HELP YOUR TOWN.

The Daily News of Norfolk, Neb., gives to the citizens of that place the following excellent advice which is appropriate in every town East or West:

It is not the site of a town but its enterprising character that makes it a desirable place to live. A live and prosperous town is a desirable one, and a town may live and prosper and yet be small.

One of the ways to help a town is to always speak well of it. It is true patriotism to stand by your town and self-interest as well. As a man who speaks ill of his own family lowers both himself and his family, too, in the estimation of others, so does a man who cares little for his town and community seldom care much for his country.

Another way to help your town is to do all you can to beautify it. Beautify your own property all you can and then do all you can to help beautify the streets.

Sell all you can and buy all you can at home. Every dollar that is sent or carried away from the town makes it that much poorer. If you have the means, invest in something that will give somebody employment. Always cheer on the man who goes in for improvement.

Don't be afraid to thrust your hand down in your pocket to help a public enterprise. More towns have been killed by such refusals than in any other way. The citizens of any prosperous town are always public spirited and united.

Stand together. Work together for the interest of the whole town; always stand ready to do your part. Don't grumble and spend your time in professing failures, but help to make every enterprise a success.

NEW ARID LAND TITLE.

There is a new land title by which the arid lands of Eastern Oregon may be located, known as the Arid Land Law. No applications have yet been presented; however, numerous inquiries have been made regarding this act and asking for information as to the proper course to take in locating land under the new title.
