Increase in Food Stamp Fund Voted

PORTLAND, April 26 (AP)—The Oregon welfare commission voted yesterday to increase a state food stamp revolving fund from \$100,000 to \$200,000. The action was urged so that the fund could be used before counties are ready to participate in a new financing system established by the legislature. The fund should be made permanent, instead of requiring counties to provide 50 per cent of the money, Chairman J. H. Luhn said. The Mother's boys' home in Salem, previously denied a license by the commission, has closed and its proprietor has gone to California, Administrator Elmer Goudy reported. The home's rummage sales in Eugene and Salem had aroused controversy.

Flowers Grow Between the Rails at This Oregon Car Stop

Something new under the sun is this streetcar hot-house, created by Rosa Helena in Portland, Ore., where she has a thriving florist business started with one plant, one streetcar. Today she has thousands of plants and is thinking of getting more trolleys—they are novel and get plenty of sun, she says, as she rings up sales as the conductor once rang up fares.

British Declare German Battleship Seriously Damaged

LONDON, April 26 (AP)—The 26,000-ton German battleship Scharnhorst is "believed" to have been put out of commission "for some months" and her mate, the Gneisenau, also has been damaged in recent British raids on Brest, the Press association, a British news agency, said Thursday.

"There is reason to believe that during the intensive RAF raids at Brest both the Scharnhorst, which was in drydock, and the Gneisenau were hit by bombs," the Press association said.

The air ministry said direct hits also were scored on an important power station at Ibbenburen in northwest Germany in a daylight attack Thursday.
