'KID' PARTY HELD AT SCHOOL GYM

TULELAKE—Short skirts and ruffles, baby bibs and rompers, and animal crackers and ice cream cones helped make the "kid" party given by several mothers of the senior class a decided success Tuesday night. The class members of the faculty and their wives and husbands gathered in the high school gymnasium for several hours of fun with Mrs. Jess Brown, Mrs. Karl Gentry, Mrs. Hathaway Buell, Mrs. Clyde Barks, Mrs. Frank Jones, Mrs. Sarah Welsh, Mrs. W. G. McClymonds, Mrs. Coulson, Mrs. Waldin and Mrs. Bentley as hostesses.

Invitations were clever bits of poetry written for 10-year-olds. A fish pond, unusual little folks' games and Madame Bombaza, a gypsy fortune teller who proved to be Mrs. Welsh kept the entertainment moving. Hot dogs and ice cream cones kept the children happy. Forty guests attended. The best costumed guests were Maxine Barks and Conrad Shultz.

This award is given annually to a member of the senior class who has done outstanding work in school activities. Oregon's Own and Only Sugar

TELLS A "WHOPPER" OF AN OREGON FISH STORY!

HERE'S an Oregon fish story that's no "fish-story"! Fish is big business in Oregon—annually worth over \$8,500,000. Astoria—for years known as the world's Chinook Salmon packing center—last year packed over 500,000 cases; gave employment to over 25,000 men; let over 7 1/2 million new dollars into circulation. Coos Bay, too, is an important fishing center, with an income in 1940 that exceeded a million dollars. Look at it any way you like—8 1/2 million dollars makes a whopper of a fish . . . enough for a big "slice" for everyone in Oregon!

Oregon's Own and Only Sugar is important to Oregon, too! Last year it brought approximately five million dollars of new wealth to Oregon sugar beet farmers, farm and factory workmen, transportation agencies, and state and local taxing units. Yes! Oregon's sugar creates more prosperity for everyone in Oregon!
