The summa court, the coching of the rush that followed. The summa court, the coching of the summa court, the coching a value of mathematic term of the shah of Persia is, how-ever, the most valuable in the world. Even the cooking pots are lined with gold and the plates and dishes used at the royal table are of solid gold, incrusted with precions stones. If it were possible for the contents of the shah's kitchen to be put up at auc-tion they would realize over \$5,000, tion they would realize over \$5,000, 000.

#### A Wisconsin Family's Prominence.

Dr. Roswell Park, one of the physicians who attended President McKinley, is a son of the Rev. Roswell Park, D. D., who founded and was the first president of Racine college, Racine, Wis.

#### Only Woman Arctic Explorer.

Mrs. Peary, who recently returned supplies for her husband, occupies a unique position in the world as the only woman arctic explorer. She has several times accompanied her husband on his expeditions, sharing the dangers and hardships. Mrs. Peary's little daughter, Mary Annighito Peary, was born in the far north 1893, and did not see daylight until she was six months old.
