I contracted Blood Poison two years ago this fall, and was persuaded to try a medicine widely advertised by a remedy company in Chicago. I was required to pay a large amount in advance, and can truthfully say that I was worse when the treatment was left off than when I began. Reddish pimples would break out and fill with yellowish matter; copper-colored splotches of all sizes would appear on my body; my throat was so sore I could soarcely swallow, and my mouth and tongile were soldem free from ulcers; tonsils were swellen, and my hair was coming out rapidly.
