

Awards Given to Many Youngsters At Annual "Days"

During the past two weeks, 4-H Achievement days have been held in every community in the county where 4-H club work is carried. In some communities they have been combined with the regular all-school Achievement day; on other occasions 4-H achievement awards have been presented during the graduation program, or as a strictly 4-H Achievement day.

Achievement day is looked forward to and planned as a definite part of the yearly club program by 4-H members and leaders. The idea of Achievement days is as old as 4-H club work itself, dating back to 1914, when the Smith-Lever act, creating 4-H club work, was passed by congress.

Achievement days are staged for the purpose of giving public recognition to achievement in leadership and in 4-H club progress. Voluntary local leaders, who have successfully completed their first year of 4-H club leadership, are presented with first year leadership pins in recognition of their voluntary community services. Pins are presented to boys and girls who have completed their first year of 4-H club work. These pins are presented in behalf of the state department of education as the department's contribution towards encouraging boys and girls in this worthwhile educational program.

Third and fifth year pins are presented to those boys and girls who have successfully completed three and five years, respectively, in 4-H club work. These pins are presented by the First National Bank of Portland through their Klamath Falls and Merrill branches, and have been presented this year by George McIntyre of the Klamath Falls branch and Don Say of the Merrill branch.

Recognition of the successful completion of other successive years of club work is through the presentation of achievement certificates. Three members in the county have completed their ninth year of club work. They are Ray Jones of Altamont, Zella Sullivan of Olene, and Bill Waldrip of Merrill.

Boys and girls may start their club work at nine years of age and carry projects until they are 21, thus the highest achievement award available to club members is for 10 years of consecutive progress.

Eight year certificates were presented to the following: Margaret Lewis of Altamont, and Nona Masten, Eris Fleming, Francis Sullivan and Barbara LaPrarie of Henley.

Another feature of the 4-H Achievement day is the presentation of 4-H summer school and summer camp awards. These scholarships having been won by club members as premiums on their exhibits are thus presented in recognition of perfection and quality of workmanship in their chosen field.

It was five years ago that the first summer school and summer camp scholarships were awarded as premiums at the fairs in place of the former small cash award system which had been followed for many years. These scholarships afford the winners an educational trip to one of these events, and thus add to the value of the 4-H spring fair.

Fifty-five scholarships to the 4-H summer school, 69 to summer camp, and 109 one-half scholarships to summer camp were presented to club members at Achievement day this spring, some of which were presented at every Achievement day program. These scholarships are also presented at Achievement day by organizations such as granges, PTA's, local club scholarships and organizations such as Sears, Roebuck and company, who this year are furnishing 10 scholarships to summer school including board, room, tuition and railroad fare. The following is a list of achievement awards presented to club members at Achievement days throughout the county this year, starting with the first year:

Aching Feet
Get Amazing Relief
Go to any good drug store today and get an original bottle of Moore's Eczema Ointment. The very first application will give you relief and a few short treatments will thoroughly soothe you that by sticking faithfully to it for a short while longer your foot troubles may shortly be a thing of the past.
One bottle we know will show you beyond all question that you have at last discovered the way to relief and comfort. Moore's Eczema Ointment is a clear, powerful, penetrating oil that does not stain or leave a greasy residue—it must give complete satisfaction or money cheerfully refunded.

FALSE TEETH
That Loosen Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not stain. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.

HAPPY RELIEF FROM PAINFUL BACKACHE
Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tight kidneys—and may be relieved when treated in the right way. The kidneys are nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 quarts a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with stinging and burning sometimes shows there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
