Him as Vice-Presidential Nominee. Chicago, August 29 .- At a meeting of the l'eople's party national committee today the declination of Charles A. Towne as the vice-presidential nominee for the party was accepted, and the name of Adlai E. Stevenson was put in his place. This result was obtained after a long debate, beginning at 2 P. M. and ending about 6:30 P. M. In the beginning there were three courses advocated by different members of the committee, viz,: to nominate a Populist, to leave the place vacant, or last-

ly, to indorse Mr.Stevenson. Senator Marion Butler, chairman of the committee, in a warm speech of some length, advocated leaving the place blank, contending that Bryan and Stevenson would receive more Populist votes than if a candidate for vice president was named. While the indictment, which was very long, was being read. Bressi was apparently unmoved, and scanned the faces of the audience without any signs of fear or effrontery.
