FIVE MEN LYNCHED.

The following particulars of the lynching of five men at Lookout, Modoc Co., Cal., on Friday last, are given by a correspondent of Saturday's Oregonian:

The men were Calvin Hall, 72 years old, his three half-breed sons, Frank, James, and Martin, aged respectively 28, 19 and 16, and E. D. Yantis, aged 27. The men lynched had been suspected of petty stealing for some time and they were arrested for stealing barbed wire, pieces of harness and some hay forks. A search warrant was issued and the harness and forks were found in the house of Hall and Yantis, who were taken into custody and brought to Lookout, where they were being held, awaiting examination and trial.

Later, halters, dishes and table cloths which had been taken from clothes lines were found hidden on the premises of the suspected men. The charge against the elder Hall was petty larceny, hence he was allowed to go on his own recognizance. His trial was to have taken place this morning. The charge against the others was burglary, and their examinations had been set for June 3. They were held in custody in default of \$300 bail. Pending their examination they were being guarded in the Lookout Hotel. Calvin Hall was staying at the hotel so as to be near his sons.

This morning about 2 o'clock a mob, variously estimated at from 30 to 50 people, suddenly made its appearance at the hotel. The men, pointing their guns at the two officers on guard, commanded them to observe silence while they secured the five prisoners. They placed ropes around the prisoners and dragged them across Piatt River. They compelled the two guards to accompany them. Frank Hall, it is reported, made such strong resistance that the mob hanged him before it got to the main bridge, under a small bridge crossing a deep slough. The others were taken to the main bridge and Calvin Hall, the father, was hanged on the north side and Yantis and the other two Hall boys were hanged on the south side of the bridge.

As soon as the lynching was discovered, word was telegraphed to the District Attorney and Sheriff at Alturas, together with the coroner, are now on the way to the scene of the tragedy to hold an inquest.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good.
