## STOCKS IGNORE WAR NEWS FOR MARKET RALLY

NEW YORK, June 3 (AP)—The stock market generally ignored the war news and other bearish factors today and whipped up a rally that lifted industrial leaders fractions to 2 or more points.

Transfers of around 400,000 shares compared with about 255,000 yesterday. Brokers attributed the comeback partly to a few inflationary tremors among speculative forces and to the reinstatement of some commitments on the theory there was a good chance for a worthwhile recovery in view of the fact depressing developments abroad lately had brought out only a mere dribble of offerings.

Stocks tacking on 2 points or so in the early upward trend included American Telephone, Du Pont and Westinghouse.

Among lesser gainers were Bethlehem Steel, Chrysler, General Motors, Cerro de Pasco, Great Northern, Western Union, Kennecott, American Can, Air Reduction, J. I. Case, General Electric, Dow Chemical, Montgomery Ward and Eastman Kodak. International Paper preferred posted a new 1941 high.

## WOOL MARKET

BOSTON, June 3 (AP-USDA) Domestic wools were rather quiet while scattered sales were being closed on spot Australian and South American wools. Prices were steady compared with last week on foreign wools. Bright fleece wools of three-eighths and quarter blood grades were being offered from the country more freely than last week at prices around 46 cents in the grease, delivered to users. Mills are showing little interest in these offerings. Territory and Texas wools were mostly very quiet but quotations were unchanged.

## NEGOTIATIONS

PORTLAND, June 3 (AP) — AFL Warehousemen continued negotiations with the Portland Produce association for a contract affecting eight warehouses here today. The union demands a 40-hour week in place of the current 43 1-3 hours and a 10 per cent wage increase.

## NEW PRESIDENT

FOREST GROVE, June 3 (AP) Pacific university installed Dr. Walter C. Giersbach as the tenth president in its 92-year history yesterday.

## BODY FOUND

ASTORIA, June 3 (AP)—Identification was sought today of a man found floating in the ocean outside the Columbia river mouth. Coroner Forrest Ginn said his clothing was that of a seaman.

## War Helps Oregon Seed Industry

GEARHART, June 3 (AP)—The European war, cutting off imports, enabled the infant Pacific coast seed industry to expand rapidly. A. E. Engbretson, Astoria, said here yesterday. The president of the Pacific States Seedmen's association told delegates at the annual convention that as a result the west coast has been enriched by a new income. R. A. Miksche, Medford, president of the Tri-State Seedmen's association, reported on that newly-formed organization today.

## Sport Briefs

By EDDIE BRIETZ  
NEW YORK, June 3 (The Special News Service)—Arthur Donovan was all set to referee Lou Nova-Jim Robinson Friday night in Minneapolis. But the papers put on the old blast and promoter Tommy O'Loughlin changed his mind quicker than it takes to say so here. Billy Conn won't get far with his petition to have a Pittsburgh-made glove used in his Yankee stadium title fight with Joe Louis. Hard to believe, but Buck Newsom has failed to last nine innings in 10 of his 11 starts this year.

## OVERHEARD

A guy walked into a Brooklyn hotel where several of the Dodgers stop and inquired of the clerk, "What did them bums do today?" Kirby Higbe, playing a juke box nearby, replied, "We won."

## ANYWAY, IT WAS DELAYED

This info came trickling yesterday over the baseball ticker. "Chicago at Philadelphia delayed, umpires late." Then this correction, "Chicago at Philadelphia now delayed account rain. (Umpires arrived)." Sports Cocktail

## MILL PURCHASES SHOVE WHEAT UP

CHICAGO, June 3 (AP)—Purchases by flour mills imparted strength to a lagging, advanced market today and prices advanced as much as 2 cents a bushel. Millers were reported buying in Kansas City and the brick run in prices there was a factor in the Chicago advance. Other grains were fractionally higher in sympathy with wheat. The higher prices were scored after the trade had digested private crop estimates indicating a 1941 wheat crop far in excess of previous estimates.

Wheat closed near the day's peak levels and 14-2 cents higher than yesterday's finish, July 98-97 1/2c, September 99 1/2c, Corn 1-4c up, July 73 1/2-74c, September 75 1/2-76c, Oats were mixed and 1/4 cent off to 3c up, Rye 1c down to 1c higher, and Lard unchanged to 2c up.

## FIDUCHIA FALLS TO MITTS OF BLACKSHEAR

SAN FRANCISCO, June 3 (UP)—Harold Blackshear, San Francisco heavyweight, scored a technical knockout against Freddy Fiduchia, Newark, N. J., in the seventh round of a scheduled ten-round fight here Monday. The fight was stopped when, after coming out of a clinch, Fiduchia's left eye was badly cut. A boxing commission physician who stepped into the ring to examine the injured fighter ordered the bout halted.

## U. S. Rifle Matches Not to Be Held

COLUMBUS, O., June 3 (AP)—One of the country's top-flight sports events—the National Rifle matches—dropped from the 1941 calendar today with announcement that Camp Perry would not be available for the three-week carnival beside Lake Erie. The National Rifle association announced that the army's 30-caliber division of the classic would be cancelled, due to the national defense program, definitely limiting the 1941 competition to the small bore and pistol classifications.

Times: "The noted pitching staff of the Indians took a hammering over a recent stretch, but Manager Peckinpaugh still has a Feller when he needs a friend."

WHAT GOES ON? Just take a look at those American league club batting averages. . . . Yep, the Athletics are roosting up there on top and the Yankees are wallowing on the bottom. . . . Verily, the old order changeth.

## Oregon Sports Notes

By FRED HAMPSON  
Associated Press Staff Writer

Whatever the University of Oregon backfield may lack next autumn, it apparently will not be speed. At this juncture the Ducks promise to be of the winged species, no waddle. There is a lad named Jack Leicht who comes into varsity maturity. He is a transfer from Pasadena Junior college and, from all reports, has passed the Albertson scrutiny. He ran the 100-yard dash in 9.8 seconds and the 220 in 22 seconds. He is credited with 9.6 and 21.2 in the two dashes but either sets of times will do.

Leicht has yet to prove that he can use his speed on the gridiron, of course. Track and football require different kinds of velocity and most cinder speedballs have been too fragile for football. But there are enough exceptions to make Leicht an interesting person to speculate upon. Tex Oliver can start tutoring him with the comfortable knowledge that nobody will tackle him from behind.

Curt Meacham, Ken Oliphant, Tom Roblin, Frank Boyd and Roy Dyer are other Oregon backs whose tempo is not adequate. They can't break 10 flat in the 100 but they all can get after it.

Then there is much-advertised Jimmy Newquist, the flash, the thunderbolt, the greased galleon (and any other superlatives you can think of) from Camas. From the Washington neighborhood of his origin, they vow Newquist combines the best features of Grange, Wilson, Winged Mercury and Twenty-Grand. In a few unfurlings as an Oregon freshman he shone brilliantly. He has been okeked by Atherton, he has added left (current figure 193 pounds) without losing speed, and has picked up confidence.

Gene with the draft will be at least half a dozen southern California footballers next autumn. Bob Berryman, Mickey Anderson and Bob Robertson have been called. All were considered Grade A backs for 1941. Five Trojan sophomores have joined the air corps to beat conscription.

Don Means and Jack Stackpool probably will be lost by the Washington varsity.

## Two Texans Favored in National Open

FORT WORTH, Tex., June 3 (UP)—Texans today believed a native son was a shoo-in for the national open golf championship. The tournament starts Thursday over the Colonial Club course and the betting commissioners, who never let their hearts rule their heads while turning a few dollars, are in agreement with the Texans.

The two home town boys—Byron Nelson and Ben Hogan—are being held at the extremely short odds of 5 to 1.
