Trans-Pacific Cable.

Washington, Jan. 11 .- The house ommittee on commerce gave a hearing ble of self-government, and quoted today to Messrs. Schrymser and Bay-

General Otis' report to show that they lies, president and vice-president of the Pacific Cable Company, of New York, There was no session of the house relative to the laying of a trans-Pacific cable. Mr. Baylies contended that the

cable should be maintained under private ownership. The plan of his cable, as outlined, was for a line to Honolulu, Midway islands, Guam and Luzon, with a branch line from Guam to Japan, a total of 8,285 miles. Admiral John Irwin (retired) and Francis B. Thurber, president of the American Export Association, spoke in favor of private ownership of cable routes. The evening receptions at the White Hou ing of government officers relative to the cable.

Badly in Need of Better Eyes

New York, Jan. 11 .- A dispatch to the Herald from Berlin says: The Ber- and navy, and a contingent of resider liner Tageblatt learns that the Bundersrath and the General carried to East been issued. The east room was de Africa machinery for a larger distillery. Part of this was a large wroughtiron tube, of large diameter, which probably was mistaken for a cannon.

New York, Jan. 11 .- A dispatch to the Herald from Brussels says: The

Boers played an amusing trick on the English at Ladysmith. The latter think they destroyed the creusot cannon 'Long Tom." The truth is that the Boers removed the cannon and substituted a trunk of a tree, which was smashed by British shells.

Dewey's Bounty Claims.

Washington, Jan. 11 .- The claim of Admiral Dewey and the officers and the president that he look into the matwho was reported to have originated men of his squadron for bounty arising ter at once and give the committee the Transvaal aid campaign, had his out of the destruction of Montojo's fleet fine sloop bored and scuttled at het in Manila bay was argued before the

are offering substantial rewards for the at issue was the total amount of the bounty to be paid. The contention of the claimants was that the force of the enemy was superior at Manila bay.

Prussian Diet Opened.

Berlin, Jan. 11 .- At the opening of the diet today. Prince Hohenlohe imperial chancellor, read the speech from the throne, wherein it was shown that the finances of Prussia are in a satisfacround, when the negro was staggering tory condition. The speech concluded with promising the greatest possible attention to the interests of agriculture.

Repatriation of Spaniards.

Washington, Jan. 10 .- The secretary of war has sent to congress a request for an urgent deficiency appropriation of \$750,000, to supplement the \$1,500,000 heretofore appropriated for the repatriation of the Spanish prisoners and their families, held by the insurgents in the Philippines, from the islands to Spain, in accordance with the treaty of peace.

A regiment of Iowa Dutch will the Boers.

ast from Novetel toward Botangas Last night, Nolan's squadron of t Eleventh cavalry drove a body of inst gents from Naic. One American w killed and two were wounded. Th

teen dead Filipinos were found. The movement largely resembl General Schwan's experience in t same country, except that the tow are now being garrisoned, and that t insurgents refuse to fight, retreating southward and dividing into sma bands, with the apparent intention reassembling later. The plan of cate ing a large number between two ba gades has failed. About 100 insurgen have been killed, but comparative tew arms have been taken.

The region is full of amigos, w doubtless have been bearing arm which they have hidden. The wom and children remain in their home and the insurgents, as they fall bac release all the prisoners they have ca tured.

White House Reception.

Washington, Jan. 12 .- The reception to the diplomatic corps, the first of th committee fixed January 23 for a hear- this season, was held tonight from 9 11 o'clock, and was well attende Invited guests to meet the guests the evening were the members of th cabinet, of both branches of congres the supreme court, officers of the arm society. About 2,000 invitations h orated in its usual beautiful and appr priate manner. The conservatory thrown open and the Marine ba played during the evening. Preside and Mrs. McKinley received the guests in the blue parlor.

Appeal to the President. Pittsburg, Jan. 13 .- Pursuant to t order of the general assembly of t Presbyterian church in the Unite States, the permanent committee on 60 tons of freight consis temperance has prepared a communication to President McKinley against the sale of liquors in new territory, and this paper will leave Pittsburg tomorrow for Washington with a prayer to some recognition of its action.

A London dispatch says that there is reason to believe that the United States and German embassies are trying to find some common basis on which they can co-operate in pressing their respective demands against Great Britain for the Delagoa bay seizures.

General Schwan's column, advancing to the south of Luzon, occupied Ninan. One American was killed and three wounded. Nine of the enemy's dead were found on the field after the fight. A number of rifles were captured and several prisoners were taken.

Sold Confederate Money.

Chicago, Jan, 12 .- On the unusual charge of dealing in confederate money, F. M. Davis, who conducts a general mail-order business in Monroe street, was arrested today by government offi-cers and held to the federal grand jury by United States Commissioner Humphrey. It is alleged that numerous complaints have been received against Davis for sending counterfeit money to all parts of the country. Bills representing \$10,000 were found in his place of business
