#### **KLAMATH RIVER IRRIGATION AND** POWER COMPANY.

has finally assumed shape and the result will be of the utmost benefit and impostance to every land owner and in Langell valley. citizen. It is a new irrigation enterprise, duly incorporated in the office of the Secretary of State this week, and designs to be able to provide power to ifrigate several millions of acres of land. So great a power will tover not only a great part of the land in Klamath county, but will also extend its benefits to adjoining counties in California.

The enterprise thus mentioned was incerporated under the name of the of natural history, he might have to control the enclosure." "Klamath River Irrigation and Power noted the disposition of the wood Co." The object mainly in view is the tick with profit. For down right Messrs. Moreland and Coggswell, same with which similar corporations have met with important and profit- to the wood tick. I have known one, depended on legal points. In their sole results during the past few years single-handed and alone, to keep up they demonded how the adjust have in California. In Klamath county the lakes, rivers, streams and wells provide convenient and unfailing water fof nearly every locality, and by electricity such water can be made available for irrigation purposes on every ranch and field where needed. We learn that the cost of irrigation, finder this new system, will be not sent from the Pit to torment me bemore than one-half the cost of water from the old fastiloned irrigation ettches which have heretofore been in use in this county, and probably on many accounts will give better reseeker anxious for a position wherein sults.

The water power is on Klamath river about a mile below Keno and is said to be the greatest power on the shrill, a fierce war-note of defiance witnesses, and unless the counsel for the defense had evidence or argu-Pacific Coast.
