"Oh, you've got my meaning, judge. One-man power is wrong when it gets beyond the individual, or the family,

say. Now, judge, we have one of these obnoxious bosses up in our block. Yes, sir, precisely the sort of fellow we've now, hot air ?- Chicago Tribune. been condemning. He tells us all how

to raise our children, makes them keep quiet when he wants them to, dictates to the women about the garbage, raises ned if a dog barks, protests if anyone wakes him up by getting home late, tells the mail man his business, censures all who have any doctor but his,

tells us when to trim our trees, and rushes to the fire marshal when any of us want to make some slight improve-

ments. "Now he knows better than you do how I feel on this one-man power business and when he rushed over before breakfast to tell me that the snow was not properly cleaned from my walk, I just turned loose and kicked him half the length of the block. He'll be out tomorrow and I want to get a warrant for him as a one-man nuisance before he can get at me for assault and battery."-Detroit Free Press.

Where He Was Weak.

Mr. Jowders looked gloomily at the letter to which he had just painfully affixed his signature, and then cast a dubious glance at his wife.

"Do you want to just run this over before I send it to son James?" he inquired; and when Mrs. Jowders shook her head, he hastily folded the sheet, which bore the marks of hours of toil, and thrust it into an envelope, which he sealed with trembling expedition, and then leaned back in his chair

with an air of relief. "I was afeard you'd want to read it, and then most likely 'twould be all to do over again, mother, like the last

one," he said. "But I'm glad James wrote he didn't mind a word misspelled here an' there. There's some things I can do, but I never could seem to get a good purchase on the system of spelling, someway.

"As I view it," continued Mr. Jowders, "there's some words you can spell by the looks, and some you can spell by the sound: them I can most gen'lly manage. But when you come to spelling by judgment and main stren'the, my chances are about as slim as they make 'em."
