An Invitation to Women

All the world knows of the wonder-ful cures which have been made by Lydia E. Pinkham's Vegetable Com-pound, yet some women do not realize that all that is claimed for it is absotape" which to the ordinary mind siglutely true. If all suffering women could be made

to believe that Mrs. Pinkham can do all she says she can, their suffering would be at an end, for they would at once profit by her advice and be

There is no more puzzling thing than that women will suffer great pain month after month when every wo knows of some woman whom Mrs. Pinkham has helped, as the letters from grateful women are constantly being published at their own request.

The same derangements which make painful or irregular periods with dull backaches and headaches, and dragging-down sensations, presently develop into those serious inflamma-tions of the feminine organs which completely wreak health. The same derangements which make completely wreck health.

Mrs. Pinkham invites women to write freely and confidentially to her about their health and get the benefit of her great experience with the suf-ferings of women. Pinkham's Vegetable Compound for absolute cures of female fils. Mrs. Pinkham's address is Lynn, Mass. 9

Three Letters from One Woman, Showing how She Sought Mrs. Pinkham's Ald, and was oured of Suppression of the Menses and inflammation of the Ovaries.

"DEAR MES. PINKRAM-I have been in bed a year. Doctors say I have female weakness. I have a bad discharge and much soreness across my ovaries, bearing-down pains and have not menstruated for a year. Doctors say the menses will never appear again. Hope to hear from you."-Mas. J. F. BROWN, Holton, Kans., April 1, 1898.

"DEAR MRS. PINKHAM-I received your letter. I have taken one bottle and a half of your Vegetable Com-pound, and used two packages of your Wash, and feel stronger and better. I can walk a few steps, but could not before taking your Compound. I still have the discharge and am sore across the ovaries, but not so bad. Every one thinks I look better since taking your Vegetable Compound."-Mas.J.F. BROWN, Holton, Kans., Aug. 13, 1898.

" DEAR MRS. PINKHAM-I think it is my duty to let you know the good that Lydia E. Pinkham's Compound has done me. After I took three bottles, menses appeared, and I began to feel stronger and all my pain was gone. Yours is the only medicine that ever helped me. I am able now to work around the house, something I did not axpect to do again."-Mas. J. F. BROWN, Holton, Kans., Jan. 25, 1899.
