### KLAMATH AGENCY ITEMS.

### LEATHER STOCKING.

PRISONER IS AFRAID.  
Following correspondence from Ashland in Sunday's Oregonian gives additional information concerning results of the tragedy enacted near Fall creek last week:  
Edward Loucks, the second victim of the bullet of John A. McDonald, the Klamath saloon-keeper, died at Yreka, last night, after four days' suffering. He was a prominent member of the A. O. U. W. order and the members of the local lodge attended to his wants. Loucks' relatives are in the state of Michigan. The preliminary examination of McDonald for the killing of both Hoover and Loucks will take place at Yreka Monday, instead of Klamath, for the authorities fear to risk the removal of McDonald on account of the indignation of the people of Siskiyou county over the murder.

McDonald is now badly frightened over the affair, and has requested Sheriff Freshour to place him in the most secure cell in the jail. The general opinion is that the killing of Loucks was a most cold-blooded murder, and though threats of lynching have been freely made, yet it is believed that the law will be permitted to take its regular course in the case.

Mother Always Keeps it Handy.  
"My mother suffered a long time from distressing pains due primarily to indigestion," says L. W. Spaulding, Verona, Mo. "Two years ago I got her to try Kodol. She grew better at once and now, at the age of seventy-six, eats any thing she wants, remarking that she fears no bad effects as she has her bottle of Kodol handy." Don't waste time doctoring symptoms. Go after the cause. If your stomach is sound your health will be good. Kodol rests the stomach and strengthens the body by digesting your food. It is nature's own tonic.

No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts scalds and wounds. "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy in the market." Sure cure for piles and skin diseases. Beware of counterfeits.

Stock Co., with capital stock of \$30,000, was completed on Tuesday when the transfer of property and cash was made. Several tracts of land, 4,000 sheep, 30 head of horses and some cattle passed from the exclusive ownership of L. D. Applegate and C. N. P. Armstrong to that of the company, in which, however, those gentlemen share equally with the other stockholders, Messrs. Robt. W. Prosser, Rex E. Bord and C. W. Jackson. The officers are: I. D. Applegate, general manager; Robt. W. Prosser, president; C. W. Jackson, treasurer; Chas. H. Withrow, clerk. It is the purpose of the company to add to its holdings of live stock and land whenever it may be deemed desirable and advisable to do so.

Fully 1000 people from outside of the county will visit Crater lake next month. Portland and San Francisco will contribute half that number. Among the visitors will be, as we understand, Senator Mitchell, Congressman Tongue, Governor Geer and other prominent officials. Besides inspecting the wonders and beauties of Crater lake, visitors can enjoy themselves at Wood river and Upper Klamath lake resorts, where angling for trout in the crystal streams and shooting deer in the neighboring mountains are chief pastimes. August is the most desirable month for outings here on account of the increased warmth of the elements and the fact that mosquitoes, gnats, house flies and prodigious horse flies usually disappear with July.

A legal document lately filed for record in the county clerk's office here furnishes substantial ground for

poisoning the system.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress.
