drinking of beer and of tea and the it, therefore martyrs are scarce, smoking of tobacco. His facts all fall When a woman save she doesn't care comfortably into their places in sup what her neighbors think it is a sign women, and do not men consume more | Herald. the women? Again, suicide is more common in England than in Scotland, success in two words shard work. He put meat, more beer and more tobacco than not apparently because the Scotch are a more canny race, but because the English eat more meat and drink more beer, while the Scotch cat less meat and drink whisky instead of beer. After maintaining that suicide was less haps hardly polite, when addressing and literary persons. a Scotch audience, to go on to say that suicide increased with civilization. But the fact was explained on the ground of more injurious diet, that of civilized man being more productive of urle acid and thus of suicide than that which prevails where civilization is

less advanced. Uric acid is, in fact, at the bottom of all this, and, according to Dr. Halg, the incidence of suicide tallies with the daily, annual and life fluctuations of uric acid in the blood, being commonest when aric acid is most abundant, namely, in the mornings, in spring and summer and in childhood and the full prime of life. We have no doubt that errors of diet other things, for a certain number of admit that unsultable diet, derangement of the proper relation between nutrition and waste and the conseblood with abnormal products of metabolism have much to do with that hetemper and discontent which lead men to lay their hands violently upon their neighbors and sometimes on themselves. All this may be taken for granted, but it is at present far from

Mrs. Mathilde Richter, Doniphan,

"I suffered from catarrh for many years, but since I have been taking Poru-na I feel strong and well. I would advise all people to try Pe-ru-na. As I used Pe-ru-na and Man-a-lin while I was passing through the change of life, I am positively convinced your bene-

Pe-ru-na has raised more women from beds of sickness and set them to work again than any other remedy. Pelvic catarrh is the bane of womankind. Peru-na is the bane of catarrh in all forms and stages. Mrs, Col. Hamilton, Co. Women journalists in the United lumbus, O., says: "I recommend Pr.

especially beneficial to them." Send for a free book written by Dr. Hartman, entitled "Health and Beauty." Address Dr. Hartman,

of the lowers. Catarrh is the only correct name for these affections. Pe-ru-na is an absolute specific for these allments, which are so commes in summer. Dr. Hartman, in a practice of over forty years, never a free copy of "Summer Catarrh."
