**READ IT THROUGH!**  
**'Twould Spoil This Story to Tell it  
in the Headlines.**  
To use an eighteenth century  
phrase, this is an "over true tale."'  
Having happened in a small Virginia  
town in the winter of 1902, it is a  
story very much of the present. Up  
to a short time ago Mrs. John E. Har-  
mon, of Melfa Station, Va., had no  
personal knowledge of the rare curative  
properties of Chamberlain's  
Cough Remedy. "Last January,"  
she says, "my baby took a dreadful  
cold and at one time I feared she  
would have pneumonia, but one of my  
neighbors told me how this remedy  
had cured her little boy and I began  
giving it to my baby at once and it  
soon cured her. I heartily thank  
the manufacturers of Chamberlain's  
Cough Remedy for placing so great a  
cure within my reach. I cannot  
recommend it too highly or say too  
much in its favor. I hope all who  
read this will try it and be convinced  
as I was." For sale by Chitwood & Co.
