## THE SIBERIAN TRADE

### Russia Contemplates a Duty on American Products.

### MAY GO INTO EFFECT JANUARY 1

### Pacific Coast Exporters Would Be Affected—A Matter of Deep Concern.

Portland, Or., Nov. 7.—Coast exporters who have been working up a fine trade with Siberia are somewhat concerned over the report that a much-talked-of duty on American goods entering Russian territory will be enforced after January 1. This matter has been under discussion for several years, and periodic threats of its enforcement have been heard from time to time, but thus far no decided action has been taken. The probabilities of something being done are greater now than they were on account of the new ports in the Pacific provinces being much better supplied with American goods than ever before. American lumber has been used in ties, bridges, and for other building purposes in connection with the great Siberian railroad. Pacific coast wheat, flour, oats and other provisions have also found a big market among the thousands of the czar's subjects who have swarmed into the ports of Vladivostok and Port Arthur and the surrounding country, which is being tapped by the great trans-Siberian railroad.

The levying of this duty is a matter of deep concern to this coast, as it is from these ports that most of the large shipments of lumber and flour have been forwarded, and already a start had been made in other lines. Exporters who are in touch with the situation are not disposed to discuss the matter very freely yet, and hope that the issue will be again postponed, as it has in the past; but the fact that a number of hurry orders for flour have been received by parties who are supposed to be in very close touch with the ruling powers at Vladivostok and Port Arthur, would indicate that there is more than usual cause for alarm at the present time. Russia has recently established a steamship line between Odessa and Vladivostok and Port Arthur, and if the duty is enforced, it will probably be with a view to shutting American lumber and flour out of the Siberian ports in order that the same commodities from the Black sea will be given the preference.

### COREA KING'S PRESENT.

Gifts Food and Tobacco to the Allied Forces—Situation in China.

Tongku, China, Nov. 6.—A gift of a large quantity of flour, rice and tobacco from the king of Korea to the allied forces has arrived here and been forwarded to Tien Tsin for distribution. The present was accompanied by a letter from his majesty expressing his friendship and good will to the allies, and begging them to accept the supplies. There were in all 3,116 sacks of flour, 986 sacks of rice and 2,000 boxes of cigarettes, which have been apportioned among the respective troops. The share of the Americans has been forwarded to the men at Pekin.

The gift caused considerable comment here, especially in view of the fact that the letter from the Korean ruler expressly requested that the supplies be equally distributed among the forces. This naturally includes the Japanese. Cigarettes are sought after as souvenirs.

### Outrages of the Boxers.

London, Nov. 6.—Dr. Morrison, wire-lag to the Times from Pekin, November 2, says:

"The evidence in the Pa Ting Fu trial to fix the responsibility for the massacres showed that an American lady, before execution, was led naked through the city and that her breasts were cut off. The destruction of two temples is not an adequate punishment for such inhumanity."

### Characteristics of Allied Occupation.

London, Nov. 6.—Adviser from Tien Tsin, says the Shanghai correspondent of the Times, "show that confusion, disorganization and absence of security are the chief characteristics of the allied occupation."

### New German Loan.

Berlin, Nov. 7.—It is ascertained from a source apparently reliable that another and even larger imperial loan is forthcoming. Leading financiers of Berlin and Frankfurt corroborate this statement. The cost of the China expedition, which is much more considerable than has hitherto been admitted, must be covered by such a loan.

### Transvaal Exhibit Shut Up.

New York, Nov. 7.—A dispatch from Paris to the Herald says that the exposition authorities have closed the Transvaal pavilion because Mr. Pierson, the Transvaal commissary-general, refused to remove the inscriptions insulting to England, with which the walls are covered.

The government is experimenting with a compact emergency ration for troops in active service.

### Two Killed in a Wreck.

Reading, Cal., Nov. 6.—In the wreck of a Southern Pacific freight train near Keswick today, two men were killed and three others injured. The dead are: Karl Huhtala, Mattie Ledem, Gust Sandberg. Ledem was a married man, the others were single. The accident was caused by the giving away of one of the large supporting beams. About 50 men were working in the mine at the time, but all except the three killed escaped uninjured.

## THE LANDSHIDE.

### Later Returns From the Eastern States Show no Material Change.

Alabama—The Democratic majority will be at least 40,000.

Arkansas—Enough is known to indicate a plurality of 60,000 for Bryan in this state.

California—The majority for McKinley and Roosevelt in California continues to grow and the indications are that it will reach 40,000. Complete returns from 1,574 precincts out of 2,190 out of San Francisco give McKinley 107,992, Bryan 81,248. The same precincts in 1896 gave McKinley 96,347, Bryan 91,801. The Republicans have elected all seven congressmen.

Colorado—Bryan's plurality is 35,000.

Florida—This state gives Bryan a majority of 23,000.

Georgia—This state gives Bryan a plurality of 40,000. Every Democratic congressman elected.

Illinois—Congressman William Lorimer, of the Second district, conceded his defeat this morning. The majority against him may reach 1,500. Additional returns received at Republican state headquarters from all over the state confirm Chairman Rowe in his statement that McKinley's plurality will run close to 100,000, and that of Yates for governor between 70,000 and 80,000.

Indiana—The election resulted in a plurality of anywhere from 20,000 to 32,000 to the Republican national ticket, and nine, and perhaps 10, of the congressmen, and the choice of a legislature, that will have a Republican majority of 40 on joint ballot. The 4th congressional district is still in doubt. Indiana elects all Republican congressmen except in the 2d, 3d and 12th districts.

Iowa—Returns from 86 out of 99 counties: McKinley, 266,066; Bryan, 178,548.

Kansas—On the basis of limited returns Republicans claim Kansas by 25,000 for the national ticket and 20,000 for the state ticket and the election of every Republican congressman with the possible exception of the 3d district. Republicans claim the legislature by a safe majority on joint ballot.

Louisiana—The entire six congressional districts in Louisiana are strongly Democratic. Bryan's majority in the state will be in excess of 30,000.

Maine—McKinley's majority in Maine will vary but a few hundred from 25,500, a loss of 16 per cent since 1896 and a Bryan gain of 21 per cent.

Maryland—With scattering precincts to hear from, Maryland's plurality for McKinley and Roosevelt in yesterday's election was 14,146. A solid Republican delegation to the 57th congress was elected.

Massachusetts—The complete vote of this state is: McKinley, 239,495; Bryan, 156,507.

Michigan—McKinley's plurality, 90,588. The entire congressional delegation is Republican.

Missouri—The Democrats have elected congressmen in 12 Missouri districts, and the Republicans in 14, with still two—the 13th and the 14th—to be heard from. These are claimed by the Democrats.

Montana—Bryan's plurality 18,000. Mississippi—Bryan's plurality 40,000.

Nevada—Bryan's majority is 25,000.

New Hampshire—The Republican majority in the state on both the gubernatorial and national tickets will be 18,000.

New Jersey—McKinley's plurality 52,929. Six out of eight congressmen Republican.

New York—McKinley's plurality 145,000.

North Carolina—North Carolina gives Bryan a majority of not less than 30,000. The next congressional delegation from this state will contain seven Democrats and two Republicans.

Ohio—Unofficial returns received from 83 out of the 88 counties warrant the claim of 70,000 for McKinley, and we elect 17 of the 27 members of congress, a gain of two Democrats.

Pennsylvania—Complete returns give McKinley 287,733 plurality.

Rhode Island—Official returns give McKinley, 33,821 Bryan, 19,947. Both congressmen Republican.

South Carolina—It is not considered probable that Bryan's majority will fall short of 30,000 in the state. Every Democratic congressman was elected.

Tennessee—Bryan's plurality 30,000. Utah—McKinley's majority 4,500. Vermont—McKinley's plurality 30,000.

Virginia—A recapitulation for Virginia indicates a Democratic plurality on the presidential ticket of over 30,000, and the election of the Democrats in every congressional district.

West Virginia—In a statement issued at midnight, Secretary J. K. Hall, of the Republican state committee, gives tabulated returns from every county in the state, showing McKinley has nearly 20,000 majority.

Wisconsin—The Republicans will have a plurality of at least 112,125 in Wisconsin. All the Republican congressmen are elected. The legislature is overwhelmingly Republican.

Wyoming—Returns from 174 precincts out of 309 in Wyoming give a majority of 8,000 for McKinley.

## MCKINLEY RE-ELECTED

### Sweeping Republican Victory.

### NEXT CONGRESS REPUBLICAN

### McKinley Carries New York by 150,000 Big Landslide in Illinois—Maryland, West Virginia and Nebraska in the Republican Column.

New York, Nov. 7.—It became evident at a very early hour this evening that the election of McKinley and Roosevelt was assured. The president carried the state of New York by 150,000 plurality.

As the night progressed, it only served to confirm this judgment, but the returns from Illinois revealed a like condition. The Republican plurality of 1896 was largely reduced, but it was still far too large to be overcome.

On the other hand, the returns from Indiana, Michigan, the two Dakotas, Utah and Wyoming, as well as Nebraska, seem to indicate steady Republican gains over 1896. Delaware, Maryland and West Virginia, have given decided Republican pluralities.

The count in several of the far Western states was naturally so delayed as to give little indication of the opinion there, but they had ceased to have a determining effect, and before 10 o'clock the Democratic leaders had given up the contest and it was announced that Mr. Bryan had gone to bed and was sound asleep.

The whole story was easily and briefly told. The Republican ticket would have a larger electoral vote than four years ago, but in the larger states of the East and Middle West the pluralities of 1896 had been greatly reduced. Massachusetts had fallen from 174,000 to 50,000; New York, 268,000 to 150,000; and Illinois from 142,000 to 100,000 or less.

The 57th congress seems to be Republican by a substantial working majority.

Bryan carried all the Southern states, as usual, along with Colorado, Idaho, Montana and one doubtful state, Kentucky, by a small plurality.

Doubtful states which went for McKinley are Maryland, West Virginia and Indiana, all by small pluralities. McKinley's plurality in Ohio is 75,000, in Michigan 80,000.

Nebraska, Bryan's home state, went Republican by a small plurality.

The New England states and Pennsylvania are, as usual, in the Republican column.

McKinley's plurality in Iowa is 100,000, Kansas 30,000, Minnesota 30,000.

### THE COAST.

California, Oregon and Washington all went for McKinley.

The contest was close in California, but it is expected the state will give McKinley 10,000 plurality.

Oregon gives McKinley 14,000 plurality, but few counties going Democratic.

Washington goes for McKinley by a small plurality, probably 5,000, but the state ticket is much in doubt, with the probability that Rogers, Democrat, is elected governor. The legislature will be Republican.

The electoral vote will probably be as follows: McKinley, 292; Bryan, 155.

### Distraught to Sheep and Goats.

Monroe, Or., Nov. 7.—Sheep and goat raisers in this vicinity are greatly alarmed over the abundant growth this season of the poison fungus or toad-stool. Goats and sheep seem to have a great liking for the stuff, and its poisonous qualities are sufficient to kill the animal which eats it.

### Will Be Hanged December 31.

Spokane, Wash., Nov. 7.—Edward Rice, convicted of the murder of Matt Mailey, at Wardner, Idaho, was today sentenced at Wallace to be hanged on the last day of the century, December 31. His wife was granted a divorce in Spokane today on the ground of cruelty.

### Iron Secures Flouring Mill.

Hepner, Or., Nov. 7.—At a public meeting at home Saturday evening the capital stock of the new flouring mill and elevator was all subscribed. The enterprise is to be located in a most excellent farming region.

### Rich Discovery in Curry County.

Gold Beach, Or., Nov. 7.—George Bailey, who has been prospecting on the headwaters of Johnson creek for years, recently found an old bed of porphyry that carries free gold and has sold out to a California company for \$40,000.

### Hepner Defeated Baker.

Hepner, Or., Nov. 7.—A match game of football here Saturday resulted in the Hepner team beating the Baker City team, 15 to 0. A large crowd witnessed the game and the winner was declared.

Off for New York with Mather.

Seattle, Nov. 7.—Charles E. Mather, who was arrested in this city two weeks ago on a charge of having pawned \$45,000 worth of jewels, the property of New York merchants, was today taken into custody by Detective Nugent upon a governor's warrant of extradition. Nugent left with his prisoner tonight for New York.

Senator Silveira, the premier, has made the emphatic declaration that Spain must have a powerful navy again.

## VOTE IN OREGON.

### The Plurality Against Bryan Is Still Growing.

Portland, Nov. 8.—Yesterday's additions to the returns of the Oregon election slightly increased the Republican plurality in the state—from 14,105 to 14,225. These figures are yet subject to material change, however, for they are based on unofficial reports from only 540 of the 769 precincts in the state, the results in the other precincts being estimated. The 560 precincts report votes as follows: McKinley, 40,527; Bryan, 28,180. It is estimated that the unreported precincts will add 1585 to the Republican plurality. The precincts from which no return has yet been received are the smaller and remoter ones. Probably the total vote of the state will not reach 85,000. In the precincts which have been reported there has been little attention to giving the votes of the three minor parties, and the official figures will surely show a material increase for them above the totals given this morning.

Complete unofficial returns have been received from only eight counties in the state—Benton, Clatsop, Morrow, Multnomah, Polk, Wasco, Washington and Yamhill. One precinct is lacking in Josephine and one in Linn. The last named county is something of a surprise, in that it gives a plurality for Bryan of only about 40 votes, while the Republicans had conceded that it would go Democratic by about 500. In Jackson county, with two precincts still missing, the Republicans have a few votes the best of it. Four years ago Jackson county gave Bryan nearly 1,000 plurality, and Linn gave him nearly 700.

### VOTE IN WASHINGTON.

### McKinley's Majority in that State Is 10,000.

Seattle, Nov. 8.—McKinley has carried the state of Washington by a plurality approaching 10,000, and it may possibly exceed that figure. The task of obtaining accurate returns from the state has been attended with unusual difficulties, and from many counties it has been possible to obtain only statements of majorities, actual or estimated. The Western Washington counties, except King, have as a rule given unprecedented Republican pluralities. Clark gives 600, Lewis 500, Cowlitz 545, and Pierce rolls up more than 2,000. Walla Walla, on the east side, gives 650, and Spokane 350. The congressional ticket runs well along with the presidential, and both Cushman and Jones are elected by large majorities, at least 8,000. Cushman's home county, Pierce, gave him 2,756.

Frink has been slashed in every county of the state. He loses King, Pierce and Spokane counties, and his pluralities come only from the smaller counties. Some of the southwestern counties have given him very handsome pluralities, and it looked for a time last night as if he might overcome the Rogers lead, but at midnight returns from Eastern Washington and from his own county of King seemed to make it clear that he had lost the election. It is still possible that the final returns may so reduce the Rogers pluralities as to count him in, but it does not seem at all likely that it can be done. No returns are available as to the legislature, but it is undoubtedly Republican.

### Day of Greetings.

Canton, O., Nov. 8.—President McKinley was up early this morning after a few hours' rest. An army of messengers converged in this morning, bringing congratulatory telegrams, and friends and neighbors gathered to extend their congratulations. The president breakfasted at 8 o'clock with Mrs. McKinley and then went to the library, where he ran over the morning papers and listened to the dispatches as Secretary Cortelyou picked them from the thousands received. They came from all quarters of the country and world, many being cablegrams from ambassadors and ministers abroad. All the members of the cabinet had been heard from. Senator Hanna and many of his associates of the Union Club, of Cleveland, joined in a message expressing their satisfaction. All the dispatches breathed a spirit of personal devotion to the president and a patriotic sense of the result.

### The Election in Porto Rico.

San Juan de Porto Rico, Nov. 8.—It is estimated that 75,000 Republicans voted at the election yesterday for
