is My Shepherd," by Dean Stevens of Klamath Falls. The convention chorus, directed by Charles Stanfield, music teacher of Klamath Union high school, rendered two numbers: "The Old Rugged Cross" and "Peace I Leave With You." The convention announcements were made by Veldon Diment of Newberg, former president of the state union.

who urged George Washington to quit because he could not win against the British. He advised reporters to read what Thomas Paine had written on the advisability of quitting.

Mr. Roosevelt was sharply critical of those Americans who, he said, have taken the attitude that the dictatorships will surely be victorious.

This, he said, is not good Americanism. And it is a dumb attitude, he added.

Mr. Roosevelt declared he was "agin" dictators—that everybody was—and that America was willing to fight for democratic processes. He said he, for one, could not lie down before dictatorships.

His remarks were prompted by a question whether he would amplify his remarks at a press conference Tuesday that the American people are not aware of the gravity of the situation.

The stubborn three-day stand of Australian and New Zealand troops at Thermopylae, which they had converted into a mountain-walled fortress, was acknowledged to have given the British expeditionary force an opportunity to make good "the latest British Dunkerque."

The British rear guard abandoned its artillery in its retreat but it was admitted the British had succeeded in transporting "a majority of their troops" and a considerable part of their tanks and other materials either to Crete or Egypt.

Italian Press Says U. S. Convoys Would Be Attacked if Used

ROME, April 25 (AP)—The representative fascist newspaper, Il Popolo di Roma declared today that Italian and German submarines would attack United States convoys to Britain if Washington went so far as to send them across the Atlantic.

The newspaper called President Roosevelt "an astute fox, for that he is" and said he had convoked his "war cabinet" to bring pressure on it for extension of patrols to mid-ocean to save his "war policy" from "violent popular demonstrations against war."

"Who knows if Roosevelt will stop with this or will give a new tightening to his war mania?" Il

Popolo di Roma asked. "The next few days will tell."

Stefani, the official news agency, said that Senator Wheeler, the non-interventionist leader, had reported threats of his life for opposition to President Roosevelt and said this showed "the typical gangster system made popular by Hollywood movie productions."
