WHEAT FALLS BACK AFTER EARLY GAIN

CHICAGO, June 4 (AP)—After chalking up gains of more than a cent a bushel, wheat prices today lost all of the advance during the last hour.

The setback was due to profit taking, attracted by an upturn of 5 to 6 cents so far this week, and selling touched off by outstanding weakness of soybeans. Earlier in the session mill buying helped to lift prices and there were reports from the southwest that rain had flattened wheat and given rise to fear of rust spread. Flour business so far this week was reported on a good scale and many dealers were showing concern because of uncertainty as to how much "free" grain will be available in the commercial trade due to the loan and marketing quota program.

Wheat closed unchanged to 1c lower compared with yesterday, July 27 1/2c, September 99-99 1/2c; Corn 1-1/2c down, July 73 1/2c, September 74 1/2c; Oats unchanged to 1c higher. Soybeans finished 1 1/2c lower, being weakened by reports of increased plantings in some areas.

WOOL MARKET
BOSTON, June 4 (AP)—Spot Australian and South American wools were receiving a moderate but spotty demand today at steady to firm prices. New offerings of South American wools mostly in small quantities were having a steady demand for future shipments. New business in domestic wools was mostly very slow. Current Texas wools were being covered largely by deliveries of wool bought on contract and of wools purchased for delivery from early shorn clips.

Among the citations which comprised the lesson-sermon was the following from the Bible: "Then was brought unto him one possessed with a devil, blind and dumb; and he healed him, insomuch that the blind and dumb both spake and saw. But when the Pharisees heard it, they said, This fellow doth not cast out devils but by Beelzebub the prince of the devils. And Jesus knew their thoughts and said unto them, Every kingdom divided against itself is brought closer to desolation. But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you." (Matt. 12:22, 24, 25, 28).

The lesson-sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is neither place nor opportunity in Science for error of any sort. Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness and death by the power of Spirit, as Jesus destroyed them." (p. 232).

WELFARE FUND FOR CHILDREN REMAINS SAME

WASHINGTON, June 4 (AP)—Oregon's allotment of federal funds for child welfare services and maternal and child health work during the next fiscal year will be approximately the same as during the year ending next June 30, on the basis of reports to the house appropriations committee by the social security officials.

The state's federal aid for crippled children, a committee report made public today showed, will be less during the next year than it was this year.

Including the uniform allotment of \$20,000 to each state, Oregon's 1942 grant for maternal and child health services was estimated by the department at \$29,968, exclusive of funds apportioned on the basis of each state's financial needs after the state has submitted its plans for services for federal approval.

The current year allotment, exclusive of \$24,843 allotted after the state plan was submitted, was \$64,043.

For services to crippled children, the department estimated Oregon's allotment for next year at \$12,776, exclusive of the annual allotment to be determined after the state has submitted its own plans based on the number of crippled children and the cost of furnishing them service. The current year allotment, exclusive of \$33,403 from the latter apportionment, was \$65,352.

For child welfare services, Oregon 1942 allotment was estimated at \$19,405, compared with \$18,329 this year.

For aid to dependent children, Oregon's 1942 federal allotment was estimated at \$452,000, compared with an estimated 1941 allotment of \$428,000.
