

KLAMATH REPUBLICAN

SUPPLEMENT.

VOL. 7.

KLAMATH FALLS, OREGON, THURSDAY, OCTOBER 30, 1902.

BONANZA "SQUIBS."

The ranchers in this immediate vicinity are in the midst of thrashing.

Bonanza will soon be on speaking terms with her sister by telephone.

Bonanza is having a boom; property is changing hands and new buildings will soon adorn our town. Let the city council make the necessary appropriation for the building of good streets, and make our town attractive, that visitors and home-seekers may be induced to become permanent citizens among us. No better school can be found in Klamath county, and our citizens are enterprising and loyal. A church building will soon be erected, that will be a landmark to the noble efforts of our best class of citizens.

Mrs. Taylor of Ashland has purchased the Goss Hotel and livery barn.

Wm. Goss has purchased the town property of S. C. Hamaker that is occupied at present by S. D. Whitmore.

T. B. Kinsman has sold all his real estate and will soon go to Rogue River to make his future home.

S. C. Hamaker leaves in a few days for Ashland to engage in the livery business. He will sell all his personal property and household effects at public auction next Saturday.

Dan Driscoll will soon remove to the S. C. Hamaker ranch.

Rev. Younglove of Wisconsin, M. E. minister, will soon be among our people to hold services twice a month, dividing the time between this place and Klamath Falls. A good reputation precedes him, and no doubt the people among whom he will labor will greet him royally.

Our Bonanza merchants are hustling in their freight before bad roads raises the price of hauling.

Mrs. Fuller, who has been visiting her son Hosmer, has returned to her home in Sisson, Cal.

A. T. Langell has purchased the Dodd property now occupied by Dr. Johnson. The doctor will soon remove to his new residence that is nearing completion.

The Bonanza bridge will soon be rebuilt. It has put the stages and other passengers at a great inconvenience in its present plight.

KICKS AT MAIL SERVICE.

SPRING MEADOW FARM, OR.
Oct. 27th, 1902.

Editor REPUBLICAN: AS one of the people who are supposed to be served by the contractor on the star route from Ashland to Klamath Falls, I wish to enter an emphatic protest against the manner in which we are being served.

Myself and neighbors have boxes by the roadside for the convenience

of the driver, but our mail is sometimes left at other places, sometimes pitched over the fence into the yard and frequently the mail for parties twenty miles or more from here is left in my box, or the mail of my neighbors residing between here and the Falls, is put in my box. Some of my mail never reaches me at all, and letters to be mailed although stuck in the side of the box where they can be plainly seen for two hundred yards up or down the road are left for days without being mailed.

If matters are not remedied, there will be a kick against the contractor, where it will do some good. Very respectfully,
O. A. STEARNS.

It is only fair to add that Contractor Dutro has not had control of the line since October 1 and any causes for complaint since then should not be attributed to him.—Ed.

What Theodore Roosevelt Says.

An article on "The Presidency," by Theodore Roosevelt, to be published in the November 6th issue of THE YOUTH'S COMPANION, will be of great public interest. When the article was written Mr. Roosevelt had not even been nominated for the Vice-Presidency.

Nothing was then further from his thought than that he would so soon exercise the great powers which are entrusted to the President of the United States.

In view of the circumstances the article possesses an importance more than ordinary, and it will be eagerly looked for. The number of THE YOUTH'S COMPANION containing it, and all the subsequent issues of 1902, will be sent free to new subscribers from the time their subscription of \$1.75 is received for the 1903 volume. The new subscriber will also receive THE COMPANION Calendar for 1903, lithographed in twelve colors and gold. Full illustrated announcement of the new volume and sample copies of THE COMPANION will be sent to any address free.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because one telling is not enough." It is for this reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by Chitwood & Co.

Gained Forty Pounds in Thirty Days.

For several months our younger brother had been troubled with indigestion. He tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them. Inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade of the Tablets.—HOLLEY BROS., Merchants, Long Branch, Mo. For sale by Chitwood & Co.

Do Good—It Pays.

A Chicago man has observed that, "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time." Sold by Chitwood & Co.

The board of directors Lewis and Clark fair are in effort to have an extra session of the state legislature to vote appropriation for the proposed fair. The reason urged for such a special meeting is to keep business out of politics and lay which would be apt to be left to the regular session, to be absorbed by the task of a United States senator and consideration of a multitude of
